WELCOME BACK

It is hard to believe that we are well into Term 3. For our Year 12 students they are now in their very last term at La Salle. It is a critical time for all of our senior students to maintain their focus and work towards to their end goals. Students at other year levels need to ensure that their efforts this term are consistent and that they remain diligent.

I would like to extend congratulations to Kylie Paskov who will be Acting Learning Area Coordinator of Science while Richard Williams is the Acting Assistant Principal while Michael Pepper is on long service leave.

Nicole Huggins has taken on the role of Careers, VET and ONSITE Coordinator, while Susan Edwards will be taking some English classes in Term 3. Shonnie Murphy joins the Science Department for this term only, taking on classes from Kylie and Richard. Sue Bamford who took over Mark Pallot's classes late last term will continue in this role for the term. John Wallace will be taking Michael Pepper's classes. We also welcome Aaron Massang who joins Network Operations as an IT Trainee. Emma Merritt (Notre Dame University) joins The Arts department and Brendan Bomford (ECU) joins the PE department for this term on their practicum.

We have also appointed Peter Sanders as the Design and Technology and Audio Visual Technician and Robert Teede as a Grounds person. Both Peter and Robert will join us in the coming weeks.

Finally, we welcome back Renee McClymont who is now Mrs Vassiliou!

WORLD YOUTH DAY

All of the staff and students involved with WYD have had an amazing spiritual experience. They have come back to La Salle inspired by the Spirit and I know a number of the pilgrims are planning to attend the next WYD in Madrid. I would like to thank Adrian Martino, Alfiero Cardona, Michelle Redfern, Sabrina Lynsdale and Yvette Cobley for taking such good care of the students and supporting them in their pilgrimage. (A full report will be published in the *Western LaSallian* out soon).

MELBOURNE TOUR

Thank you to Silvio Lombardi, Joe Sorgiovanni, Devin Martin, Rachael Keenan, Belinda Sewell and Kristy Panetta on the very successful Melbourne Tour. The students were a credit to the College and to their families. Unfortunately the netballers and footballers went down in some close games to some strong opposition; however, our debaters were undefeated over five debates against three Colleges. (A full report will be published in the *Western LaSallian* out soon)

CATHOLIC PERFORMING ARTS FESTIVAL

Last Friday Teagan Kay and Ryan Pavlinovich, two of our Year 11 SRC members, represented the College at the Opening Mass of the 19th Festival. The Mass was concelebrated by Archbishop Hickey and Bishop Sproxtton and marks the commencement of four weeks of performances involving nearly 18 000 students from Catholic schools and colleges around the state. La Salle students will be strongly represented in areas such as dance and music and even Bible reading. My thanks to Terry Pirlo and his Arts staff on their preparation and support for our student performers.

MAINTENANCE UPDATES

A great deal of maintenance tasks were attended to over the holidays, including the painting of a number of classrooms, carpeting of four classrooms, and the installation of several new air-conditioners. We also had some work done on some of the brick work of the original 1954 classroom blocks as some of the mortar had been fretting.

NETBALL HIGH SCHOOLS CUP

I had the pleasure of watching our senior netball team compete in the High Schools Cup statewide netball finals last Friday at the Fremantle Netball Centre. In very wet and blustery conditions, our students really performed magnificently, making it through to the quarter finals which placed them in the top eight teams in the state. They went down to Frederick Irwin College by only 4 goals. I would like to congratulate all of the girls for their efforts over the season. I would also like to commend the great work that Janette Connor has done in taking netball to the next level at La Salle.

PARENT INFORMATION EVENINGS

Year 11 2009

As previously advised, this important Information session, for parents of current Year 10 students, will be held on **Tuesday 5 August** in the Laurence Murphy Hall at La Salle College.

Year 12 2009

As previously advised, this important Information session, for parents of current Year 11 students, will be held on **Monday 11 August** in the Nicolas Barre Auditorium at La Salle College.

The information presented on both of these evenings will help parents guide their son/daughter through the important decisions that accompany selection of subjects/courses for senior school. Significant changes have occurred to Senior Secondary education as well as in the criteria relating to University and TAFE entrance.

While the Year 11 2009 evening is compulsory for parents of Year 10 students, an invitation is extended to all parents of Year 11 students to the Year 12 2009 evening which is designed to assist parents of students who intend to make alterations to their current course of study for next year.

