FROM THE PRINCIPAL

CHANGE OF DATE FOR PRESENTATION EVENING

Please note that we have changed this year's Presentation Evening to 7:00pm on SUNDAY, 2 DECEMBER at the Perth Exhibition and Convention Centre. The published date in the Organiser was Monday, 3 December; however, we have managed to secure a Sunday booking (as it was last year). Friday 30th November will be a rehearsal day at school for all students involved in the Presentation Evening, including prize winners and performers. There will also be a rehearsal at the Perth Exhibition and Convention on Sunday 2nd December from 8.00 am to 3.00 pm (specific details will be provided in Term 4). Once again our Presentation Evening will include a special Year 12 focus and a massed choir made up of all Year 8 students.

PRESENTATION EVENING IS A COMPULSORY EVENT FOR ALL STUDENTS.

Please ensure that you clearly mark this date into your diary.

OUTSTANDING FOOTBALL RESULTS

Our Junior football team (Years 8 and 9) coached by Mr Turco, have had an outstanding season going through all of their games undefeated.

ELECTION OF YEAR 8 MEMBERS TO THE SRC

On Wednesday at our full College assembly we welcomed Jaz Cappeau, Bridgett Hodgkin, Bob Billing and Cheye Musca to the Student Representative Council. These students were elected from a very strong field of applicants. I would like to congratulate our new representatives and also thank all of the Year 8s who put themselves forward for these positions.

QUIZ NIGHT

A reminder that our Quiz Night gets underway at 7:30 pm tonight. The event is a sell out, so unfortunately there are no door sales of tickets. We have some extraordinary prizes, auction items and give-aways. Credit card facilities are available for you to make your purchases.

END OF TERM STOMP

The place to be next Friday (last day of Term) is the College Hall when we will take a trip back in time to the 1980's. On that day all students and staff will have the opportunity to dress up in gear from the 80s. This is a Student Representative Council fundraising initiative with \$2.00 being charged for the privilege of wearing an outfit from the era and admission to the Stomp. After lunch we will 'move and groove' to the sounds of that amazing era. A special feature will be the La Salle Lip Sync Competition. Students and staff have been invited to nominate a particular song and group from the 80's and to perform lip sync (mime). First prize is \$200 to the most entertaining act. Parents are very welcome to come along and join in the celebrations. Our Stomp gets under way at around 1:30 pm.

CONDOLENCES

Our sympathy and prayers are extended to Matthew Prince (Year 8, LRE) and his family on the very sad passing of his mother. May the Risen Christ bring comfort and inspiration for the Prince family at this very sad time.

SCHOOL PERFORMANCE DATA

Professional Engagement Number 4.

Expenditure and teacher participation in professional learning. All teaching staff participated in Professional Development (PD) opportunities in 2006. The introduction of the new Courses of Study meant staff attended several days of PD. A small sample of other PD opportunities included:

- Religious Education Accreditation
- NuLit Data Analysis
- Learning Area Network Meetings
- Strategies for supporting students with special needs
- Assessment Seminars/Workshops
- Christian Service Learning
- Opportunities for further career and VET development

From the College's audited accounts \$21 094 was spent on Professional Development for teaching staff. This is an average of \$301 per teaching staff member. An additional cost of \$55 502 was spent on teacher relief whilst attending Professional Development opportunities.

Key Student Outcome Number 8

Value added

The College offers a wide variety of opportunities outside of the classroom, which allow students to grow. Such activities include:

- Gifted and Talented Programme
- A variety of College bands and choirs
- A variety of College dance troupes
- NWAS after school sport
- Champion Schools after school sport
- Year 8 Camp
- Student Representative Camp
- Year 11 & 12 Retreats
- Year 9 & 10 Reflection Days
- Outdoor Education Camps
- Inter-House Dance Competition

Key Student Outcome Number 12

Post school destinations

- 52 of 135 students were eligible for University entrance. Of these, 48 were offered a place.
- 64 students were offered a place at TAFE.
- 23 students were employed or sought private training organisations.

Satisfaction Number 13

Parent, student and teacher satisfaction

During 2006 the College undertook a detailed Strategic Planning exercise conducted by Dr Liz Pattison. This involved extensive consultation both in person and through surveys with parents, students and staff. The data indicated a high level of satisfaction within the College.

