We welcome our senior students back after the two week exam period. As they receive their examination results, my hope is that students spend time with parents and guardians assessing their study routine, exam preparation, approach to their class work and the results of the exams. As the middle school students complete their exam schedule, I hope that they too reflect on their discipline around their school work and examination preparation. With the semester reports being finalised, this gives an excellent opportunity to reassess goals and aspirations. With a firm commitment to school work and realistic goals, our students can continue elevating their sights towards their God given potential. I encourage all students to accompany their parents/guardians to attend the parent - teacher student meetings scheduled in Term 3 to discuss their progress.

The activities that occur before and after formal lesson time are vast at the College. Having completed the Middle School Athletics Carnival and now preparing for the Senior School carnival, our Physical Education staff will be preparing our Interschool Athletics team for the September carnival. Our musicians and Arts Learning Area staff are preparing for the Music camp this weekend and the Arts Night next week. Our interschool sports teams are competing in a variety of sports during week nights. With the Catholic Performing Arts festival about to commence, our dancers, musicians and actors are fine tuning their creative God given talents. We have our Daedalus and Prometheus Clubs supporting our students in their academic pursuits. Our budding chemists practise titrations after school. There is so much happening at the College that provide our students with such an enriched learning environment. I would like to thank most sincerely our dedicated staff who give so willingly of their time, energy, expertise and concern. As parents / guardians you can continue to support our College staff in a number of ways; being prompt in the picking of your children after the event, contact with staff should your child(ren) be unavailable to participate in activities due to extenuating circumstances, ensure that you child is dressed in the correct uniform for the event, being aware of what the activity entails and thanking our staff.

This Sunday we celebrate the Feast of Corpus Christi or the Feast of the Body and Blood of Christ. This feast goes back to the 13th century, but it celebrates something far older; the institution of the Sacrament of Holy Communion at the Last Supper. The second reading from next Sunday's Mass is St Paul's letters to the Corinthians. This reading reminds us of our participation in the mission of service to one another and the importance of unity as Christian people. *Brothers and sisters: The cup of blessing that we bless, is it not a participation in the blood of Christ? The bread that we break, is it not a participation in the body of Christ? Because the loaf of bread is one, we, though many, are one body, for we all partake of the one loaf.* I hope our Lasallian community take the opportunity to celebrate this special Feast Day at their local parish.

ABORIGINAL EDUCATION

Sorry Day

On Thursday, 26 May a group of indigenous and non-indigenous students attended a National Sorry Day event organised by the 'Bringing them Home' committee at Wellington Square. Catholic school students from all over Perth were in attendance. It was an important event which commemorates the history of forcible removal of aboriginal children and its effect on everyone around them. It was also time for us to commit to moving forward and working together to ensure proper reconciliation. It was a great day had by all, with guest speakers like David Wirrpanda, dancers and loads of great activities.

University of New South Wales Winter School

We would like to offer congratulations to three of our students Clifford Sunfly (Year 12), Mikayla King (Year 12) and Jason Haji Ali (Year 10) who have been selected to participate in the University of New South Wales Winter School. The competitive week-long programme is specifically for Indigenous students in Years 10, 11 and 12 who are considering further studies beyond high school. The students will fly to Sydney during the last week of the term to experience what university life is all about, through participation in academic lectures and tutorials, presentations, study sessions, team building activities, cultural activities and more.

STUDENT PROFILE ZAC PARTINGTON

Recently one of our students Zac Partington was invited to Canberra to compete in the National U/17 development squad at the Australian Institute of Sport. Whilst in Canberra, Zac won a silver medal in the 3km *Road Walking* race. Zac competed extremely well and as a result achieved a place in the team going to Kuala Lumpur in July. We wish Zac all the very best in his endeavours.

Landgate images donated to the College

At the beginning of June La Salle students and staff were fortunate to meet with the CEO of Landgate, Mr Mike Bradford and other Landgate staff when they presented the College with five large aerial photographs. Three of the images are of remote Aboriginal communities, home to many of our boarding students including Balgo Hills, and two are large-scale photos from the Agency's unique "Earth is Art" series. The gifted images will provide tangible links for some of our boarding students while they are away from their home country. They will be displayed at both the boarding house and at the College, so they can be shared with the wider community.

Ride To Kalgoorlie Along The Golden Piple line

The thought of spending more time with their beloved mate, camping out under the stars and bonding with their 'best horse friend' is irresistible. So when the idea came about for a ride to Kalgoorlie along the Golden Pipeline four friends from the Wooroloo Pony Club jumped at the chance. For those children too young to take part, the girls have come up with the idea of a 'Trot-a-thon'. It is open to any Pony Club member over 14 Year and will take place from Sunday 1 Friday 14 October. For further information including costs, please contact either Kim King- kim.k@atpwa.com or Roz Bongers - srsh5@bigpond.com.
