### OPEN DAY

Next Tuesday 31 March, the College will be holding its annual Open Day. This is a wonderful opportunity to view the school in action. Normal classes will be held, however, we will open our doors to the wider community to observe what makes La Salle such a special place. Three tours will be conducted during the day - 9:30 am, 11:30 am and 1:40 pm. Student tour guides will lead our visitors around the campus. I would encourage parents, grandparents, or anyone with an interest in the College to come along on Tuesday 31 March.

### COLLEGE BUSY BEE

Our first *Friends of La Salle* Busy Bee for 2009 will be held this Saturday 28 March 8:00 am until 12:30 pm. All of our helpers will be focused on final preparations for Open Day. If you haven't put your name down, but would still like to help, please just come along!

### YEAR 8, 2009 SCHOLARSHIP EXAM

On Saturday 4 April over 100 students will be sitting our Year 7 and Year 8, 2010 Scholarship Exam. This test, set and marked by the Australian College for Educational Research will be used to identify those outstanding academic students who will be offered scholarships. I would like to record my thanks to Angela Johnson, our Learning Support Coordinator, for her organisation of the exam.

### ACC SWIMMING CARNIVAL

Last Friday our students completed in the C Division of the ACC Swimming Carnival. A number of students performed most creditably on the day, however, disappointingly, several of our top swimmers were not in attendance, which was reflected in our final placing. My thanks to all of our swimmers who did their best for La Salle and congratulations on students who achieved personal bests on the day. I would also like to thank Ben Dyer, our Sports Coordinator and all the Physical Education staff for their support of our swimmers. Finally, thanks to Mr Elloy, staff, SRC Cheer Squad and the Year 8 students for their enthusiastic support of the team during the day.

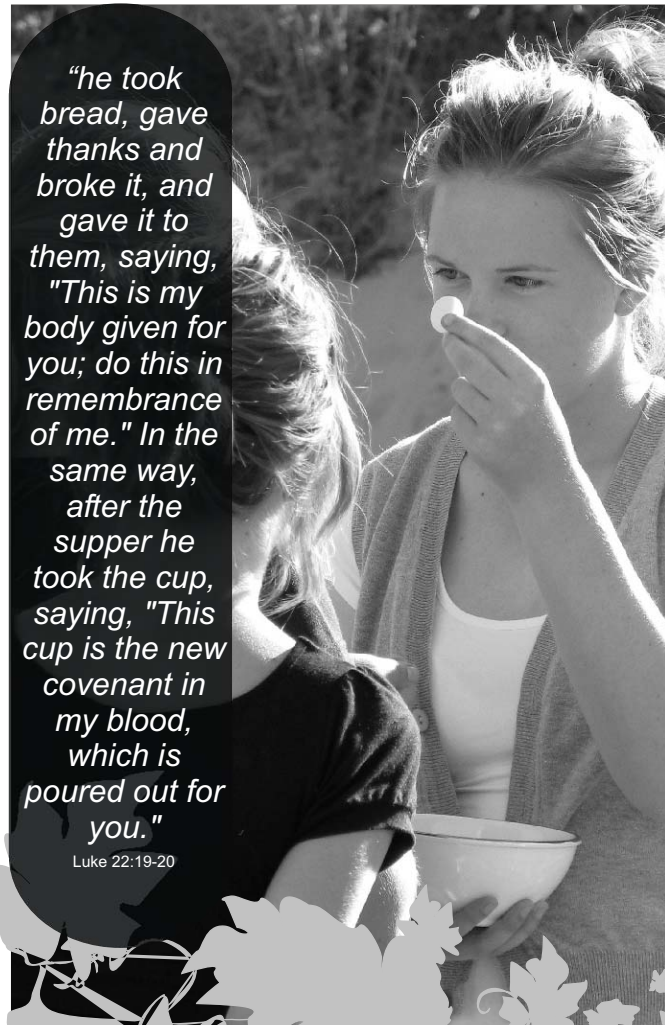

### CONGRATULATIONS TO EX-STUDENT

Congratulations to ex-student & 2008 La Salle College Hall of Excellence inductee Cameron Meyer who on Wednesday won **GOLD** in the Points Race at the World Track Cycling Championships. This 40km (160 laps) grueling event is Cameron's first major win after placing fourth in the 2008 Beijing Olympics. A fantastic accomplishment Cameron!