2009 SUBJECT/COURSE SELECTIONS

2009 Curriculum Handbooks and Subject/Course Selection forms have recently been issued to students in Years 8 to 11. Students in these year groups have serious decisions to make regarding subject choices for 2009.

- **Year 8** students have been asked to select elective subjects for Year 9 2009. Their form must be returned to Mr Elloy by **Monday 11 August**.
- **Year 9** students have been asked to select elective subjects for Year 10 2009. Their form must be returned to Ms Manning by **Monday 11 August**
- **Year 10** students will begin meeting with their course counsellor next week and must submit their Year 11 2009 form, to their course counsellor, by **Monday 25 August**.
- **Year 11** students have the opportunity to modify their current course of study. Their Year 12 2009 form needs to be submitted to Mr Vitalich by **Monday 18 August**.

Students requiring assistance or who have queries regarding a particular subject are welcome to contact the relevant subject teacher, Learning Area Coordinator, Year Coordinator, Careers Advisor or myself.

CYBER BULLYING PARENT PRESENTATION

The Friends of La Salle College Parent Education body, has invited researchers from the Child Health Promotion Research Centre (CHPRC) at Edith Cowan University to present their current cyber bullying research, findings and strategies to parents. This evening will also provide parents with a unique opportunity to share your thoughts, ideas, and concerns about cyber bullying with other parents and the staff from the CHPRC.

We strongly encourage you to attend this interactive information evening, and look forward to seeing you there.

When: Monday 18 August 2008
 Where: Nicolas Barre Auditorium

REMINDER PROCEDURES FOR LATE STUDENTS

If your son or daughter arrives late to school they should report directly to Student Services. Student Services will then issue them with two slips of paper. The first slip is given to their teacher to show that they have registered that they are in school. The second slip of paper is to be taken home and signed by you giving a reason for their lateness. The signed slip is then to be returned to the PCA. If this procedure is followed we will be able to keep accurate records of student lateness and absences. I thank you in advance for your cooperation.

WAMSE SOCIETY & ENVIRONMENT + WAMSE SCIENCE

The Year 9 testing will take place next week. The Society and Environment test will take place on Monday 4 August during periods one and two and Science test will take place on Tuesday 5 August during periods one and two. Your son or daughter should have passed on a leaflet explaining all about these tests that are taking place in WA during next week. Could you please remind your son or daughter that they must have a ruler, 2B pencil and eraser for the tests. The tests are marked by computer scanners that can only detect 2B pencil writing. If you have any queries please do not hesitate to contact me or the relevant teacher.

DONATION THANK YOU

The College received a letter of thanks from Br Paul Smith of the LaSallian Foundation thanking the students and staff for the money raised from Mission Aid Day. The money raised will be sent directly to St Vincent School in Pakistan which will help create opportunities for the disadvantaged community and will make an immediate difference to the lives of the families.

CURTIN UNIVERSITY OPEN DAY SUNDAY 17 AUGUST

Curious about life at WAs largest university? Then head to Curtin's Open Day on Sunday 17 August. Lecturers will be available to answer questions about courses and student ambassadors will be on hand to share their experiences. A range of displays, tours, interactive activities and competitions will be run across campus to give you a real taste of life at Curtin. For more information visit <http://dev.openaday.curtin.edu.au/promo/>

UNIVERSITY OPEN DAYS 2008

The following universities are holding open days on:

- 10 August - UWA
- 17 August - Curtin University (Bentley Campus)
- 17 August - Notre Dame
- 31 August - Murdoch
- 7 September - Curtin University (Muresk Campus)

It is strongly advised that all university bound students attend the open days for the universities which they hope to study at. This will give them a feel for what university life is like and what courses exist for them to study.

YEAR 9 & 10 STUDENTS

YEAR 9 AND YEAR 10 ITALIAN ASSESSMENT OF LANGUAGE COMPETENCE CERTIFICATES

Next Monday and Tuesday, all students studying Italian in Years 9 and 10 will sit a Reading and Listening Task in Italian, as part of the Assessment of Language Competence (ALC) Certificate Programme. This offers the students recognition for their achievement in studying languages. The language skills testing programme allows students to respond to realistic Italian texts and situations and is designed to enable all students to experience success. It is prepared, scored, analysed and reported on by the Australian Council for Educational Research (ACER). All students will receive a Certificate of their achievement in both tasks, describing the skills demonstrated. La Salle College will also receive a school report which includes an itemised account of each student's performance and summary data of the school's level of achievement, as measured against achievement levels of all participating schools around Australia in each language and level.