Mr Wayne Bull

“THEOLOGY OF THE BODY” - A CHRISTIAN AND PHILOSOPHICAL VIEW ON HUMAN SEXUALITY.

Human beings are persons with bodies. Of all the bodied beings, the animals and the plants, and us, we are the only ones who are persons. Human beings, human persons, are the only enfleshed spirits or spiritualized bodies. (Either term is accurate. One emphasizes the spiritual aspect and the other emphasizes the bodied aspect.).

Our bodies are to express or manifest our persons: what we know and choose. The most important principle of the theology of the body is that human beings, body and soul, have a dignity and value unparalleled and unequalled on earth. The body participates in the dignity and value that we all have because the human body is the expression of the person. Healthy human bodies express each of us as they were given to us.

Except for medical intervention to restore health, we should never alter a healthy, major, functioning system of our bodies. To do that is to claim that a healthy human body is in some way faulty and “out of order.” It is, in effect, an attack on the human person—even if it is done to oneself.

All of us have experience of these principles. Think what it is to lose a loved one. The loss is profoundly felt. That person is no longer here. That person can no longer make herself or himself present in and through his or her body because that body and soul have been separated in the agony of death. We cry at funerals. We long for that presence—and we long for it in ways which completely transcend the way we might long for a favourite pet. Even though we may describe a dog or cat as a “member of the family,” we all know the absolute profound difference between the death of a pet and the death of another human person.

In our daily living, we experience the truths which form the foundation for the theology of the body: each human person is unique. Further, as a species, as persons with bodies, the human race is unique. Only we have bodies which are the expression or outward manifestation of a person.

In life here on earth, the body cannot be separated from the human person. If we do something to someone’s body we do it to that person. When we shake hands with someone, we touch the person. Therefore, there is no possible way that we can use someone’s body and not use the person. Since we cannot use human beings (because human beings are created for their own sakes), we should never use someone’s body or treat it like a thing. The human body should never become an object of use. To use the body is to use the person.

Since we dare not use another human person, the only adequate stance towards another human person is one of love. When we enter a relationship with another, we are called to love—to wish the absolute best for the other. In a loving relationship with another, e.g., the intimate relationship of marriage, we express and manifest our affection and love in and through our bodies. Even in a friendship we express our love, but in marriage, the bodily expression of love is the unique aspect of this intimate union. It is absolutely critical the bodily expression of married love be complete and honest. We dare not falsify the gift of ourselves to our spouses by “holding back,” by refusing to give ourselves completely to the other, even physically.

Of course, contraception is precisely the withholding of fertility in the midst of expressing a total self-gift, body and soul, to our spouses. To withhold anything in this total self-surrender is a falsification of the love-act. Such an act, falsified as it is, is no longer love, a self-gift. Rather, it becomes a using of oneself and one’s partner. But we dare not use ourselves or another human person.

The theology of the body and the theology of the family offer a new and very interesting way of looking at the human person as an individual and in relationships.

To be continued in Delagram 20, Week 11 Term 2.

Sincerely in Christ
Fr. Roman

FINAL NWAS RESULTS

The final placings for NWAS sport have been released and once again La Salle has performed extremely well. Out of the six schools that participated in the NWAS competition, points were given to every team based on where they finished the season. In the overall aggregate, La Salle was awarded 2nd place, behind a very strong JSR. Special mention must be made to the Year 8 boys, Year 10 mixed teams and the Overall Year 8 group who each came first in their respective divisions. All results can be viewed on the ACC website. <http://www.accsport.asn.au/files/intschool/rnwsas.html>

SMARTER THAN SMOKING CUP

Our young men played Ellenbrook in rather heavy conditions and it took them time to get the game plan going. On many occasion we were second to the ball and as a result put ourselves under a great deal of pressure. Some credit has to go to the opposition for issuing a strong challenge. It was through hard running and slowly playing as a team that we were able to get a break of a couple of goals by half time. A timely reminder at half time about what was expected saw them play a much better flow on game and as a result ran out winners by some six goals. Final Scores La Salle 7 goals 9 points to Ellenbrook 2 goals 3 points. Better players, Brendon Erceg, Stephen Coniglio, Kyle Davies and a great effort by our smaller members. All members of our young team are to be congratulated on going through this division undefeated. My sincere thanks to Mr Turco for offering to assist me with the coaching of this side on the game days.

