### OPENING OF OUR NEW FACILITIES

The recent opening of our new facilities was a wonderful celebration for our College. I would like to express my thanks to Monsignor Kevin Long, Rector of St Charles' Seminary, and Ron Dullard, Director of Catholic Education for their role in blessing and officially opening the Patricia Rodrigues Centre, the Fr Laurence Murphy SDS Senior Learning Centre and the Michael Ciccarelli Lecture Theatre. It is very special that Fr Laurence, Patricia and Michael and their families were able to join with us on this special occasion. I would like to acknowledge the great work of Michael Pepper, Sabrina Lynsdale, Shari Outram and her Canteen Staff, Alicia Keating and the SRC, and staff from the Arts Learning Area. Our student performers were outstanding!

### DRAFT STRATEGIC PLAN

Our draft of our Strategic Plan 2011 - 2015 has been circulated among staff for their input. Parents will shortly have an opportunity to make comments on our plan. I would hope that the College Board will be able to endorse the final plan by the commencement of Term 4.

### BOARDING 2011

Following the closure of Swanleigh Residential Facility, the Catholic Education Commission has approved the College's application to operate a limited boarding facility from 2011:

***"Subject to financial viability, approval be given for a change of structure at La Salle College to operate a limited boarding facility from the commencement of 2011. The facility is to accommodate no more than 40 students. The boarding school body will comprise students from Balgo Hills in the East Kimberley and those with Aboriginal Scholarships from the Pilbara as well as those families who have traditional connections with Swanleigh and the College."***

The Senior Leadership Team will now proceed to the implementation phase of this project. I will be writing to the parents of our boarders shortly to reassure them of our commitment to their sons and daughters and outline our plans for 2011.

### STAFFING APPOINTMENTS

The following staff members have been appointed to leadership positions in 2011:

- Colleen Wheeler -  
Learning Area Coordinator -  
English and Languages
- Shellie Rodriguez -  
Learning Area Coordinator -  
The Arts
- Jaimee Dawson -  
Learning Area Coordinator -

Congratulations to Colleen, Shellie and Jaimee. I look forward to working with them into the future to provide the very best learning opportunities for our students.

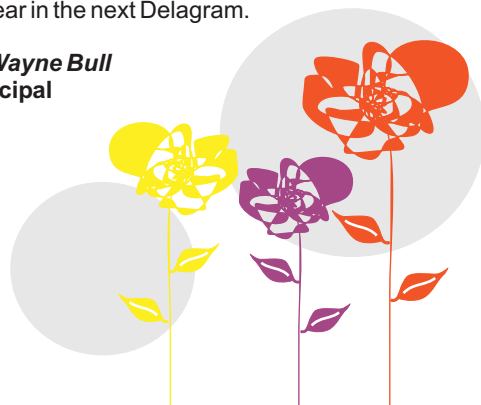

### YEAR 11 RETREATS

Our Year 11 students have been on their annual retreat this week. This has been an important time for our Year 11s as they have taken time out to consider their relations with God and each other.

### HALL OF EXCELLENCE INDUCTION

On Friday 3 September eight new members will be inducted into the College's Hall of Excellence. This is an important occasion for the College to celebrate the outstanding achievements of our former students. Our current members of the Hall of Excellence will join with the Board and Senior Leadership Team to acknowledge our new inductees. Full details will appear in the next Delagram.

## COUNSELLORS CORNER

Many students struggle with their body clock and have difficulty in getting to sleep. Here are some tips to help ease the process and assist with getting as much sleep as possible.