## SPECIAL EXAMINATION ARRANGEMENTS FOR THE 2009 TEE/WACE EXAMINATIONS

Students in Year 11 or 12 who have a permanent or temporary disability, illness and/or specific learning disability that may disadvantage them in demonstrating their knowledge, skills and understandings may apply to the Curriculum Council to sit external examinations under special arrangements.

The granting of special examination arrangements is not automatic, but **depends on the provision of medical and/or psychological evidence to justify the decision.**

Effective case management is a necessary prerequisite for applications. The Special Examination Arrangements Committee considers each application separately and the Curriculum Council will notify the candidate of the committee's decision.

If you have further questions or wish to enquire whether your child can be considered, please contact Ms Angela Johnson (Learning Support Coordinator) or Ms Janette Connor (College Counsellor) prior to the end of Term 1.

*Mr Rino Randazzo*  
Vice Principal

## YEAR 8 PARENT- PASTORAL CARE ADVISOR MEETINGS

A letter detailing this event will be distributed to all Year 8 students. At this three-way meeting (involving your child, yourself and the PCA), on Monday 6 April, the interim report will be handed out and your child's progress to date will be discussed. It is essential that the interview advice slip, indicating your preferred appointment times, is returned to your child's PCA by Thursday 2 April.

## INTERIM REPORTS PARENT/TEACHER/STUDENT INTERVIEWS

During the forthcoming holiday period the Interim reports will be posted home. A letter explaining the process for the three-way (Parent - Student - Teacher) meeting and the method by which interview appointments can be made will be included. Please follow the process as outlined in these documents and feel free to book an interview with any of your child's teachers. We look forward to seeing you at the College from 3:30 pm to 6:30 pm on either: Monday 4 May for Solomon, Mutien and La Salle students, or Tuesday 5 May for Benildus, MacKillop and McCormack students.

*Mr Danny Battistessa*  
Assistant Principal

## OPEN DAY - TUESDAY 31 MARCH

Staff and students have been busy preparing for 'Open Day' which will be held next Tuesday 31 March. Open Day is an opportunity for parents, members of the local community and prospective parents to view the facilities and see the College in action.

**Tour times: 9:30 am, 11:30 am and 1:40 pm.** No bookings necessary. Tour groups commence at the Nicolas Barre Auditorium and conclude in the Jan Jolley Library courtyard for refreshments and enrolment enquiries. Visitors are asked to please park on the rear oval which is accessible by the driveway at the western end of the campus.

We look forward to seeing you.

## STUDENT ORGANISERS AND PARENT SIGNATURES

Parents are reminded that student organisers should be checked and signed weekly. Checking and signing your son or daughter's organiser is also a great opportunity to discuss their homework programme and to keep in touch with the progress of their studies. While checking organisers, parents are also encouraged to peruse the coloured pages at the rear of the organiser to gain further insight into your child's progress. Parents may also use the organiser as a means of communication between themselves and the classroom teacher via a brief signed memo to the teacher concerned. Please simply then ask your son or daughter to pass on the organiser to the teacher concerned for a reply.

Assistant Principal

## ACCESS TO THE ADMINISTRATION DURING SCHOOL HOLIDAYS

Access to the front of the Administration block will be closed during the school holidays due to the construction work. Parents and students needing to access the Administration block must enter through the Student Entry gate off of Muriel Street and walk through to the Staff Reception area.

## BINGO NIGHT POSTPONED

The Bingo night fundraiser for the Singapore Arts Tour has unfortunately been postponed due to unforeseen circumstances and will now be held in late May.

# YEAR 10s

## YEAR 10 SOCIETY & ENVIRONMENT

This year all Year 10 students will be participating in The National Geographic Channel Australian Geography Competition in Week 9. The competition is an initiative of the Royal Geographical Society of Queensland and the Australian Geography Teachers' Association and attracts over 89,000 students nationwide. Students in all Year 10 S&E and GCSE classes will sit the competition in their respective classes under the supervision and guidance of their teacher. Prizes are awarded to the top schools in each state and territory, and members will be chosen for the Australian team to compete in the 2010 International Geography Olympiad in Taiwan.

