Graduation experiences, Year 10
Outdoor Education Camp and a
Year 8 2005 Parent Information
Evening, we are now settling
down to the core activities
typical of Term 4.

The Tertiary Entrance Exams
commenced on Monday with the
Physics Examination which,
according to all reports was a
positive experience for our
students. Hopefully this trend
will continue over the next ten
days.

**Remembrance Day

**La Salle College Presentation Evening
24 November**

The La Salle College Presentation Evening will be held at the Perth Convention Centre on Wednesday 24 November starting at 7:15 pm sharp and concluding at 9:45 pm. The event is one of the most significant functions in our 50th Anniversary year and as such we expect all Year 8 - 11 students to be in attendance.

This is an opportunity for staff, students and families to celebrate what has taken place in the College. It is not just an event to acknowledge the Award winners, but also an opportunity to thank one another for what has been achieved throughout the year.

I look forward to this final celebration of the 50th Anniversary year of La Salle College.

Kind regards

Mr Michael Kenny
Principal

OUR PRAYERS FOR ANGELINE PIACHAUD

La Salle College would like to extend our sincerest and deepest sympathy on the sad and sudden loss of our Year 12 2003 student, Angeline Piachaud.

A special Mass was held at the College on Thursday morning remembering Angeline.

Loving Father,
To you the dead do not die and in death,
our life is changed - not ended.
We believe that all that binds us together in love
and friendship does not end with death.
Hear our prayers for Angeline
who has gone from us.
As you have made each of us in your image and
likeness and have called us by name,
hold Angeline safely in your love,
in your kingdom of light, happiness and peace.
Amen.
