STUDENT SUCCESSES

In the last week we have had some wonderful successes achieved by our students. Our 2012 musical, 'The Mikado' won the Dominican Sisters' Award for the most outstanding musical in this year's Performing Arts Festival - our first ever shield win for our bi-annual production. Additionally, Harrison McCoosh and Callum Moffat received the Dr Peter Tannock Award for the Secondary Instrumental Duet, similarly recording our first ever Music shield. My congratulations to Shellie Rodriguez (Learning Area Coordinator - The Arts), Christopher Milne (Director of Music) and all the Arts Staff for their incredible support of our students. I must also record my congratulations on behalf of the College community to all of our talented students who were involved in any way in this year's Catholic Performing Arts Festival. These great successes come on top of Danielle Betty's achievement in winning the 2012 Angelico Art Award.

The Year 8's from the La Salle Junior Football Club also recorded a rousing victory in their grand final against Eastern Hills on Sunday, winning 9:10 to 3:5. The passion and skill exhibited by the boys was a pleasure to watch. Coming after a premiership by the 17s last year, this win augurs well for the future of the Club. Thank you to Geoff Buck, President, and his Committee, for the tireless efforts that they put into the Club each season.

On Thursday our Show Band and De La J Dance Group were invited to perform at this year's Carnevale held in the Cultural precinct in Northbridge. This is an annual event showcasing the extraordinary talents of students in Catholic Education. Both groups performed extremely well, congratulations to our performers and to Chris Milne and Sarah McDonnell for their support of our students.

INTER-HOUSE DANCE COMPETITION

Our annual Inter-House Dance Competition will be held this Sunday at the Perth Concert Hall commencing at 7:00 pm. This is a great opportunity for each of our Houses to showcase the creative talents of their students. Additionally, our Music students will provide a number of support acts during the evening. Tickets will be available at the door at a discounted rate 2 tickets for \$15. I would encourage you to come along and enjoy this fabulous night of entertainment.

VISITOR TO LA SALLE

This week we have been delighted to have hosted Br Tony Cummins, a De La Salle Brother from Melbourne. Br Tony facilitated a workshop for our prospective 2013 SRC leaders and has run sessions as part of the Year 7 Reflection Days. We look forward to future visits by Br Tony and the ongoing support of the Brothers in furthering the Lasallian charism of the College.

ITALIAN TOUR

Our inaugural Italian Tour departs on Saturday 22 September for 4 wonderful and enriching weeks in Italy. A group of 11 students and two staff, Margherita De Filippi and Imma Pellone, will embark on a trip of a lifetime. The tour has two distinct segments - two weeks for the students to live with host families and attend school in an Italian school and then a fortnight touring around Italy taking in all of the major historical and cultural sights. I sincerely thank Rita and Imma for their detailed planning of the tour and wish all of the participant's safe travels.

SAFE TRAVELS FR LEONARD

We also farewell Fr Leonard who is leaving today for a four week Lasallian Pilgrimage to Europe, including visits to the Brothers Mother House in Rome, Paris and Reims in France where the Founder commenced his work to provide Christian and human education to young people. We wish Fr Leonard a very safe pilgrimage and we look forward to hearing of his experiences upon his return.

STAFF AND COMMUNITY UPDATES

Congratulations to Jessica Mance on the safe arrival of her son, Harrison David. We look forward to seeing Harrison and his proud mum in the coming weeks.

My sympathy and condolences are extended to the Coble family and especially Yvette on the sad passing of her mother recently.

We also received news this week of the death of former parent, Tracy Gath. My sincere sympathy is extended to the Gath family and in particular to Ben, Rachael and Madelaine on the passing of your mother.

THANK YOU

A team of senior students recently competed in the City to Surf Fun Run under the banner of La Salle Act Belong Commit. The students raised over \$800 for the 'Make-a-Wish' Foundation. They are planning further events including the Cancer Council's 'Relay for Life' and setting up a stall at the Ellenbrook Moonlight Markets. Well done!