## THE RIGHT "STUDY SETTING" HELPS!

- Make studying your "BUSINESS" - do it EFFICIENTLY.
- Keep REGULAR study hours.
- Be COMFORTABLE (but not too comfortable) - straight chair and good light (no glare) - no lying on your bed!
- FACE away from the WINDOW or other visual distractions.
- Have a DESK OR TABLE to work on - not the floor or your bed!
- CLEAR items off the top of your desk or your work table.
- Have all MATERIALS (books, paper, pens, calculators) required READY before you commence.

### QUIET PLEASE!!!!

- NO radio, TV, CDs, conversation or other noises to distract you.
- Definitely no PHONE CALLS!

All set? Then LET'S GO! DON'T PUT IT OFF!  
WORK STEADILY AND BY YOURSELF.

## BE A VET FOR A DAY!

Murdoch University Veterinary School would like to invite interested students to 'Vet for a Day' to be held on Sunday 3 May for Year 10 and 11s only. Their Year 12 event will be held on Monday 6 July. 'Vet for a Day' is a one day experience which provides insight to the life of both a veterinary student and a practicing veterinarian. The day starts with short lectures from university staff then students are split into small groups to tour the facilities and to get some hands on experiences. If you are interested, please visit MyClasses on the College website for further details.

## ALL PARENTS & STUDENTS

### PAST AND EMERGING TRENDS IN COMMUNICATIONS

Students in Year 11 and 12 Applied Information Technology were recently visited by Mr Peter Homes of Australian Electronic Communications. Mr Holmes, a contractor, specialises in communications installations such as networking computers or installing VoIP technology, allowing telephone calls to be made over computer networks, and security installations, such as CCTV security systems. The presentation provided students with the hands-on opportunity to investigate a variety of past and emerging communication technologies available to both the home and business user. Mr Holmes began his career delivering telegrams before training as a linesman. He is now undertaking a Bachelor of Information Technology and an exemplar for life-long learning. He has witnessed many changes in the communications industry and is one of the few contractors licensed to operate in both the communications and security sectors. The students would like to extend their sincere thanks to Peter Holmes for coming to talk with them, and for his obvious enthusiasm particularly with regard to the future trends in communications technologies.

## THOUGHT OF BEING A MENTOR? ST CLARE'S MENTORING PROGRAMME

Would you like to:

- Mentor a female secondary school student?
- Be a positive 'big sister' role model to this young woman?
- Go on fun outings (at no expense to you)?
- Get a real sense of satisfaction from what you do?

You could become a St Clare's mentor if you are:

- A good listener.
- Attentive and empathetic.
- Trustworthy.
- A good role model.
- Fun to be with.

You would also need a reliable car, current driver's license and a police clearance and be able to commit to the programme for the school year. If you would like further information, please contact Anne Butorac, Programme Coordinator on 9272 6995 or email [a.butorac@aaaj.com.au](mailto:a.butorac@aaaj.com.au)

## INTERNATIONAL WOMEN'S DAY BREAKFAST

Last Thursday, Ebony Talijancich, Rachael Rechichi and I attended the International Woman's Day breakfast held at Caversham House, accompanied by Mr Martin. The breakfast is an annual event celebrating the accomplishments and achievements of women across the globe and it was an honour to be one of only a handful of students attending amongst many respected delegates' including the Honourable Michelle Roberts and various members of parliament. The breakfast gave those invited the opportunity to be inspired by Barbara Etter, Assistant Police Commissioner of WA who recently returned from a Women's Leadership Conference held in India. Barbara spoke of her experiences throughout her life, her job and the influence her trip to India had on her physically, emotionally and spiritually. She challenged her audience to seek justice for the women suffering in foreign countries and appreciate the challenges that we as women have overcome throughout the years and we as an audience were inspired by her emotion and passion for her work. The morning concluded all too soon and we bid farewell to those we had met, enthused to strive for success and never let prejudice get in the way of achieving our goals and coming away with many new attitudes that we would later apply to our lives. Thank you also to Mr Martin for organising and accompanying us to the breakfast and we hope that next year International Women's Day is acknowledged by all.

