*Celebrating 50 years of Catholic Education in the Swan Valley 2004*

*From the Principal,*

Dear Members of the Lasallian community,

Next week sees the commencement of the exam period for Years 11 and 12 students. This can often be a stressful time for students and parents and care needs to be taken to ensure that this is not the case. If students have worked consistently through the semester, they would have little to fear. For those who may have taken time to settle into an appropriate study pattern, all is not lost as there is the opportunity to build upon what has been achieved.

Whatever the case, students and parents need to be realistic in their expectations taking into account all the factors which impact on the final result.

It is important that throughout the exam period, students maintain as normal a regime as possible. This particularly applies to getting appropriate rest and recreation. We wish them all well in their endeavours and assure them of our prayers and support.

**PROFESSIONAL DEVELOPMENT  
3 JUNE**

A reminder that there will be a student free day next Friday 3 June while staff attend a CEO in-service, Stepping Out, which is being undertaken as part of our literacy strategy.

**COLLEGE ASSEMBLY**

A whole School Assembly was held during the week. This was an excellent opportunity for the community to celebrate the achievement of students from a variety of academic, sporting and cultural areas. We are fortunate to be members of the La Salle Community. The College Assembly once again confirmed that there are many reasons to be proud of our achievements both as individuals and as a community. Certainly, as with any organisation, there are areas which provide us with

challenges, however, the care and concern which members show for each other is something special and sets us apart.

**ACC CROSS COUNTRY 2 JUNE**

Next Thursday 2 June 45 of our dedicated athletes will be competing in the ACC Cross Country Carnival at Perry Lakes. We wish the students every success and thank them for their commitment to training.

Kind regards

Mr Michael Kenny  
Principal

**YEAR 11 & 12 EXAMINATIONS**

**Monday 30 May - Wednesday 8 June**  
Students in Years 11 and 12 will embark on their Semester 1 Examinations commencing Monday of next week. A number of students will also undertake Work Experience and TAFE placements during the first week of the examination period.

Please note that students who are enrolled in three or more Wholly School Assessed Subjects (Non TEE) will be required to attend school at the commencement of Week 7, Tuesday 7 June unless they still have an examination to undertake.

We wish all students success throughout this period whether they are undertaking examinations, TAFE units of competency or work experience.

*Mr M. Pepper*

Acting Deputy Principal

Lord, we pray for those about to sit exams, that they may remain calm and at peace so that they may be able to make the best use of their talents and the study they have done and the education they have been given. Let nothing prevent them from doing as well as they deserve and may they be ready to support and encourage one another. Amen.

### PARENTAL ICT

**(Information and Communications Technology) Survey**  
The Catholic Education Office is conducting a survey of Parents, Students and Teachers to ascertain the effectiveness of current ICT implementations in Catholic schools. To assist with this process we are asking parents to go online and fill out a survey form. (The information is confidential). The form is located at:  
<http://www.edutech.net.au/parent.htm> and can be filled out any time in the next week.

Thank you for your cooperation.

*Mr D. Battistessa*

Assistant Deputy Principal / ICT Coordinator

### CONGRATULATIONS

The College congratulates *Stephanie Spencer* who has been selected to represent the Pony Club Association of Western Australia in the discipline of Dressage at the National Championships to be held in Perth in July.

#### SPEECH AND LEADERSHIP CONTEST 2005

Over the weekend the Joint Commonwealth Societies' Council in WA held their annual speech and leadership competition. It consisted of leadership interviews, a prepared six minute speech and an impromptu speech for which each contestant had ten minutes preparation. Because this event isn't widely published, this year was La Salle College's first entry in the competition. It was an opportunity to express our opinions and to experience the particular interview and to understand the pressure of writing a speech unprepared. It allowed us to meet people in the same situation from Years 11 and 12 and although some were more experienced with public speaking than others, all contestants had a fair run. This week we were informed about the finals and Courtney O'Donnell did exceptionally well by making it through with five other people. Thank you to Mrs Keenan for her continual support and effort and thanks to Mr Italiano and our parents for your attendance on the day. It's better talking to people, rather than empty seats.

### CROSS COUNTRY

Good luck to our students who are participating in the ACC Cross Country on Thursday. Thankyou to all those brave students who have been training on Monday and Thursday mornings in often cold wintery conditions for the past six weeks, your commitment has been wonderful. We have also been very lucky to have the expertise of Ms Harry training with the team on these mornings. Ms Harry is currently training for her third marathon and I know the students have appreciated her good advice and effort that she has put into these sessions. At the College assembly on Wednesday, *Jonathon Laycock* was announced as our Captain for the 2005 Cross Country team. Although Jonathon is in Year 10, his commitment to the team and to early morning training sessions has never faltered. Jonathon has also shown great leadership skills, is a keen runner and he definitely a worthy person for the job.

Once again, good luck and the results of individual runners will be published in next weeks Delagram.

### CHAMPION SCHOOL GIRLS- SOCCER

#### La Salle 2 -v- Eastern Hills Senior High School

Game 2 was a very tense affair because of the talented opposition. Eastern Hills scored first denting our pride. *Joanne Walczak* then allowed us to come back into the game with a fabulous goal. Very exciting. We then slogged it out with both teams having opportunities. *Sarah Colja* produced a wonderful pass from a corner kick which was then brutally dispatched for our second goal by *Sarah Gresser*. At this stage we all thought it was our game. Eastern Hills then scored again late in the game. Congratulations to *Clare Ryan* and *Anneleise Safe* playing their first game. A great team effort.

