La Salle College
Delagram

The weekly newsletter of La Salle College

From the Principal,

Dear Members of the La Salle Community,

The feedback from the staff and students who attended the Year 8 camp last week has been very positive. Hopefully the camp experience will help our students to feel more settled at their new high school. A big thank you to our Year 8 Coordinator, Mr Peter Elloy and the staff and parents who supported him on camp. We will be holding a "Welcome Evening" at the College next Monday 28 February for the parents of our Year 8s. Not only is it an information session but also an opportunity to meet other new parents to the College. Your attendance is a significant statement to your Year 8 child that they matter.

**INTER-HOUSE SWIMMING
CARNIVAL 24 FEBRUARY**

At the time of writing this report the students are boarding buses headed for the Beatty Park Swimming Centre. As I suggested in last week's Delagram, these whole school events certainly help to build community spirit in the College and the support of parents in encouraging their children to attend is very much appreciated.

YEAR 12 RETREATS

Our Year 12 Retreats take place from Wednesday to Friday of next week. It is a time when students are encouraged to leave behind the everyday concerns of study, sport and work to take time to focus on the important relationships in their lives. They will reflect on their relationship with their peers, their families and their God. It is a time that is of great value to these young people as they prepare for life, post-school. I wish them a peaceful and rewarding time.

**LA SALLE COLLEGE BOARD
ANNUAL GENERAL MEETING
TUESDAY 8 MARCH**

The Annual General Meeting of the College Board will take place on Tuesday 8 March commencing at 7:30pm in rooms G2 and G3. Members of the Board are elected for an initial two years. Parents of our College community who are interested in standing for election are asked to register their interest by completing and sending in the enclosed nomination form or by telephoning Mrs Leisa Zilko at the College. The due date for nomination forms is Tuesday 1 March.

YEAR 8 ENROLMENTS 2007

We have received a large number of enrolment enquiries for Year 8 2007. This week I have been visiting the Year 6 students in our feeder Catholic Primary Schools. I have been very impressed with the questions they have asked about our College and I look forward to the enrolment interviews which will begin next month. A reminder that our Open Day will take place on Monday 14 March from 3:00pm - 6:00 pm. A full range of spiritual, academic, sporting and cultural activities will be on display.

BUILDING PROJECT UPDATE

I am delighted to report Eastridge Homes have been the successful tenderer for our new building project which includes a Performing Arts Centre and four additional class rooms. We will be meeting with the architect and builder very soon to discuss the temporary arrangements which need to be put in place to enable the project to begin.

Kind regards

Michael Kenny

HEALTH & SAFETY REGULATIONS

During my weeks at La Salle College as Business Manager I have familiarised myself with the safety regulations of the College. Steps have been taken to rectify the visitor's parking area, directing service delivery vehicles to the designated areas to allow flow of traffic, correct footwear (closed in shoes) for staff, students and parents in the areas of Design and Technology, Maintenance, Food and Nutrition and the Canteen. The College is very grateful to parents who take their time to assist within the College and appreciate the extra safety and care taken to wear the correct footwear.

FIRST SEMESTER SCHOOL FEES

A reminder to parents - first semester school fees are due on Monday 28 February. Should there be any difficulties with payments, please do not hesitate to contact the College.

Ms K. Beange
Business Manager

ST JOSEPH EDUCATION SUPPORT CENTRE

We would like to say a very big thank you to all the parents who have so generously given of their time in volunteering to assist in the St Joseph Education Support Centre. We really appreciate your help.

If anybody else is interested in assisting us, we would love to hear from you. Please contact Ms Weckmann, Volunteer Coordinator, at the Education Support Centre.

A reminder that the blue parking bays next to the Canteen are reserved for the families of students who have a disability.

Thank you.

Ms C. Williams
Education Support Coordinator

YEAR 11 SUCCESS

Congratulations to *Travis Meyer* and *Todd Francis* who both have made the State Track Cycling Team and will be representing Western Australia in Victoria from 13 till 21 March. Both boys have trained hard and competitively and we wish them every success in their events.