More details are as follows:

Year 10 Italian students will sit the Certificate 2 in Italian on Monday 4 August during Periods 3 and 4. The charge of \$11.00 per student has been paid by the Italian Department. Materials required for the tasks will be supplied.

Year 9 Italian students will sit the Certificate 1 in Italian on Tuesday 5 August during Periods 5 and 6. The charge of \$8.00 per student has been paid by the Italian Department. Materials required for the tasks will be supplied.

It is compulsory for students to complete these tests as part of the Italian programme and where possible, I ask that parents please refrain from organising appointments during these periods. Test materials need to be mailed to Victoria after their completion and I would like all the Years 9 and 10 Italian students to experience this opportunity and receive a certificate for their achievements.

If you have any queries, please do not hesitate in contacting me at the College on extension 236.

To the students, 'IN BOCCAALLUPO!' Good luck.

Teacher of Italian

YEAR 10 CHILD CARE PLAYGROUP

The Year 10 Child Care students are hosting playgroups for children aged 0-6 years to develop a greater knowledge of Child Development and of the care that is needed to provide a safer and happier learning environment. There will be two playgroup sessions, one for each class on:

- Monday 11 August from 11:00 - 11:45 am
- Tuesday 12 August from 11:55 am - 12:40 pm

All those who are interested in attending either or both of the playgroups are asked to please contact Ms Gooden at the College by phone or email hgo@lasalle.wa.edu.au. Your attendance would be greatly appreciated and the students are looking forward to two fun-filled sessions.

BRAIN STRAIN FINAL

The culmination of the Brain Strain competition saw the College host the annual Brain Strain Final in Week 1 of this term. In order to secure a place in the final, PCG's in each House battled it out throughout preliminary rounds that took place during Term 2. The PCG with the highest ranking represented their House at the Brain Strain Final to battle it out for the winner's trophy. Six rounds covering topics from music to sport, science to literature tested the students' knowledge. No clear leader was established in the first round; however, La Salle House took the lead in Round 2 with close competition from Mutien. Solomon was outstanding in the Science Round to become a clear threat to the other teams. McCormack, quiet at the start, performed well in the later rounds. MacKillop and Benildus were great participants and first to the buzzer on several occasions. The last round could have seen a tie break situation, however, La Salle House, represented by Mr Turco's PCG, winners of the 2007 competition, stormed ahead to become clear winners of the 2008 Brain Strain Final. The results were as follows:

LASALLE (FTU)	11
SOLOMON (MCE)	8
McCORMACK (LVA)	4
MUTIEN (SAL)	3
BENILDUS (KTA)	0
MacKILLOP (AJO)	-3

A special thanks goes to Lucius Musarra Frannando for work on improving and setting up the electronic buzzer system for this event.

CURTIN ACCOUNTING EXPERIENCE PROGRAMME

Since 2002 La Salle College has had students involved in the Curtin Accounting Experience Programme. Only 58 students from all schools in Western Australia were selected to participate. The students involved in this programme complete Financial Accounting 100, a first year university course. They attend Curtin University for three hours a week and complete various activities, from the accounting course to team building activities to helping students become ready for corporate interviews. This year four students represented our College in the programme: Danielle Hannigan, Selina McDermott, Cameron O'Donnell and April Radalj. This group performed extremely well with all students achieving a distinction or higher, with Cameron O'Donnell placed in the top 15 students in the course. Curtin University Business School is closely aligned with PricewaterhouseCoopers (PWC), one of the big four Accounting firms in Australia. At the conclusion of the course top students are awarded with Traineeships or internships through PWC. In order to be eligible for the traineeship, students have to be selected to a day at Conquest which ends with an interview with one of the partners of PWC. Selina, Cameron and Danielle made it through to Conquest, with Selina being successful in winning a traineeship. The traineeship gives Selina the opportunity to study Commerce while working at PWC. Cameron, Danielle and April are all eligible for an internship, which is paid work experience. Their achievements in this course have put them in good stead for a future as an Accountant.