DE LA SALLE FOOTBALL TEAM

The De La Salle Football touring players have arrived and are looking forward to their stay with our families. They will be playing two matches whilst here, one against Clontarf College on Friday evening at Fremantle Oval, and the other against our First XVIII here at the College on Monday afternoon. We look forward to a good crowd supporting this match.

Thank you to all families hosting the students from the De La Salle Football team. They have enjoyed their time here after arriving on Wednesday.

ARTS ACTION WEEK 10 ARTS AWARD NIGHT

This term we have the Junior Performing Arts Night on Monday, 2 July starting at 7:30pm in the Nicolas Barre Auditorium. This night will show case the Performing Arts students from Years 8 to 10 in the areas of Music, Dance, Drama and Visual Arts. The items being performed are class work pieces for either an assessment task or as part of their unit. There will be no tickets allocated for this night. However seating will be allocated according to "first in best dressed".

Mr Terry Pivla

Learning Area Coordinator - The Arts

MUCH ADO

Owing to the popularity of the show, there are now two public evening performances resulting in a change of show dates. Apologies for any inconvenience this may have caused but the amended show dates are now Saturday, 4 August and Sunday, 5 August. Bookings have opened and a booking form is included with this week's Delagram. Otherwise students can collect one from the Performing Arts Centre. Monday, 30 July has been reserved for a special performance for the community members who purchased a seat in The Great Seat Appeal. If there are other community members still interested in purchasing a seat for the appeal they are asked to contact College Reception for more information. The closing date for the appeal is Friday, 29 June. We look forward to your continued support of The Arts.

SOME UNUSUAL REQUESTS

As a follow up on last week's request The Arts Department are still seeking donations or loans of the following items for the Shakespeare Production

Rose Trellis - any condition	Potted Topiary trees and plants	Red Carpet
And donations only of

Black or Dark Grey suits, especially in smaller sizes		

Thank you to Chelsey Harding and La Salle House for the loan of Army Camouflage Pants and to Ms Tralee Rogers for her loan of the Park Bench. All offers will be greatly received and items can be left at College Reception. For any larger items needing collection, please contact Michelle Franklin at the College on 92746266 or via email mfr@lasalle.wa.edu.au Thank you for your continued support and generosity.

YEAR 9 DRAMA IMPROVISATIONAL COMEDY PERFORMANCE

On Thursday, 20 June, the Year 9 Drama classes competed against each other in an Improvisational Comedy competition. Students from various years came to watch both Ms Lush's and Ms Franklin's Year 9 Drama classes perform a variety of improvisational games. Improvisational Comedy is a type of theatre in which the performers perform spontaneously and are unaware of what is to unfold. These scenes are filled with silly comments, weird events and fictional characters. The classes each chose eight people to represent them in the three improvisational games; Blindline, Death in a Minute and Space Jump. The performers had to use the skills and techniques they had learnt in class to help create a scene which had been given to them on the spot. All performances were judged by three judges.

The final score was: Ms Franklin: 71, Ms Lush: 71

Overall both classes came a draw, but were pleased to see the amount of people who came to watch them.

YEAR 10 & 11 TOUCHING HEARTS

I have recently checked the Year 10 students' participation in the Touching Hearts programme and I have recorded their hours on page 32 of their Student Organiser. I ask all parents of Year 10 students to sign this page to acknowledge their child's progress. Over the next week I will also check on the Year 11 students' progress. The Year 11 programme concludes on 27 July. Student participation will be acknowledged in the Semester II report.

There have been some recent enquiries regarding the Touching Hearts programme and several points need to be reiterated.

- Students should be seeking their own placements. I am available in my office at lunch time to assist students with this task.
- Students may not replace class time with service. Service should be done in the student's own time. Year 11 students have had 15 weeks of school holidays during the 10 months they have had to complete their programme.
- All service activities must be pre-approved. Apart from the insurance implications, students require confirmation that their activity is appropriate for the programme.
- There are currently more than 40 service positions and suggestions listed on MyClasses. Students can access this site from the school computer system or from elsewhere via the internet.
- There are service positions available within the College that are advertised through the Morning Notices.

Please encourage your child to plan ahead so that their service time does not become a rushed activity that creates stress rather than learning.

Ms Christine Aldous

Service Learning Coordinator