## STUDENT EXCHANGE

### SOUTHERN CROSS CULTURAL EXCHANGE

Southern Cross Cultural Exchange is seeking volunteer host families to host international high school students arriving in July 2009 for stays of 3, 5 and 10 months. Southern Cross Cultural Exchange is an Australian not-for-profit organisation specialising in international student exchange programmes which is seeking volunteer host families for high school students from Germany, Italy, France, Holland, Austria, Spain, Sweden, Norway, Denmark Finland, Japan, Brazil, Canada and the USA. All exchange students attend local high schools whilst they are in Australia. The main purpose of cultural exchange is to challenge youth towards international understanding and tolerance, encourage further learning, self knowledge and awareness - invaluable characteristics in today's world. We organise all the flights, school enrolment, transportation, insurances and support systems. Just imagine your son or daughter having a brother or sister for a few months from another country. It's a great opportunity for Australian students to learn that there is a world of variety and opportunity waiting for them - different languages, foods, sports, customs, and perhaps an overseas visit to look forward to later on.

To enquire, call Southern Cross Cultural Exchange now toll free on 1800 500 501, visit [www.scce.com.au](http://www.scce.com.au) or email [scceaust@scce.com.au](mailto:scceaust@scce.com.au)

## SHARING OF DRINK BOTTLES

Parents and guardians are asked to remind students of the dangers of sharing drink bottles and drinks with others. Many forms of disease and infections can be passed on to others by sharing drinks. Infections such as cold sores, glandular fever, colds and flu's and more serious, meningococcal disease can all be passed on to one another just by sharing drinks and drink bottles.

Students are reminded to bring personal water bottles that are labelled with their name to school and in particular to Physical Education and Outdoor Education lessons.

More information about signs and symptoms of Meningococcal Disease can be found at [www.amandayoungfoundation.org.au](http://www.amandayoungfoundation.org.au) or [www.meningococcal.com.au](http://www.meningococcal.com.au)

## ACTIVE GIRLS HEALTHY FUTURES

Sports Medicine Australia is offering a free school holiday programme for girls aged 11-13 years who live in and around the City of Swan. The *Active Girls Healthy Futures programme*, aims to keep young girls involved in physical activity at the age when they tend to start dropping out.

Fully funded by the Australian Government Department of Health and Ageing, it gives girls the opportunity to try many different activities that are all readily available within the City of Swan, in the hope that they will find one that they enjoy and remain involved in.

If you are interested in this programme, please see me in the Physical Education office in the Library. Registration closes on 6 April.

Congratulations and thank you to the following students who, amongst others, swam their hearts out on Friday afternoon to ensure that we avoided relegation. Their efforts at training and on carnival day were outstanding: Tahlia McDiarmid (Champion U/15 Girl), Ryan Dessent (3<sup>rd</sup> U/17 Boys), Monique Hollett (3<sup>rd</sup> Open Girls), Chloe White, Brigit Manson, Damon O'Brien, Ashlee Redmond, Alexia Stante, Brigit Van Zaanen, David Vella, Sophie White, Jessica Linge, Rhiann Burns, Jane-Louise O'Reilly, Danielle McCagh, Christopher Seeber and Samuel McClements.

Unfortunately we were missing a few of our more talented swimmers, however, the other members of the team who then had to swim up in age groups put in a good effort. It is so important that students realise that when they are part of a team that they have responsibilities to that team. While sometimes there are unfortunate and unavoidable circumstances which may preclude someone from competing, it is most disappointing if someone simply chooses not to give his/her best.

Those that gave their all for their school did a tremendous job and on behalf of these students I would like to thank ex-student Oliver Paun for his assistance in preparing the team. Ms Sewell and Mr Lombardi also deserve thanks for their great help this term. In 2010 we need to work hard on what it means to be a part of a team and with team spirit, we should improve.

## CHAMPION SCHOOLS BASEBALL

In a first for La Salle in the modern era, our talented team of baseballers ventured to Collier Reserve in Como to compete in the qualifying rounds of the Champion Schools baseball competition. It is pleasing to report that our boys were successful in winning both of their round robin games to qualify for the semi finals. They defeated Darling Range Sports College 2-1 before comfortably beating Corpus Christi College 10-1.

Our team included the following students: Nicholas Delany, Coen Bouckhaert, Ryan Brennan, Nathan O'Kane, Joshua Dowling, Anthony Harries, Thomas Hargreaves, Elliott Hargreaves, Joseph Delany, Ryan Andrich and Christopher Daniele.

Many thanks to Mr and Mrs Brennan, Mrs Markham and Mrs Hargreaves for their assistance during qualifying and we wish the boys the best for their upcoming semi final.