SENIOR GIRLS NETBALL AND HIGH SCHOOLS CUP FINALS

This year, La Salle College has been represented by a determined squad of senior netballers at both the state wide High School Cup competition over Term 2 and in Melbourne over the July holiday break. The squad, comprised of Year 11 and 12 students who have been training together since March this year. During this time the girls committed themselves to further developing their skills, learning new strategies and running really hard! Both as individuals and as a squad, they have continued to improve on each occasion they have taken the court.

La Salle was also recently represented magnificently by eleven of the senior netball squad at the High Schools Cup elimination finals (held on Friday 25 July). The team was placed second in their pool after three strong games, and had a four goal victory in the inter-pool final to make it through to the quarter finals. Playing in very tough wintery conditions, which made scoring very difficult, the girls played with passion and determination defending as hard as they attacked. Although victory eluded us and we did not progress through to the semi-finals, our girls ended the High School Cup competition in a top eight position. This is an outstanding result and I am immensely proud of the girls and their achievements this season.

Congratulations to the following netballers who represented La Salle with such brilliance; Tayla O'Donnell, Evette Piazzola, Elsa Allen, Erin Kosovich, Samantha Bank, Stephanie Spencer, Eden Ranelli, Ashleigh Fretwell, Talia Larson, Bronte Treloar and Georgia Sayers. A special thank you to Mr Bull who came and supported the team last Friday.

SPORTS STAR OF THE WEEK

Name:	Jacinda Barclay (Baseball Superstar)
Nickname:	Barky, Cinda
House:	La Salle
College teams:	ACC Swimming and Athletics, Girls Football
Career Highlights:	Winning both recent tournaments in the US with the Aussie Hearts Winning pitcher for 2006 State Team
Favourite Sports Teams:	Chicago White Sox
Athlete I admire most:	Simon Wearne

Some Questions....

Who will win this year's AFL Premiership?
Hawthorn.

Can you tell us about your recent baseball tour of the US?
I travelled to Chicago and Kenosha and played two tournaments. We won both! I watched a live baseball game in the box, had a private tour of Wrigley Field (Chicago Cubs stadium), and met the original AAGPBL (All American Girls Professional Baseball League) players from the movie "A League of their Own".

You are playing for Australia at the upcoming World Cup in Japan. What are the chances that you'll come home a world champion?
99.9% sure that we'll win (fingers crossed!).

You are the star of our girls footy team. If you weren't so good at baseball would you like to play footy a little more outside of school?
Maybe!

What are your plans after you finish school later this year?
Travel to Sydney to work, and then hopefully play professional baseball in the US or Japan after that.

The ACC Athletics carnival at the end of term will be your last. Does the College have what it takes to challenge for top honours this year?
Anything's possible!

Jacinda Barclay's parting quote.....
"Hakunamatta!" (translation: "no worries").

COMMITMENT TO EXCELLENCE

BOYD DUFFIELD SHINES AT AUSTRALIAN INDOOR CRICKET CHAMPIONSHIPS

Congratulations to Year 8 student Boyd Duffield (featured in Delagram 11) who competed for WAS Lord Taverner's Team at the Australian Indoor Cricket Championships early in July. Boyd had an outstanding championship and was one of ten players selected in the Australian All Stars Team. An excellent achievement for a Year 8 student competing against men aged between 20-40 years!

STATE C NETBALL UMPIRING BADGE

Congratulations to Bianca Stante (Year 10) and Tiarne Coverley (Year 11) who were both awarded a 'State C Netball Umpiring Badge' after being assessed by a panel of 4 umpiring adjudicators last Saturday at Swan Districts Netball Association. A wonderful achievement girls!

OUTSTANDING ACADEMIC ACHIEVEMENT

In reviewing the Semester One reports it became apparent that many students achieved outstanding results both academically and in effort. Students in Years 8, 9 and 10 who achieved consistently high levels across the subjects studied were presented with a Certificate for Outstanding Academic Achievement at our recent College Assembly. Similarly students in Years 11 and 12 who attained no lower than a "B" grade or a minimum of four "A" grades also received a Certificate for Outstanding Academic Achievement. The names of these students are listed. I would like to congratulate them and all the other students who have made their best efforts to achieve at school.
