From the Principal,

Dear Members of the La Salle Community,

Last Saturday 35 keen Year 11 students attended our Leadership Training Day at the College. I was most impressed with the students' positive attitude and the harmony that was evident amongst this group of potential leaders. It is pleasing that so many of our students are willing to put themselves forward as prospective leaders and are willing to take on the responsibility that goes with such a position. Our aim is to announce our student captains by the last day of this term.

ACC ATHLETICS CARNIVAL

Our Athletics Squad are competing in the ACC Carnival at Perry Lakes Stadium today having been preparing for a number of weeks. We wish them every success as they compete on behalf of the College.

INDEPENDENT LIVING CLASS

Last week I was invited to a three course meal which was prepared by Ms Lennon's Year 11 Independent Living Class. The meal was delicious and the service provided by the students was first class. It was also very pleasing to see that a number of our parents were in attendance. I wish to congratulate the students and Ms Lennon for their outstanding effort. The students are a credit to their parents and La Salle College.

MUSIC CONCERT

Last Friday evening our Music students performed in the College Auditorium. Our Music Coordinator Ms Cassandra King was delighted with the quality of the acts and the obvious joy the students had in making music together. The staff who worked with and encouraged the students are to be congratulated and sincerely thanked for their efforts.

NATIONAL CATHOLIC SECONDARY PRINCIPALS CONFERENCE

Next week, together with our Deputy Principal Mr Rino Randazzo, I will be attending the biannual National Catholic Secondary Leaders Conference which will be held in Perth.

In excess of two hundred and fifty participants from around Australia will be present. The conference theme "Scripture and Joy: Food for the Soul" will help me to gain new insight into the Scriptures which I will share with the staff, students and parents of our La Salle community. I am very much looking forward to the conference and the chance to network with my fellow colleagues in other Catholic Secondary Colleges throughout Australia.

2005 BOOK SUPPLIER

Our major text book supplier for 2005 will be Wooldridges Book Company. Parents will be able to, as in previous years, email their order form and have the books delivered to their house or purchase the books direct from the book company. In addition, Wooldridges have agreed to set up a bookstore in our gymnasium from Thursday 13 January to Saturday 15 January. Opening hours will be published later in Term 4.

LA SALLE COLLEGE PRESENTATION EVENING 24 NOVEMBER 2004

Given the significance of this year, we have decided to hold our College Presentation Evening at the new Perth Convention Centre. This most important event will take place on Wednesday 24 November, commencing 7.00 pm. The De La Salle Provincial Brother David Hawke will be our guest speaker.

It is expected that all of our Year 8 - 11 students will be in attendance. We welcome the presence of our parents at this our last College Community celebration in 2004.

COLLEGE GROUNDS

Students and staff enjoy the grounds at La Salle College. The commitment and dedication of the grounds and maintenance staff are reflected in the beauty, function and welcoming nature of the grounds. It is very disheartening to see the lack of effort made by some students who litter the school and deface property. This week saw the closure of the College canteen over recess as a response to the litter. It is extremely unfortunate that we have had to do this as many students do "the right thing". Instead of the College taking these measures, students need to think and act more thoughtfully and simply put their rubbish from their lockers and meals in the bin. In the remaining two weeks of this term, as the weather warms, we ask students to ensure the College grounds are left tidy.

UNIFORM WEEK

As we fast approach the end of term, students and parents are asked to inspect the summer uniform. We will begin wearing the summer uniform from the commencement of Term 4. Ensure that dresses are at the mandatory knee length, shorts are correctly fitted and that the uniform is in an extremely presentable state.

Deputy Principal

LEADERSHIP DAY

Leadership Day was held at the College on 18 September. Approximately 35 students from Year 11 attended the day. This was a chance for us to learn more about leadership skills. Many discussions were held on what we, the students expect from the leaders of 2005. Contributions by students as well as the staff emphasised the importance of what it is to be a leader.

A big thank you to the staff who gave up their Saturday to educate us about leadership. We look forward to applying the skills we learnt next year.

Good luck to the nominated leaders in 2005.

DAFFODIL DAY

On Friday 20 August, the Lasallian community rallied behind a very worthy cause, the Cancer Council's annual event, Daffodil Day. I wish to thank on their behalf all the staff, students and parents who supported this year's Daffodil Day - we raised a healthy \$760.00 which was sent to the Cancer Council last week. The total included a donation of \$85.00 donated by the staff and students of Benildus House without purchase of the Daffodil Day merchandise. The theme of our House Mass on Wednesday 18 August was "Making a Difference" and as part of the Offertory at the Mass, students and staff made a donation to make a difference to the lives of those afflicted by cancer. My hope is that this support remains just as strong for Daffodil Day 2005. Once again, many thanks for your overwhelming generosity, which will enable the Cancer Council to continue funding its research, education, patient and family support services.

LA SALLE HOUSE MASS

On Wednesday La Salle House celebrated our House Mass together. During the ceremony our Year 12s were formally farewelled and it was lovely to have so many of the Year 12 parents come and join us. The Chapel walls had flames with each students name on them and throughout the mass students from each PCG lit a candle while a member from their PCG was reading.

Music for our Mass was provided by two Year 11 students: *Joseph Huntington* and *Sean Appleyard*. The boys led us in a version of the Our Father that had everyone singing their loudest and proudest. I would like to thank the boys for sharing their talents with us and in turn helping all students in the house to share their singing talents!

After Mass the Year 12's and their parents were invited to share lunch in the courtyard. Many thanks to the Year 11 students for providing this lunch for them.

BENILDUS HOUSE REIGNS IN THE INTER-HOUSE ATHLETICS CARNIVAL

What wonderful House Spirit accompanied this event last Tuesday evening. Expectations were running high prior to the carnival, as students lined up to nominate for events. In the Open category, some events had up to eight competitors, when only one competitor was needed. There was a feeling amongst the House that this was going to be our year and we were not disappointed! Congratulations to the entire Benildus House Athletics and Cheering Squads for your awesome enthusiasm and participation, which enabled Benildus House to win the Athletics Carnival. Congratulations also to the Junior Team for winning their category. The Seniors came a creditable third.

In particular, the following students from our House are to be commended for being declared Individual Age Champions, U14 Girls, *Stephanie Spencer*; U14 Boys, *Kyle Clarke*; U15 Boys, *Reece Bender* and Open Girls, *Riana Crehan*. The House Captains, *Riana Crehan* and *Kyle Douglas* and House Leaders did a sterling job to rally the troops and their support, along with the staff and the parents who were able to join us, was greatly appreciated by a very proud House Coordinator on the day.

The Year 12s were presented with their gold medallions at Wednesday's Benildus House Year 12 Farewell Ceremony. Congratulations to our Year 12 Gold Medallists, *Riana Crehan*, Long Jump and 400m; *Tess Barretto*, Discus and *Chris Marshall*, Javelin. The Gold Medallists from Years 8-11 in Benildus House will be presented with their medallions at a House Assembly next term and will be acknowledged in the Delagram at a later stage. Well done, Benildus House. You continue to **DO IT WELL!**

MUSIC NIGHT

MUSIC NIGHT

The first part of the Music Night on Friday was devoted to a Musical visit back to the 1960s. A group of students from the choir - "Group 60" collaborated in creating a musical play based around issues effecting young people of the day. This nostalgic look back to the 1960s was presented with great flair by both the actors and our Band and singers.
