La Salle College
Delagram

The weekly newsletter of La Salle College

From the Principal,

Dear Members of the Lasallian community,

La Salle College, in common with most schools is a busy place. Next Wednesday 24 August will see a number of our students being awarded with Certificates of Academic Achievement at our College Assembly.

In addition to the academic pursuits, our Athletics squad will begin training next week for the ACC Athletics Carnival, which will be held at Perry Lakes on 21 September.

Many other students are currently taking part in the Catholic Schools Performing Arts Festival. A number of our senior Art students have entered their work in the Angelico Art Festival.

From Wednesday to Friday of this week, the entire Year 11 cohort have been involved in the Retreat program. A key focus of the three days is the spiritual needs of students in the world of today.

SENIOR STUDENTS

We have reached the halfway mark of Term 3 and it is vital that our senior students make the most of the short time left this year. It is imperative that they continue to work consistently, maintaining a balance of study and leisure in their lives but at the same time recognising that their schooling needs to be a priority. As parents, the support and encouragement we offer our children is vital in helping them to achieve their personal best.

HOUSE ATHLETICS CARNIVAL

I was unable to attend the Inter-House Athletics Carnival, which was held last Wednesday at Perry Lakes, due to my father's funeral in Adelaide. The feedback that I have received from both staff and students has been very positive and we now have a platform from which we can build on to make the day a real Lasallian community event.

Congratulations to our Physical Education Coordinator, Silvio Lombardi and his staff for coordinating the program. Well done to Solomon House on winning the carnival and to all students for their support on the day.

SUBJECT SELECTIONS

Our current Year 10 and 11 students should now have returned their subject selection forms following appropriate consultation with teachers and course advisors. Thank you to those parents who were able to make the time to attend the interview with your child's course advisor.

STUDENTS LEADERS

It is that time of the year again when we begin the process of selecting the College Student Leaders for 2006. At the Year 11 Retreats this week I outlined the process which will take place over the next four weeks. The students seemed very keen to put themselves forward as prospective leaders in the College. It is pleasing that so many of our students are willing to take on the responsibility that goes with such a position.

Kind regards

Michael Kenny
Principal

LA SALLE COLLEGE 46TH ANNUAL INTER-HOUSE ATHLETICS CARNIVAL

On Wednesday 10 August, La Salle College held its annual Athletics Carnival at Perry Lakes Stadium. Whilst we had some inclement weather to contend with at the start of the day, the sun did shine for the afternoon events and made for a pleasant carnival.

The students are to be congratulated on their outstanding effort and high level of participation. The Physical Education Department would like to extend a vote of thanks to the House Coordinators and the staff for their assistance in making the carnival a success.

At the end of the day, there can only be one winner. Solomon House followed up their success earlier in the year (Swimming Carnival) to outrun, out-throw and out-jump the opposition to complete the double for 2005. The final standings were:

1 st	Solomon	1204
2 nd	Benildus	1145
3 rd	Mutien	1111
4 th	La Salle	1050
5 th	MacKillop	806

There were some outstanding individual performances and the following students will be recognised for their achievements at the next assembly:

U/14 Champions

Eden Ranelli (Mutien) and Justin Pezzalli (La Salle)

U/15 Champions

Jacinda Barclay (La Salle) and Nathan Tedeschi (La Salle)

U/16 Champions

Renae Hampson (Solomon) and Patrick Pomar (Mutien)

U/17 Champions

Courtney Hickmott (Solomon) and Chris Straughan (La Salle)

Open Champions

Kirsten Salmon (Solomon) and Luke Davies (Solomon)

Congratulations to these individuals and all students on the contributions that were made.

ATHLETICS CARNIVAL 2005

What a way to celebrate my 25 years at La Salle College to be able to take a step back and cry out Solomon truly Champions for 2005.

In the first instance we of Solomon extend our congratulations and thanks to all members of Mutien, Benildus, La Salle and MacKillop Houses for their contribution towards ensuring that we of Solomon gave our all.

35 years is a long, long time to go without a victory in Athletics and I am sure that not many would have thought that we would come into the equation of a possible victory. It was the way in which our dedicated Solomon staff, the fantastic and inspirational group of young Leaders who came to the fore with their continual inspiration, encouragement and positive attitude which permeated throughout the whole House. This without doubt led to our athletes and spectators' performing as our motto says "ONE WITH EACH OTHER".

