From the Principal,

Dear Members of the La Salle
Community,

The House Athletics Carnival,
which took place last Tuesday, was
an excellent opportunity to build
community spirit in the College
and at the same time provide
students with the chance to
display their athletic talent.
Congratulations to Benildus House
for winning the overall carnival.

The carnival was well supported by
the student body, however as is
often the case with such events, the
absentee rate on the day was higher
than is usually the case on a normal
school day. These events are not an
optional extra and it is
disappointing that students choose
not to support all the activities of
the school and in some cases with
the support of their parents. This
only reinforces a message that
commitment to others is of little
consequence in today's society.

The Physical Education
Department together with all the
staff are to be congratulated for the
way in which they organised the
carnival. Good luck to our athletics
team who will be competing in the
ACC Athletics Carnival at Perry
Lakes next Friday 24 September.
Parents are invited to come along
and provide vocal support for our
athletes.

MUSIC CONCERT

Tonight we look forward to the La
Salle College Music Concert. This is
a wonderful opportunity to
showcase the enthusiasm and hard
work of our Music students and
their dedicated staff. The Music
Program has grown considerably in
recent years, both in numbers and in
variety. A highlight will be the
individual and group performances
of the various musicians.

Friends of Music, which consists of a
group of very supportive parents,
was established a few years ago by
Ms King to assist with the
promotion of Music in the College
and their support and
encouragement have been a major
factor in its development in the
College.

TERM 3

With only two weeks of term left, it
is an opportune time to remind
students of the need to continue to
perform consistently. Term 3 is
invariably challenging and it can be
a time when students let their
studies slip. I urge all of our
students to ensure that their
schooling is a priority in their lives.

2005

Finally, as we continue our
preparations and planning for next
year, may I remind all parents, that
if they do not intend for their child
to continue their enrolment at the
College for next year, a letter
addressed to the Principal is
required by the end of this term.

Kind regards

Michael Kenny

TWILIGHT HOUSE ATHLETICS CARNIVAL

I would like to thank the Physical Education staff for their hard work in organising the carnival, the staff for their effort and professionalism and the maintenance staff for marking the field. I would like to give a huge thanks to the athletes who were very reliable, dedicated and put in a massive effort. Watching these students compete with such enthusiasm was enjoyable for many. There was a group of students who offered their time to help on field events. I have received positive feedback about how mature and supportive these students were. The Athletics Carnival was a great success due to the support of these people and I would like to thank them for all their hard work.

YOUR HELP IS URGENTLY REQUIRED

We are in urgent need of people (mums, dads, brothers, sisters, aunties, uncles, grandparents, friends) who can spare an hour or two a week to join our 'Volunteer Education Support Programme'. This programme is run to support students with learning difficulties to actively participate in a mainstream class. The students achieve at their own level whilst having the opportunity to integrate and socialise with their peers. The level of support given is different for each student and could range from simplifying instructions, to writing for the student in order to keep them up with the class.

Your support will be greatly appreciated by both the students and staff and we hope the experience will be very rewarding for you too. (If you have a preference for an area we will try to accommodate this.) We would truly appreciate hearing from anyone even if you only think you can offer some assistance. Please fill in the form below and return to F04 or contact Chris Williams or Trish Kapor on 9274 6266, Ext 241.

PLEASE HELP

YOUR ASSISTANCE IS URGENTLY REQUIRED

Every year the College holds an exhibition of artwork done by professional artists and our very talented students. The exhibition this year will be held over the weekend of 8, 9 and 10 October, (right in the middle of the school holidays). An undertaking of this size needs LOTS of volunteers to make it a success. Help is needed in all areas - preparing food, washing dishes, setting up the gymnasium, manning the exhibition throughout the weekend and many more. If you can spare some time, even an hour would help, please call Veronica DiCandilo on 92961565.
