Camp.

Friday 14 October

Final Year 12 Examinations
and CAF tutorials.

Year 10 Reflection and Social
Action Day

Year 10 Outdoor Education
Camp.

La Salle College
Delagram

The weekly newsletter of La Salle College

From the Principal,

Dear Members of the La Salle
Community,

The term has come to an end and we
can look forward to the holidays as an
opportunity for rest and relaxation.

YEAR 12

This is a very challenging time for our
Year 12 students. To the students in
the Onsite Program and to those
students undertaking Wholly Assessed
Subjects, we urge them to use the time
that they have remaining wisely as
they complete final assignments.

To our TEE students who will be sitting
their 'Mock Exams' in the first week of
next term, there will be little time for a
break over the holidays. Students need
to be reassured that, provided they
have worked consistently throughout
the year, there is no need to panic
because they will be successful.

2006 STUDENT LEADERS

Congratulations to Stefanie Critchell
and Adam MacFarlane on being named
College Captains for 2006. Stefanie and
Adam have been appointed as a result
of being nominated by their peers and
the staff. They were also asked to
attend a formal interview with a panel
consisting of Ms Calleja, Mr Martino
and myself. I am very confident that
they will serve the College well next
year.

We hope to announce the names of the
students who will make up the 2006
Student Leadership Team in the first
week of Term 4.

STAFF NEWS

We congratulate Ms Fiona Ali and Mr
Mark Flower on their upcoming
marriage in the school holidays. We
wish Fiona and Mark a lifetime of
happiness together.

Today we farewell Fiona Harry who
will be taking up a teaching position at
Corpus Christi next term. We thank
Fiona for her commitment to the
College over the past three years.

We also wish Mr Joe Sorgiovanni a well
deserved long service leave break in Term
4 and look forward to his return at the
beginning of the 2006 school year.

LA SALLE COLLEGE ART EXHIBITION

A reminder that the annual Art Exhibition
will take place at the College in the
Lawrence Murphy Hall from Friday, 7
October with ticket entry only and free
entry on Saturday 8 and Sunday 9
October. Parents are most welcome to
come along and view the work of our
senior Art students.

ACC ATHLETICS

Congratulations to all the members of the
Athletics team who participated in the
ACC Carnival last Wednesday. The team
finished a creditable Fourth place and
there were a number of quality individual
performances. Ms McAnuff and the
coaching staff did an excellent job
preparing the students and the Cheer
Leading Team added to the overall team
spirit on the day.

TERM 4

I wish all students a relaxing holiday and
trust that they will return on Monday, 10
October, feeling refreshed and ready for
the new challenges ahead in Term 4. A
reminder to students that they are
expected to be dressed in their summer
uniform. If the weather is cold in the first
week we will allow students to wear long
pants.

Kind regards

Michael Kenny
Principal

On behalf of the College, I would like to sincerely express our deepest sympathy to Erin and Kelsie Smith for the loss of their mother and the Thompson family for the loss of their son, Shaun (Class of 2002).

*Loving Father,
Bring courage and strength to Erin, Kelsie, Mr King and the Thompson family. In your loving kindness bring them healing and inner peace and lead their loved one into your kingdom of light, happiness and peace. May the members of both families be strengthened, knowing that others care for them and hold them in prayer.
Amen.*

UNIFORM SHOP

During the school holidays the Uniform Shop will be open normal trading hours of Monday 8.00 am–1.00 pm and Wednesday 12.30 pm–5.30 pm. Please note that the Uniform Shop will be closed on Monday 26 September due to the Public Holiday.

Ms C Jurjevich
Uniform Shop Manager

ACC ATHLETICS CARNIVAL YEAR 8 SUPPORT

Once again Year 8 students proved invaluable supporters. Their cheering could be heard across the grounds, which of course made our competitors proud and enthusiastic. The standard of dress and behaviour was excellent. It was disappointing to know that a few students did not come and support the College.

Mr. P. Elloy
Year 8 Coordinator

CATHOLIC EDUCATION WEEK

As part of Catholic Education Week the College invited students to enter a competition asking for a response to the phrase: "Catholic Education: What it means to me ...". A big thankyou to the students who made an effort to enter—choosing the winning entries was not easy and it was great to see the wide variety of responses.

Congratulations to winners:

- Year 8 Vanessa Horsley
- Year 9 Michelle Andrigh
- Year 10 Tony Tran & Magda Hasapopoulos
- Year 12 Katie Egan
- Overall Winner—Mark Elliott (Year 12)

'Catholic education strives to promote what is essentially Christian values: charity, grace, benevolence, and so on. When these values are instilled within the education of students, we then see the glory of God's grace shine amongst the young, like a beacon that guides us to the safety of His love.'