*Mr F. Italiano* - Coach

*Celebrating 50 years of Catholic Education in the Swan Valley 2004*

**GIRLS FOOTBALL**

Our girls played another fantastic game in the Smarter Than Smoking Schoolgirls Cup this week, going down narrowly to Mt Lawley SHS in a hard fought encounter. It is testament to the girls improvement that they were able to get so close to the opposition, who were comfortably the best team we have played so far. La Salle completely dominated the second half with some great tackling and attacking football. *Kate Daniel* led the way in this regard with a great game at centre half back. *Jacinda Barclay, Kirsty Frick, Emma Clauson* and *Nicole Smith* provided great support in the midfield, whilst *Meg Barker* and *Hayley Best* were dangerous up forward.

Next Game: Tuesday 31 May La Salle vs Lockridge SHS at Lockridge.

*Mr B. Dyer* - Coach

**YEAR 9 LIGHTNING CARNIVAL**

On 11 May, over 200 Year 9 students assembled in the College gymnasium eagerly anticipating a day full of exciting sporting activities. Students had the choice to participate in either soccer, netball, football or rugby union with a group of their friends. The purpose of the eventful day was to interact with many other students from other ACC schools, and to develop inter-personal, social and teamwork skills. As a result of this day, the Year 9 students learned to appreciate the advantage of working together and knowing that winning isn't everything.

**SMARTER THAN SMOKING CUP  
25/05/2005 JAKOVICH DIVISION**

Our match against Governor Stirling was one which we had to win to keep us in the hunt to represent our division in the cross over final. We were able to get off to a more positive start than the last match and through a hard at the ball approach we set up a four goal to two lead at the half time break. The second half turned out to be a tough and very competitive contest in which both teams gave their all.

A special feature of our game was the manner in which our players tackled the opposition and at the same time creating opportunities for us. Unfortunately a couple of lapses in concentration saw the opposition score two relatively easy goals which in the final analysis could be crucial to both sides as percentage will most likely separate these two evenly matched sides.

Better players being *Michael Parry, Stephen Daniele, Joshua Cernatta, Matthew Burton, Simon Parry, Daniel O'Rielly* and *Luke Even*.  
Final score La Salle 7 goals 4 behinds to Governor Stirling 5 goals 3 points, the main goal scorers were *Luke Davies 2, Simon Parry 2* and *Luke Even 3*.

Next week we play Eastern Hills at home, commencing at 4:00pm.. **It is essential that all players make the necessary arrangements to be at the College by 3:00pm on Wednesday June 1<sup>st</sup>.** The team certainly appreciated the great support from the sidelines and we hope to have another great crowd next week.

*Mr J. Sorgiovanni* - Coach

**LA SALLE FOOTBALL RESULTS**

**LA SALLE 13s**

It was out to the country this week as we journeyed to Muchea to take on Chittering. Even though they were yet to post a victory for the year, Chittering provided us with a stern challenge. However, the skill of the La Salle players showed out in the end and ensured we were comfortable winners 13.8.86 to 4.2.26 which maintains our unbeaten start to the season. Better players for La Salle were *Adam Faulkner, Callum Carey* (who both kicked 5 goals), *Christopher Daniele* and *Aaron Green*. Other goal scorers were *Nicholas Barker* with 2 goals and *Jake Thresher* with 1.

*Mr. C. Stein* - Coach

**LA SALLE 14s**

On Sunday our 14s side took on the might of Bassendean 14s at Jubilee Reserve. Things did not start at all well, Bassendean repeatedly taking the ball into their forward zone seemingly at will. The half time break could not come quick enough. Noel's half time address was one of mixed emotions and frustration. After carefully studying the white board some delicate changes took place; the whole side changed positions. The very different looking side came out to give a harder effort. The player's should take note at what can be done if they all try more. Although not winning if the players play 4 quarters of a game as they did in the 2<sup>nd</sup> half we would challenge a lot more sides.  
Better Players *Rhys Egan, Nicholas Quaglia, Luke Roberts, Johnathon Coniglio. Zac Brearley* was our major goal scorer.

*Mr P. Brennan* - Manager 14s

**FIXTURES**

- 13s 9:00am Bassendean -v- La Salle at Jubilee Reserve.
- 14s 1:00pm Upper Swan -v- La Salle at Baskerville Reserve.
- 15s 1:00pm Beechboro -v- La Salle at Altone Park.

### VISITING TEXTILE ARTIST

The Year 11 Art and Year 12 Art & Design students were fortunate to be given a talk and demonstration by renowned W.A. textile artist Jennie Abbott. Jennie brought in a wonderful array of textile creations ranging from the whimsical dragon toys, wearable art and framed textile artworks. The selection of techniques used to create and embellish textiles was vast and her visit served as a catalyst for creative work from our students. The 12's will be creating mythical creatures that inhabit the landscape of New Norcia and the 11's will be creating a textile landscape "Spirit of the Land".