Ms F. Ragan
Year 11 Coordinator

YEAR 8 CAMP

On Wednesday, 16 February, 226 excited students accompanied by sixteen staff boarded five coaches bound for Ern Halliday Campsite. After three hectic days filled with a variety of activities and plenty of good food, the students returned home, tired but having gained a wider

circle of friends and a better understanding of the Lasallian spirit. The camp was a great success and this can be attributed to the responsible behaviour of the students, the 75 parents and grandparents who so willingly assisted before, during and after meals and the staff who were on duty 24 hours of the day.

My sincere thanks to Mr and Mrs Talijancich who once again kindly supplied us with delicious grapes; Mr Ioppolo for his kind contribution of equally delicious watermelons; Ms Kerry Skipworth, Mrs Marika Vajas and Mr Tony Green whose assistance was invaluable during the entire three days. Finally, the students and staff would like to convey their thanks to the parents who so willingly gave of their time to ensure the camp ran smoothly particularly in the food department !

YEAR 8 INFORMATION EVENING

It would be appreciated if you could please reply to the letter sent home with your child for the Year 8 Parent Information Evening on Monday 28 February at 7:00pm being held in the Auditorium at La Salle College.

Mr P. Elloy
Year 8 Coordinator

YEAR 8 CAMP

This year the Year 8s went on a new adventure. We woke up in our own familiar beds feeling excited and nervous, we were ready for three days of fun. We got to school looking pretty snazzy in our casual clothes. We got on the luxurious buses and away we went. There was music and TVs but everyone was talking too loud for anyone to hear either of them. When we arrived at the Great Escape there was havoc as everyone rushed to the slides - it was great. Then we were on the road again.

When we arrived at Ern Halliday we were told about our activities of archery, team building games, boomerang painting, beach activities, flying fox, abseiling or crate climb and rock climb. They were all fun especially the team building game because you had to navigate a peer past the finish line using your own made up pot and spoon code. Then we had Mass. Next we had tug of war in which Benildus beat Mutien, but Mutien beat the teachers. Last thing that day we had games, which were pretty cool.

The next day we finished the activities and then we had the beach classic, where our House Leaders and College Captains came along to support their Houses, which naturally Mutien won. Then we finished off the camp with a disco so we could strut our stuff but some people got a little over excited. The next day we went home with new friends.

SOLOMON HOUSE

At our first House meeting of the year we were able to officially present our Solomon Youth Leaders with their badges of recognition. I, the students and all staff members attached to Solomon congratulate them and we look forward to them leading us through the year.

We congratulate:

Dominic Piscioneri & Melissa Zekulich
House Captains

Benjamin Gath & Joanne Walczak
Vice House Captains

Youth Representatives from each PCG:

Rebecca Satie	Laura Amery	Rachel Lohmeyer
David Muller	Tia McManus	Luke Davies
Kirsten Salmon	Lina Italiano	Cade Trigg

We also had the opportunity to present members of our swimming team and it is most satisfying to see the number of young men and women readily making themselves available to represent our House. Our theme of 'One With Each Other' and 'Positive Attitude' is obviously generating the right approach amongst our students. We look forward to the upcoming Inter-House carnival.

Mr J. Sorgiouvanni
Solomon House Coordinator

For the past four weeks the Year 12 Drama and Drama Studies students have given up their time after school and on the weekends to begin rehearsals on the Musical *Into The Woods*. This is the senior production which will be performed during the first week of Term 2 in the Nicolas Barre Auditorium at the College.

The show is a little like *Shrek* – It has lots of different fairy tale characters, including Cinderella, Little Red Riding Hood, Rapunzel, Jack (from *Jack and the Beanstalk*), not one but two handsome Princes and of course an evil Wicked Witch. They are all mixed up in a mysterious adventure that takes them on a journey deep into the dark, scary and unknown woods...

Those people lucky enough to see last year's *Jesus Christ Superstar* will know that our students are very talented and can guarantee a fantastic show. Don't forget that the production sold out weeks in advance last year, and lots of people missed out on tickets. This year *Into The Woods* promises to be no different! So watch this space each week for details as to when the tickets will go on sale later in the term.
