La Salle College
Delagram

The weekly newsletter of La Salle College

From the Principal,

Dear Members of the La Salle Community,

CATHOLIC EDUCATION WEEK

Next week we will be celebrating Catholic Education Week in West Australia. As a Catholic College in the De La Salle tradition, La Salle College has been established on strong foundations. At La Salle we must continue to focus on the reason for our existence which is to nurture the faith in the lives of the young people in our care. The teachings of Christ are central to our work and the challenge for us is to continually ensure that they are included in all that we do at the College.

CATHOLIC PERFORMING ARTS FESTIVAL

The Catholic Performing Arts Festival concluded this week with a number of individuals and groups of students receiving Certificates of Honourable Mention for Outstanding Performance. Congratulations are extended to all students who participated in the festival. I take this opportunity to thank our Music Coordinator, Ms Cassandra King, and our Arts Coordinator Ms Nicole Loke, for their efforts throughout the festival.

We look forward to the completion of the Performing Arts Centre early next term and we hope that the enhanced facilities will encourage more of our students to display their creative and musical talents.

MUSIC AWARDS NIGHT

Tonight our talented music students will be performing in the Nicholas Barre Auditorium commencing at 6.30pm. Parents are welcome to attend and witness the level of performance from our students. It always gives me pleasure to witness students enjoying the opportunity to make music together. I thank the music staff who have worked with the students throughout the year.

STAFF PROFESSIONAL DEVELOPMENT

As mentioned in last week's Delagram, all the staff will be involved in a professional development inservice next Wednesday 7 September. Our facilitator, Fr Richard Leonard, will be talking to the staff about the role of the Catholic school within the context of the contemporary society. Students are asked not to attend school on this day. We look forward to their return on Thursday 8 September.

TERM 3

With only three weeks of term left, it is an opportune time to remind students of the need to continue to perform consistently. Term 3 is invariably challenging and it can be a time when students let their studies slip. I urge all of our students to ensure that their schooling is a priority in their lives.

Kind regards

Michael Kenny

**CATHOLIC EDUCATION WEEK
September 5 - 9**

Catholic Education Week is celebrated biannually in Western Australia to present a special opportunity for Catholic school communities to celebrate their proud traditions of achievement and excellence, their partnerships with families, parishes and wider community and their faith and commitment to Gospel values. The La Salle College community has had the opportunity to celebrate Catholic Education Week by using this theme for Wednesday morning Mass, as well as being the theme for the Solomon House Mass during the week. All students will also have the opportunity to be part of a short essay competition on the topic: 'Catholic Education - what it means to me...'

Throughout Catholic Education Week, let us all reflect on the significance of the Catholic Education presence in, and contribution to, our Church and our society.

STATE INTERSCHOOL EQUESTRIAN CHAMPIONSHIPS

Last weekend, La Salle College was represented by a team of riders at the State Interschool Equestrian Championships at the State Equestrian Centre. One hundred schools were represented with over three hundred competitors. Congratulations to Penhros 1 who won the overall High School Division.

La Salle was represented by the following riders in the disciplines of Hacking and Dressage and they are to be congratulated in coming 2nd in the High School Division for Dressage.

- Nikki Kleinitz** Year 8 riding **Brandy**
- Emma Henchy** Year 9 riding **In the Mood**
- Stephanie Spencer** Year 9 riding **Master Banjo**
- Eisha-Marie Stone** Year 11 riding **Agent 86**

Emma Henchy won her Novice 2.2 dressage test and came 2nd in her Elementary 3.2 dressage test. Well Done Emma.

Stephanie Spencer also won her Novice 2.2 dressage test and came equal 4th in the Elementary 3.2 dressage test. Stephanie also received two 3rds and three fourths in her Hacking events. Congratulations Stephanie on an all round performance.

Eisha-Marie Stone and *Nikki Kleinitz* also need to be congratulated on their fantastic participation and great team spirit. Well done girls.

The girls would also like to thank Mr White and Ms Harding for coming and supporting them. It was greatly appreciated.

A very special thank you to the parents of the girls for their dedication and support to the team and their sport. Thankyou to *Katie McGlenn* (Year 10) and *Candace Higgins* (Year 9) who were also to represent the College, but had to withdraw owing to illness and horse injury. Until next year

Ms Y. Cobley

READING ROCKS - BOOK WEEK 2005

What a wonderful theme for Book week this year!! The Library was really rocking along with the Juke Box playing and the displays of rock stars, giant guitars and musical ephemera everywhere. The centre area was filled with the Children's Book Council's short listed books and other books with a music theme.

Students and staff enjoyed the quizzes and competitions and congratulations to Ms Franklin's PCG for their speedy and accurate response to the daily competition. One of the books announced as an Honour Book for 2005 was *Fireshadow* by Anthony Eaton. We are very proud to say that Anthony is an ex-Lasallian student from 1985-1989.

NEWS FROM THE HEALTH AND PHYSICAL EDUCATION LEARNING AREA

Year 8 Health Picnics

Year 8 Health students have been studying Nutrition during Term 3. They have participated in "The Health Picnic" assessment task which required students to research healthy recipes suitable for a picnic, then prepare the food at home. The prepared food was transported to school and served as part of a class picnic. Some classes had just one picnic with all students bringing food on the same day. Other classes are having several smaller picnics.

The Health Education staff would like to thank sincerely students and parents for their effort on this task. The range of healthy food produced was outstanding.

ARTS ACTION Term 3, Week 7 2005

La Salle 13's: Semi Final vs Bassendean,
Sunday 28 August

A grand final spot was on the line as we played Bassendean on a wet and wild morning last Sunday. Unfortunately, as has been the case for a lot of this year, we got off to a fairly slow start in the first half, but to each player's credit, they lifted after half time and proved to themselves that they can match Bassendean when we play to our full potential. In the end however, Bassendean's first half got them over the line and helped them secure one grand final spot with an 8.11.59 to 2.3.15 victory. Better players for La Salle were Christopher Daniele, James Gottschalk, Jake Thresher, Luke Brennan, Nicholas Quaglia, Adam Verdiglione, Justin Pezzali and Travis Latham. Goal scorers: Adam Faulkner 2.

This weeks game is the preliminary final against High Wycombe at Reid Oval, Forrestfield. The game begins at 10.35am. If we win this match we are through to meet Bassendean in the grand final next week, so any support for the boys would be greatly appreciated!

Artistic Talent "Unveiled" at La Salle College

The Arts Department would like to extend a warm welcome to all in the Lasallian community to the Annual Student Art Exhibition.

This is held in conjunction with the La Salle College Art Exhibition on the weekend of 7 - 9 October. The theme of this year's exhibition is "Unveiled", because that is exactly what is about to happen - the talent and creativity of budding, young artists is to be unveiled to the wider public!

The highlight of "Unveiled" will be art of our Year 12 students, who have been working extremely hard with hours of intensive work. They have produced an amazing body of work under the guidance of art teacher Renee McClymont. Also to be highlighted are the exceptional studio works from Years 8 to 11.

This is bound to be a visual feast and a must see event for everyone.