Excerpt from Mark Elliott's winning essay

Mr. A. Martino
Religious Education Coordinator

YEAR 11 SAINT VINCENT DE PAUL WORKSHOP

Rebecca Callaghan from Saint Vincent de Paul Society recently visited the College to conduct workshops for Year 11 Religious Education classes on the impact of poverty. Rebecca is the Youth Development Officer for Saint Vincent de Paul and in this role educates about the work of the society and encourages young people to become involved in addressing poverty issues.

At the final workshop, Chloe Morley and Rachel Lohmeyer from the La Salle Young Vinnies group, presented Rebecca with a cheque for \$220. The donation will be used for local Saint Vincent de Paul projects as well as assisting students in the Asia Pacific region to receive a formal education through the 'Assist a Student' program.

Ms. C. Aldous
Service-Learning Coordinator

PARA TEN PIN BOWLING

On Friday 9 September, students from the Education Support Unit attended a Ten Pin Bowling Carnival at Warwick Super Bowl. Students competed against Sacred Heart, Newman and Servite College and afterwards went to Kings Park for a BBQ. A great day was had by all. Special thanks go to Ms Harry for organising everything and to Ms Kapor for being the bus driver.

Ms C. Williams
Education Support Coordinator

PARA ATHLETICS CARNIVAL

On Monday 19 September, students from the Education Support Unit headed to Perry Lakes to participate in the ACC Para Athletics Carnival. A total of eighteen students represented the College in long jump, shot put, running and relays. Individual winners were Jez Pagotto—Open Shot Put and Dean Pavicevic—Open Long Jump. It is, however, true to say that all students did their best and enjoyed the day. Afterwards students had lunch at the park and mixed with students from other Colleges.

Special thanks go to Mr Lombardi and his student assistants, Stefanie Critchell, Madeleine Delany, Andrea DiCandilo and Estelle John. A further big thank you goes to Mrs Harry for all her hard work in organising not only this particular carnival but all Para carnivals since 2003. We are currently saying goodbye to her before she leaves us to take up an appointment at another College. She has done a fantastic job and all staff and students wish her the best for the future.

Mrs C. Williams
Education Support Coordinator

WHOLLY SCHOOL-ASSESSED 2005 SUBJECT AWARD NOMINATIONS

Year 12 Interactive Media, students Joshua Earle, Jennifer Mancini, William Preisig and Robyn Souphandavong, have seen the culmination of a year's hard work result in being nominated for consideration of a Subject Award or Certificate of Distinction for Interactive Media. La Salle College had two Certificate of Distinction winners in 2004, Ryan Ammendolea and Alissa Schultink.

Students are notified by the Curriculum Council if they are to be considered for the award short-list. These students are to be congratulated for their dedication to achieving excellence, not only with the visual work, but also with their written work.

Ms L. Reger
Information
Technology Teacher

YEAR 9 SCITECH EXCURSION

On Monday 12 September, a group of Year 9 students went on a science excursion to Scitech. On arrival we were taken into a room and told about the day's activities. Our first activity in groups was to design an athlete by researching the science sports area. On completing the worksheet the athletes were designed. They were not the best looking of athletes. Our next activity was a theatre show on extreme physics, which included extreme sports. Some students were picked to participate in the show. After the very amusing and interesting show we had lunch. After our lunch break we went into groups. Each group was given a bag which contained four items. The activity was to find out what each item related to at Scitech. At the end of the activity we had to tell the judges all about one of the items. If we were correct we received a Fantail. The last activity was a theatre show about careers which involved science.

After a full packed day of excitement, it was time to return to La Salle. I think everyone highly enjoyed the day and got a lot of information from it. I would like to thank Ms Trew, Mr White and Ms Collura for taking us to Scitech.

Nicholas Brugman
On behalf of all Year 9s

CONGRATULATIONS

Congratulations to our Year 10 student Katie McGlinn and her horse, 'Maestro's Daughter', winner of the Alcoa 2005 Junior Intro 1, 2 day event.

ACC ATHLETICS CARNIVAL

On Wednesday 21 September, 116 students competed in the ACC Athletics Carnival and competed well. With a combination of great spirit, beautiful weather and a fantastic cheer squad, the day proved to be great for athletes, officials and staff. Although the numbers have been down on training this year, all students who made it to the carnival tried 100% and demonstrated their competitive nature against the strong athletes from other schools. The students hard work paid off as we came 4th overall for the day, with few points separating all of the schools. I would personally like to thank Mr Dyer, Ms Harding, Mr Sackett, Mr Lombardi and Mrs Ranelli for all their hard work, commitment and support of the athletics training and carnival. Their dedication to the students made the day run smoothly for all.

