### MISSION AID DAY

Last Friday saw the College alive and at its vibrant best as each PCG organised various activities to raise money for the Lasallian Foundation. From camel rides, to games of chance, every type of food imaginable, hole in one competitions, big screen computer games, handball competitions, cream pie throwing,.... the list was only limited by the imagination and creativity of the students and their PCA's. The students' behaviour was exemplary and their energy levels inexhaustible. A record amount of over \$13,500 was raised, highlighted by the efforts of McCormack House winning the Champion Fundraising Shield and Mr White's (DWH) PCG raising the most money by a single group. My congratulations and thanks to everyone who was involved, including Mr Alf Cardona for his powerful liturgy focusing on service, the Office staff who spent the day counting money, all PCA's, House Coordinators and especially Natalie Calleja and Fiona Flower who coordinated the day.

### EXTENDED LIBRARY OPENING HOURS

This trial has been very successful with significant numbers of students taking advantage of the Library opening until 8:00pm on selected nights. What has been particularly positive has been the Year 12s in attendance and their willingness to work together in peer tutorials. With exams looming I would particularly encourage our students in Years 11 and 12 to look at spending some quality study time with access to the College's great facilities. **Next week the Library will once again be open on Monday, 28 May and Wednesday, 30 May, until 8:00pm.**

### FRIENDS OF LA SALLE

Last Monday evening, a group of about thirty parents attended our inaugural *Friends of La Salle* meeting. The large group split into five working parties covering areas including, hospitality, grounds and maintenance, policy consultation, fundraising and parent education. A number of initiatives are planned for later this year and into the future to provide our parents with greater opportunities to become involved in the life of the College. A significant number of other parents (over sixty) have indicated that while they are unable to make it along to meetings, they are keen to be involved in the various activities planned by the *Friends*. I will keep you informed of the work of this parent body through the Delagram.

## **MUTIEN HOUSE**

The students of Mutien House have been off to a flying start this term. The Inter-House Athletics Carnival, which was held in Week 2 of this term, was a great success with Mutien having six students who were champion boy/girl for their age groups. Congratulations to Crystal Ranelli, Jane-Louise O'Reilly, Jonathon Lendich, Eden Ranelli, Chloe Woodall and Simon Parry, for their fantastic achievements on the day. Mutien finished a very proud second place to Benildus House and we are looking forward to the challenge again next year.

Mission Aid Day was held on Friday of last week and a great day was had by all. Mutien students were involved with helping to look after their PCG stall as well as enjoying the day's festivities. All money is donated to the Lasallian Foundation.

We have had a large amount of interest for this year's Inter-House dance competition. The planning and choreography is well underway and the students are excited about competing and performing for Mutien House.

The next event that the students will be involved in will be Mutien House Day on Wednesday, 20 June. On this day, students will be watching a talent quest which will exhibit some of Mutien's finest talent, followed by a sausage sizzle. This enables students to celebrate being a member of Mutien House. *Faith, Hope, Unity.*

### **MISSION AID DAY**

Mission Aid Day, 2007 was a truly rewarding and exciting experience for all involved. This year we had some fantastic and memorable new additions to our Mission Aid Day experience. This included a La Salle Dance Party, run by Mr White's PCG, where students paid a fee to enter a room that was completely black, with disco lighting and loud pumping music.

We began the day with a truly special and unique liturgy where staff washed the feet of various SRC members, to symbolise Jesus washing the feet of his disciples. SRC members then proceeded to wash the feet of younger students in the school. This was an emotional experience that will be remembered for years to come.

Students were able to ride camels around the front oval, which offered some truly hilarious responses by both staff and students. Students were also able to compete with their peers in a play station competition, which was definitely enjoyed by many students. Mission Aid Day would not be a Mission Aid Day without endless amounts of food. This year we were treated to donuts, pancakes, kebabs, pizza, chips, lollies, spiders, slushies, chicken rolls and sausage sizzles, which were enjoyed by all!

During part of the day, we experienced the remarkable musical talents of Miss Juba, Mr Cardona, Mr White and Mr Forte, (our talented groundsman) However, the entertainment didn't stop there, with many talented students taking part in the MAD Day Talent Quest. It was here that "The Giggles"- Year 12 boys impersonating the Wiggles, made their debut and our day sadly came to a close.

Mission Aid Day managed to raise a grand total of \$13,500 A huge thank you goes out to all involved in this wonderful event that goes towards improving the lives of so many. It is vital to remember that with all of this fun and excitement, there is a core purpose, to touch hearts and support The Lasallian Foundation.

**BELT UP CUP 23/05/07**

**JAKOVICH DIVISION**

Our match against John Forrest Senior High was played in excellent conditions and the manner in which the young men approached the match and the spirit in which it was played was a credit to both schools. Whilst the score will show we had dominated the match and had a comfortable victory, it was the manner in which our players put into practice the skills and the flow on style of play we are trying to instil in them, that stood out.

Final score La Salle 10 goals 10 points to John Forrest Senior High 0 goals 0 points.

Better players, Simon Parry, Christopher Smith, Michael Parora, Matthew Edwards and all of our defenders who were never really challenged and at no stage lost sight of the importance of remaining on task.

Goal Scorers Simon Parry 5 goals, Mathew Howatson 2 goals, Aaron Buck, Shaun Kay and Justin Pezzali 1 goal each.

On a sad note the game was stopped about five minutes into the second half as a result of one of the John Forrest players, Garreth Davies suffering a broken leg. All members of the team wish him a speedy and complete recovery so he can continue to play his sport.

Next Wednesday we play Lockridge Senior High here at the College, commencing at 4:00pm. Congratulations to Justin Pezzali and Adam Faulkner. These two young men have made the final squad of the State Schoolboys Football team. They travel to Sydney for their matches between 21 and 28 July. Jonathon Laycock has been appointed as the goal umpire for this interstate competition and his brother, Matthew, is the manager of all the umpires.