- Establish a regular routine before going to bed. This helps to let the brain and body know what is about to happen and brains/bodies respond well to such pre-sleep routines.
- Use your bed for sleeping, don't do homework or watch TV in bed.
- Have you done some light exercise today? Think about taking a walk in the afternoon.
- Make sure your diet is good. Try to not eat too late or too early in the evening.
- Go to bed and get up at the same time each day.
- Avoid sleeping in too much on the weekend.
- Avoid taking a nap during the day as much as possible or if you have to, make sure that it is less than half an hour. Have a power nap instead.
- Drink less coffee and tea or other stimulants.
- Darken or dim your lights at night to stimulate sleep.
- Do some relaxation exercises before bed.
- If you can't get to sleep after 30 minutes consistently, do something for 10-20 minutes outside your bedroom and then try again. Don't stress if you can't sleep. Don't think about how early you have to get up or the things you have to do tomorrow. Turn your brain off!
- Think positive helpful thoughts about sleeping.

## THE CURTIN ACCOUNTING EXPERIENCE

Since 2002 La Salle College has offered keen Year 12 Accounting students the opportunity to participate in the Curtin Accounting Experience. This programme, run in partnership with international accounting firm Price Waterhouse Coopers, gives students the opportunity to learn practical aspects of accounting. The focus is on immersing students in real business situations. This year Jessica Gill travelled to Curtin University to attend a 3 hour evening seminar over an 11 week period. Jessica had three assessments to complete including a final examination. Jessica is to be congratulated on successfully completing the programme which results in her gaining credit for the first year Accounting unit at Curtin University.

On 24 August Jessica and her family attended the presentation ceremony and received a certificate for completing the Curtin Accounting Experience. An entertaining talk from programme patron Denis Horgan, founder of Leeuwin Estate Winery, gave an insight into how the Accounting profession can be a launch pad into the world of business.

Jessica has also been busy seeking out opportunities for next year. A number of Chartered Accounting firms offer traineeships to school leavers. This allows students to work part-time whilst studying for their university degree. Jessica is to be congratulated on achieving a traineeship for next year with BM&Y, a firm of Chartered Accountants based in Subiaco.

Well done Jessica on showing real dedication and initiative in getting a wonderful head start to your career in business.

## SHARED TEACHING EXPERIENCE

Collaborative teaching certainly benefited the Year 12 Applied Information Technology Stage 2 students at La Salle and Chisholm Colleges last week. Students were provided with an opportunity to attend a revision lecture for the upcoming school-based and WACE examinations. La Salle College students extend their sincere thanks to Mr Mike Burgermeister, Head of Business and Information Technology at Chisholm College, for his informative lecture on the topic of networking.

**CYBER SAFETY TIP**

**THINK** before you post! Would you want your teacher or parent or employer to see what you have just written? Also consider your electronic foot print. What will come up about you when a potential employer 'googles' your name?

**FATHER'S DAY MASS**  
**FRIDAY 3 SEPTEMBER**

It is our pleasure to invite you to a special Mass in the St John Baptist Chapel on Friday 3 September to celebrate Father's Day around the table of our Lord.

Fatherhood is a special gift. Jesus Himself asked his disciples to call God *Abba* or Father. We thus turn to Him to understand how to live this vocation and thank Him for blessing us and entrusting us with these beautiful children.

We will be celebrating Mass between 7:30 am - 8:00 am. We will then meet in the Nicolas Barre Auditorium foyer for a cup of tea/coffee and some pastries.

Please RSVP to Sabrina Lynsdale by phone or email [sly@lasalle.wa.edu.au](mailto:sly@lasalle.wa.edu.au) by Tuesday 31 August.

I look forward to seeing you.

**NAIDOC 2010**

At our assembly on Wednesday 18 August, the College celebrated NAIDOC. NAIDOC originally stood for the National Aboriginal and Islander Day Observance Committee. Its origins can be traced to the emergence of Aboriginal groups in the 1920s. The groups sought to increase awareness in the wider community of the status and treatment of Indigenous Australians. Most Aboriginal people have a family connection to the stolen generations and this past wrong still lingers in their culture.

The NAIDOC theme was 'Unsung heroes- Closing the Gap by Leading Their Way' I think it's important that we remember the Aboriginal elders in our local community, the wider community and Australia wide. Elders are important people in maintaining the Aboriginal culture, particularly the dream time stories and legends and most importantly the language.