Congratulations to Simon Parry and Kyle Clarke who both won the title of Champion Boy of all the schools for their age group, a fact of which we are all very proud. Congratulations to all students for competing so well on the day.

Mrs A. McAnuff
Sports Coordinator

Congratulations to all the students who represented the College at the ACC Athletics Carnival as athletes, supporters or assistants to officials. We finished a creditable 4th position. The winners were Seton Catholic College. A big thank you to all students who prepared thoroughly and attended training sessions during the term. Results can be found on the website: www.accsport.asn.au and photographs are accessible at www.winningsportsphotos.com using the College password A9snh214.

Mr S. Lombardi and the PE Department

ANZAC STUDENT TOUR 2006

Congratulations to Tara Franzinelli (Year 10) who has successfully participated in the College speech competition. Tara will now be competing against other catholic schools in Western Australia for a position in the Anzac Student Tour 2006 to Gallipoli in Turkey.

Mr F. Italiono and Ms R. Keenan
Society and Environment Learning Area.

ARTS ACTION Term 3, Week 10 2005

Year 12's Final Drama Performance

Thursday 15 September showcased an array of talent from both the Drama and Drama Studies Year 12 students. The evening revealed the dedication and preparation of each individual as they successfully entertained their audience. Students had to create, workshop, write, act in, design for and direct their own original productions.

Each performance impacted on the audience allowing them to become involved and informed in their process of entertainment. Congratulations must be given to everyone involved and back stage. The night was thoroughly enjoyable and the audience will certainly remember this talented group of actors for many years to come.

Megan Campbell
Arts Student Leader

Challenges from the Year 11 Drama Students

On Tuesday lunchtime this week some of the Year 10, 11 and 12 students viewed the original play inspired by the Theatre Surrealist Antonin Artaud. The performance dealt with the difficult issue of child abuse and it aimed to not only entertain, but also to make the audience want to go out and change their world for the better; to make it a safer place for children and all people.

At the beginning of the topic, Year 11 performers watched the nightly news on television to find out what injustices go on in our community. They then worked extremely hard leading up to this week to create a powerful piece of theatre. Congratulations must not only go to these young artists for their creation of an outstanding piece of theatre, but also to the audience for watching the play with maturity. We hope that performers and audience alike will in fact want to change their world for the better; and will do all they can to make it a safer place for everyone.

Ms N Loke
Learning Area Coordinator – The Arts

Careers By Ms Huggins

ART CLASSES

Year 8, 9 and 10 students are invited to attend Children's Art Classes run at Central TAFE's Art Gallery, 12 Aberdeen Street in Perth. Enrolments are now open for drawing and painting classes. Students in Year 10 who have been allowed conditional entry in Year 11 Art courses are **STRONGLY ENCOURAGED** to attend these classes as preparation for their studies next year. The 6 week course begins on 22 October 2005 from 12 noon until 2 pm each week. The cost is \$120 and includes all art materials and morning and afternoon tea. Please call Gail Cameron on 9427 1318 for further information.

POSITION VACANT

Gascoigne Furniture in Midvale has a vacancy for a student in Year 10, 11 or 12. This position is a casual one, with hours after school, Saturday and during the school holidays. Interested students should call Michael on 9274 5688 to apply or seek further information.

POSITION VACANT

A 16 or 17 year old student is required by Caversham Wildlife Park. The successful student must have had paid employment history in the past that includes cash handling and customer service skills. See Mrs Huggins to apply or for further information.

AUTOMOTIVE APPRENTICESHIPS

Year 11 or 12 students who are passing Maths, Science and English are invited to apply for vacancies in the Automotive industry. See Mrs Huggins or contact Motor Industry Training Association of WA (MITA) directly on 9240 8044.

YEAR 12 DUE DATES

A reminder to all students that TAFE and all university applications (including Notre Dame) close on Friday 30 September. National Institute of Dramatic Arts (NIDA) applications close 30 September. Scholarship opportunities are also available, further information is available from the Careers Office or university websites.

BRIDGING INTO NOTRE DAME

The Tertiary Enabling Program (TEP) at Notre Dame is a new alternative entry into undergraduate studies for all courses, except Biomedical Science, Law, Medicine and Physiotherapy, suitable for students who did not achieve suitable TER or completed year 12 but did not undertake TEE studies. See Careers Office for more information or visit www.nd.edu.au