I am extremely proud of every member of our House for their dedication towards making 2005 an absolutely outstanding year in which we have been successful in going back to back with the Swimming victorious in the Interhouse Brain Strain and now the elusive Athletics. Congratulations and thank you to everyone involved.

An ecstatic Mr Sergiovanni.

MUTIEN FEAST DAY

Mutien Feast Day is officially celebrated on the anniversary of the death of Brother Mutien-Marie, 30 January, every year. This means that the official Mutien Feast Day falls during the school holidays. It was decided amongst the Mutien staff to break tradition this year and make 21 March Mutien Feast Day. This is the birthday of Louis-Joseph Wiaux (Brother Mutien-Marie).

Last week Mutien House was called together to learn a little about the history of Saint Mutien-Marie and to celebrate Mutien Feast Day with a short liturgy. The students were challenged to look at themselves and reflect on how they could be more like Saint Mutien-Marie. They were challenged to take on some of the charisms of the Saint that our House is based on.

NEWS FROM THE HOME ECONOMICS DEPARTMENT

UPDATE ABOUT APEX TEENAGE FASHION AWARD

Two heats have now been held. *Portia Stewart* (Year 10) paraded her garment beautifully on August 6 at Grove Plaza, but did not make it through to the Grand Final.

Last Saturday, *Madeleine Delaney* (Year 11) had her heat at Kingsway Shopping Centre. Her garment was modelled by close friend *Stephanie Critchell*, also in Year 11.

Against very stiff competition, Madeleine's ballet inspired, 'After 5' gown was selected as a finalist. The Grand Final will be held at the Grand Ballroom of the Hyatt Hotel on 9 October, at 11:30am. Well done Madeleine and best of luck for the Grand Final.

Elena Vallelonga (Year 10) is still eagerly awaiting her heat on 3 September at the Armadale Shopping Centre.

FOOD & NUTRITION

On Tuesday 9 August, the Year 10 Food and Nutrition students from Miss Panetta and Miss O'Hart's classes had the pleasure of meeting Mr Bob Smales, owner of Valentino's restaurant. Bob has owned many restaurants, cafés and lunch bars in which he has gained much experience in the hospitality industry. From having this experience, he has become a very successful businessman. Bob informed all of us about the many different aspects of running and owning your own restaurant, café or lunch bar.

Bob also spoke of the difference between restaurants, cafés and lunch bars and how the costs vary between the three. He gave us hints about how to choose the name of your business and relating the theme to your location. Also he taught us how to create systems for a smoother running business, such as floor plans and check lists. But, we all learnt that the key to success is being unique and having a different selling point. At the end, we were all able to ask questions, in which Patrick Pomar was very enthusiastic and asked lots of questions. All of this fantastic information will help us with our café unit that is coming up soon.

ARTS ACTION Term 3, Week 5 2005

OUR GUITAR TRIO AND THE CATHOLIC SCHOOLS PERFORMING ARTS FESTIVAL

It was 11:30am and time to leave school for the Performing Arts Festival in Thornlie. As nervous as we were, (excited too), we were still ready to perform. At first we thought that there was not going to be hardly anyone there, but as we pulled up, we saw all the buses and people spilling out of them. I don't think anyone has seen so many guitars in their lives.

We were told to head into a "special room" where we tuned our guitars and went through our song "Four Four" which was a jazzy, Latin number. During this, we remembered the wise words of Mr Neve, "don't practice too much just before you perform". After waiting forever, the session finally began. Not only was the concert running fifteen minutes late, but we were also told that we were going to be 6th because a school was late and our item needed to be brought forward. As we sat watching the other performers go on stage, we noticed something strange, there were no girl groups apart from us!

Finally we went up shaking with nervousness, but also full of adrenaline. We plugged everything in, did a sound check, Selena counted us in and we were off. We played it through, stood up and bowed using the special technique that Ms King taught us. Smile 2 3, bow 2 3 and up 2 3 (it works!). We realised at the end that we were the only group that bowed. We got applauded and walked off. As the session drew to an end, a representative from each group was asked to go up and receive a report and certificate. After we had received our certificate and report, Ms King desperately wanted to read it so she opened it up and showed us. It basically said that we were brilliant (I think that we can agree), with no major noticeable mistakes everything was awesome!!

Everyone had a great afternoon and we came out with pleasing results all thanks to Mr Neve (our Guitar Teacher), Ms King (our Music Teacher) and also the stars of the show; Selena McDermott, Elsa Allen and Amelia Lovelock.