At La Salle we are lucky to have a number of different Aboriginal cultures present in our student body. We have students from Punmu, Port Headland, Newman, Broome, Cygnet Bay, Balgo Hills, Mulan and of course Perth with our local Nyoongar students. These students add an element of culture to La Salle which cannot be matched.

NAIDOC is about reconciliation; On 13 February 2008, the then newly elected Prime Minister, Kevin Rudd honoured his campaign promise to apologise to the Indigenous peoples of Australia. He particularly focussed on the stolen generations but also apologised for governments wrong doings in working with Aboriginal peoples of the past.

**Mr Darren Perrett**  
Christian Service-  
Learning Coordinator  
& Aboriginal Student  
Coordinator

At our last assembly we celebrated this special event in a combination of different performances. The Kulbari Dance Group performed three dances for our students, the Kangaroo dance, the Emu dance and the spirit dance. These fine young men represented their culture in a very traditional and impressive way. From the traditional dances of the past we then had a contemporary Aboriginal performance with a hip hop star in the making named Knowledge Bones. He grew up in the local Midland area and really captured the spirit of NAIDOC with his three song performances. Knowledge Bones has an album coming out soon so keep your eye out for it as he is definitely a star in the making! Knowledge Bones really astounded our school community with his rap skills but had a great presence on stage. Thanks to Knowledge Bones for sharing a part of his story with us as well as representing Aboriginal contemporary culture.

At the NAIDOC assembly we showed a video from [www.nomadtwoworlds.com](http://www.nomadtwoworlds.com). One of the videos on this website captures the essence that is NAIDOC. 'The apology' focuses on the main points from Kevin Rudd's speech and also captures parts of Indigenous culture.

Later that afternoon, some of our Aboriginal students began work on a mural to celebrate the life of Mrs Madge Smith, our late Aboriginal Teacher Assistant who passed away unexpectedly early this year. The NAIDOC celebrations were dedicated to Madge who worked tirelessly to celebrate Aboriginal culture. Madge's particular strength came from her want for Aboriginal students to feel proud, shake the stigma of 'shame' and really feel a part of the Aboriginal culture. Two Aboriginal painters (Gloria and Maureen) came to help our students hone their artistic talent.

From the words in the song 'It's Time', -"It's time to look forward together; it's time to look forward"

## YEAR 10 GIRLS NETBALL

Congratulations to the Year 10 Girls Netball Team who participated in the School Sports WA Netball Elimination Day on Friday 6 August 2010. After a lengthy delay to Fremantle Netball Association the team displayed great spirit despite numerous girls having illnesses. Chloe Smith and Kiri Gobald were unstoppable in goals and Tayla Nettleton was strong in defence and to the girl's credit they advanced to the quarter finals (the final 8 teams for the age group) to only be defeated narrowly.

A big thank you to Mrs Ange Smith for her passionate coaching, Mrs Gaye Quinlivan and Mrs Julie McDiarmid for their assistance with scoring and to all other parents who supported the girls. Thank you also to Kimberley Burton for umpiring all games on the day and Mr Ben Dyer for his organisation of the team.

~ **All students** ~ social networking tips for sites such as Facebook.

- Customise your privacy settings. Don't leave the default privacy settings. You can limit what people can see of your profile.
- It's OK to limit your profile and just shows things like your profile picture, your name, and your basic info. Only show your wall, your interests and any images of you to close friends, not friends of friends.
- It is a good idea not to make announcements of where you plan to go or who you plan to go with on your wall, or on any public wall. Cyber stalkers are a real threat online. If you announce to everyone what you intend to do, you really are not sure who knows where to find you in real life.
- Don't accept Facebook invites to events. You should receive a personal invitation to events from the person face-to-face.
- *'Treat others as you would like to be treated.'* Social networking is a social activity and not for anti-social behaviour. It should not be used to bully, harass, spread rumours, challenge fights or otherwise incite violence.
