Year 11 & 12 Examinations
Year 11 & 12 CAF subjects will have tutorials

Friday 10 June

Year 11 & 12 examinations
Year 11 & 12 CAF subjects will have tutorials

From the Principal,

Dear Members of the La Salle Community,

Most would agree that all that really matters in our world are the relationships that we form with one another. How we meet other people and the way we relate to them determine how we live our lives. If our relationships are positive and open, based on values of justice, compassion and trust, then we will make strides towards creating a better world.

Many of the activities and events which are promoted in the College are shaped by the relationships that are established. Last Friday afternoon, the back to La Salle function - 'Sundowner' for past and present staff and Board members was a great success and is a prime example. In talking to a number of former staff members on the night it was obvious that they very much enjoyed being a part of a special community and treasured the positive relationships that they had developed with other staff, parents and students.

Another example of the value of forming relationships is the recent professional development in-service which was conducted at Nooroma in New South Wales. Over twenty five staff from various De La Salle Colleges throughout Australia, including our own, came together to reflect upon their work as educators in De La Salle schools and to deepen their understanding of the educational philosophy of St John Baptist De La Salle.

One of the hallmarks of his educational belief is that a sense of community should be nurtured within every De La Salle College. This sense of community is engendered by focusing on the development of positive, healthy relationships between all members of the community.

YEAR 11 & 12 EXAMS

Next week sees the commencement of the exam period for Years 11 and 12 students. This can often be a stressful time for students and parents and care needs to be taken to ensure that this is not the case. If students have worked consistently through the Semester, they would have little to fear. For those who may have taken time to settle into an appropriate study pattern, all is not lost as there is the opportunity to build upon what has been achieved.

Whatever the case, students and parents need to be realistic in their expectations taking into account all the factors which impact on the final result.

It is important that throughout the exam period, students maintain as normal a regime as possible. This particularly applies to getting appropriate rest and recreation. We wish them all well in their endeavours and assure them of our prayers and support.

FROM THE PRINCIPAL

SCHOOL ASSEMBLY

At our school assembly last Monday I again raised the question of uniform and how it is worn. It is my expectation that all La Salle College students are expected to wear the uniform appropriately and with pride. Students were reminded that they are expected to be in their appropriate uniform at all times including travelling to and from the College and this includes wearing their blazer and all other items of clothing appropriately and with pride.

**CREATING THE FUTURE
FOR OUR YOUNG PEOPLE:**

**RAISING THE SCHOOL LEAVING AGE CONSULTATION
FORUMS**

As you are aware, the Government is considering raising the school leaving age. The aim is to have all young people participating, up to the age of 17, in meaningful and certified combinations of schooling, training, higher education and work.

To help inform this debate, there will be a series of consultation forums held across metropolitan and regional areas. Consultation Forum Information will be advertised in local newspapers in your area and further updates and information are also available at the following websites:

www.ministers.wa.gov.au/carpenter or
www.det.wa.edu.au.

Kind regards

Michael Kenny
Principal

Lord,
We pray for those about to sit exams, that they may remain calm and at peace so that they may be able to make the best use of their talents and the study they have done and the education they have been given. Let nothing prevent them from doing as well as they deserve, and may they be ready to support and encourage one another. For our own talents and the education and support that we receive, we give thanks.
Amen

FROM THE DEPUTY PRINCIPAL

**SEMESTER ONE
LOWER SCHOOL EXAMINATIONS**

FUN TWISTS WITH FAIRY TALES

Last week our year 12 Drama Studies students performed their modern versions of fairy tale myths. The old-fashioned 'happy endings' of some of our culture's most popular bed time stories were attacked, challenged and corrupted. Do we always live happily ever after? If you ask these Year 12s, not necessarily so! Well done drama students for your creative and thought provoking work.

Ms N. Lake

Drama Coordinator

FOOTBALL NEWS

UNDER 17 REGIONAL FOOTBALL
Sunday 30 May 2004

On a windy afternoon our young men finally played to instructions and produced a marked improvement in overall effort. It was rewarding to watch how they supported and put their bodies on the line for each other. They played with an intensity that has not been evident since our first game and it resulted in fierce desire for the ball especially when the opposition were kicking with the strong wind where we were able to restrict them to just 3 goals in each of those quarters. This intensity continued as we used the wind to our advantage kicking some 12 goals with it. Highlights were the marking skills of *Anthony 'Kouta' Radziejewski, Brent Sweeney, Luke Davies* and *James Corbitt* as well as *Luke Davies* kicking 6 goals.

Whilst it was a fantastic team effort, better players on the day were *Anthony 'Kouta' Radziejewski* and *Luke Davies* put in best on ground performances, *Brent Sweeney, Matt Burton* and big *Andrew Rae*.

Final score: La Salle College 14 goals 8 points to Upper Swan 8 goals 6 points.
Goal Scorers: *Luke Davies* 6 goals, *Brent Stein* 2 goals, *Anthony Radziejewski* 1 goal. Unfortunately I do not have the other scores.

Next Sunday 6 June we play Midvale at Ron Jose Oval, Midvale commencing at **2:15 pm**.

SMARTER THAN SMOKING CUP - 26/05/04

Our final game of this competition for 2004 is one that I would like to forget. It was disappointing to find out during the afternoon that we would be missing many of our senior players leaving us with fourteen members, fortunately four Year 10 players came to our rescue. The team was unable to settle and as a result Swan View was able to kick a winning score of 8 goals to 5. *Damon Pavlinovich* again was an outstanding defender along with quality performances by *Jordan Stoate* in kicking 4 goals, *Ben Cooper, Anthony Radziejewski, Luke Davies* and *Ryan Hampson* even though he could not remember much about the game.

FOOTBALL NEWS

BELT UP CUP 1/06/2004

We played our first game of this year for the Year 8/9 competition on Tuesday afternoon against Swan View at their ground. This was an excellent match which saw our young players control most of the play, yet we were not able to convert our shots at goals into a winning score. As a result we went down by two points as the final score was Swan View 6 goals 4 points to La Salle 5 goals 8 points. I was impressed with the players attitude and the way they worked together seeing as we have not and will not be able to train as a team.

Better players were *Simon Parry* with his 4 goals, *Ben Baker* outstanding in the ruck, *Lee Verdiglione* in defence, *Luke Nell* and small men *Brad Gardner, Chris Smith, Ben Cernotta*

Next Tuesday we take on Mazenod at North Swan Park, Middle Swan commencing at 4:00 pm.

Mr J. Sorgiovanni
Coach

CANTEEN ROSTER - WEEK 7

MONDAY: -	PUBLIC HOLIDAY
TUESDAY: -	S. Howlett, V. Lough
WEDNESDAY: -	T. Quaglia, E. Stojanovic
THURSDAY: -	J. O'Donnell, L. Westbrook
FRIDAY: -	P. Gray, H. Dawes

ADVERTISING IN THE WESTERN LASALLIAN

Do you have a business that you would like to advertise to the College community? Why not try the Western Lasallian's July or September issue. Please contact Ms Sabrina Lynsdale-Ross on 9274 6266 for further information.

girls played their toughest game well and won with
flying colours.
Ms K. Bianchini - Coach

COMMUNITY NEWS

Amaze yourself! Give Foster Care a go. Fostering with the Non-Government Agencies. Foster carers are amazing; they open their homes, families and hearts to children and young people who are unable to live with their own families. Foster carers experience joy, fun, challenge and satisfaction in providing a stable home, giving care to a child and making a valuable contribution to our community. For further information call 1300 305 288.
