School Resumes for students

Tuesday 27 July

From the Principal,

Dear Members of the La Salle Community,

The Year 11 and 12 Parent/Teacher/Student interviews will take place next Monday 5 July from 3.30 pm - 6.30 pm. These occasions are an excellent chance for parents to speak with subject teachers and discuss the academic progress of their children. I again urge parents to attend these interviews because it is my understanding that at La Salle College teachers are working with parents to facilitate the learning of their children and, as such, we need to work together.

The Year 8 - 10 Reports will be available for collection on Tuesday 3 August. Parent/Teacher Interviews will take place from 3.30 pm - 7.30 pm on this day.

SEMESTER ONE

As the first Semester is rapidly drawing to a close let us reflect on what has been achieved. In terms of the College, we have much to celebrate. Many talented students in a wealth of arenas have performed at very high levels. Each week in the Delagram we have been able to report on these students and acknowledge their efforts. Groups of students have represented the College in Music, Drama and Sport and displayed the qualities of team work, commitment and hard work which we value as a community. The upcoming Drama Production "Jesus Christ Superstar" is an outstanding example of what we are talking about.

Congratulations to Ms Nicole Loke, staff and all the students involved in the production. We very much look forward to seeing the students perform on stage in Week 2 of next Term.

PARENTING TIPS FOR DADS

The most important gift that you can give your children is your love. This means getting to know them, sharing who they are as a person, spending time with them and making the most of the time you can spend with them.

How can Dads get this to happen?

- Talk about your feelings - this allows your son/daughter to learn that it is OK for men to talk about feelings.
- Role model for your sons the way you would like them to be as adults.
- Spend time with your daughters - they will learn how to develop relationships with males throughout their lives.
- Enjoy your teenagers company.
- Expect your son/daughter to do their best and be proud of their efforts whether they succeed or fail.
- What matters most is HOW you are a Dad. Your children need to know that you care for them and you will look after them.

YEAR 8 ENROLMENTS 2006

First round offers for Year 8 2006 will be posted next **Monday 5 July**. I have thoroughly enjoyed the opportunity to talk to our future Year 8 students and their parents over the past three months. There is a very positive feeling in the community about the quality of education which is being offered to the students at La Salle College.

FROM THE PRINCIPAL continued

MONDAY 26 JULY

The entire staff will be involved in a Professional Development day on Monday 26 July. Students will return to school from their Term 2 holidays on Tuesday 27 July.

Kind regards

MICHAEL KENNY
Principal

FOOTBALL NEWS

**Under 17 Regional Football
Sunday 27 June 2004**

This was a strange match in that it turned back the clock to my Aussie Footy coaching days where teams played fifteen a side. We found it frustrating as our pre game plans were based around a full team on the ground. This led to a rapid rethink and some quick shuffling of players as well as getting to realise that it was a whole new ball game. They have to re-focus and be prepared for a whole lot more running on the wide open space of Reid Oval. It was great to see the players accept the challenge and run hard knowing that we had nine players on the bench and they would be sitting there if they did not put in. We played a very good first and last quarter with average second and third quarters, however, we were able to go on and have a comfortable win. All players put in good efforts in short bursts. We must now aim for consistent four-quarter efforts in all games for the remainder of the season.

Final scores La Salle College 9 goals 11 points to Forrestfield 3 goals 7 points.

Better players on the day were *Michael Turkich, Mark Andrich, Chris Vescovo, Kieran Markham, Matthew Dziadowicz, Brent Stein* and *Nicholas Webb*.

Goal Scorers: *Luke Davies, Anthony Radziejewski* and *Chris Vescovo* 2 goals each with *Michael Parry, Brent Stein* and *Nick Webb* 1 goal each.

The players must now realise that every game from here on is virtually a finals match. Sunday 4 July we play Kalamunda here at College Oval, commencing at 2:15 pm.

Congratulations to *Matthew Laycock* on his appointment to the field umpiring panel for the upcoming State Schoolboys Football championships being held in Perth. WA has two sides in the competition.