YEAR 12 UPDATE

Year 12 students have been advised that they can now check their personal details, enrolments and WACE written examination timetables (from 19 September) online at <https://www.wace.wa.edu.au>. To log on, students will need their School Curriculum and Standards Authority (Curriculum Council) student number and other personal identification information. Year 12 students will also be able to use this address to access their results online from Monday 31 December 2012. Technical difficulties in accessing the information can be directed to the Authority at sirshelp@scsa.wa.edu.au or on 9273 6719 (during office hours).

Change of address information is to be communicated to me by a parent. Students can notify me about other inaccurate information.

Students have also been issued with information regarding applications for TISC and TrainingWA (TAFE). A reminder that the TISC application (for university bound students) is due on Friday 28 September 2012 and the TrainingWA (TAFE) application, for Round 1 offers closes on Friday 7 December 2012. Note, TrainingWA (TAFE) courses that require a folio as part of the application process close on Friday 19 October 2012.

I hope students make informed decisions. Contact Ms Huggins or myself if assistance is required in this process.

Mr Rino Randazzo
Vice Principal

EXTENDED LEAVE OF ABSENCE FROM SCHOOL ACTIVITIES - REMINDER

Parents and students are reminded that the 'Extended Leave of Absence from School Activities' green application form needs to be submitted at least one calendar month prior to intended absence from school. The College does not normally make arrangements for students to sit tests or examinations scheduled during their absence and students will receive no credit for assessments missed at this time. Please contact me if you have any queries.

STUDENT NOTEBOOK COMPUTERS 2013

The table below indicates the current strategy for the purchase/use of notebook computers at the College for 2013. This is a summary of information presented in a letter to parents in Delagram No. 8 (1 June 2012).

Year	Notebook Computer	Payment/Funding
7	The College purchases a new notebook.	Parents pay a monthly hire fee.
8	The student retains the current notebook.	Parents pay a monthly hire fee.
9	The student retains the current notebook.	NSSCF monies used for the hire fee.
10	The student retains the current notebook.	NSSCF monies used for purchase.
11	The student retains the current notebook.	NSSCF monies used for purchase.
12	The College provides a refurbished notebook (currently in computer trolleys).	NSSCF monies used for purchase.

NSSCF – stands for National Secondary Schools Computer Fund. This money has been supplied by the Federal Government to support a 1:1 computer programme for students in Years 9 to 12. The continuation of this funding is not guaranteed by the major political parties.

Please contact me if you have any further queries, by either phoning the College or sending an email to dba@lasalle.wa.edu.au

Year 12s

Year 12 students have had a very busy term, with most attending WACE revision seminars run by Hands on Tuition after school.

Students should all now be preparing for their Mock Exams by revising, doing past exams and organising their notes. ECU is holding some free WACE seminars in the first week of the holidays to help students with their revision. Details are below:

ECU – FREE WACE Revision Sessions

English, Science and Maths Revision Sessions for Year 12 Students

When: Monday, 1 to Friday, 5 October

Where: ECU Mount Lawley and Joondalup Campus

You must register for the sessions.

Now is the time to be applying for scholarships – students with predicted ATARS of 90+ should be applying. Most forms are available online using the following links:

FOOTY COLOURS DAY & YEAR 12 FOOTBALL MATCH

On the last day of this term, Friday 28 September, the Year 12 Students will play their annual 'Beauty vs The Beasts' football match where the girls will compete against the boys on the front oval during lunchtime. Normal classes will run throughout the day, however, students will be encouraged to watch the match at lunchtime.

To get into the spirit of the day and the coming AFL Grand Final, we are encouraging students to show support for their favourite footy team. Students can wear their College uniform with their footy scarf, jersey and team beanie to show support for their team. Also, students are asked to give a gold coin donation, which will go towards supporting a Lasallian school in Pakistan.

So get your footy jerseys, scarves and beanies ready for the day!

RU OK DAY – 13 SEPTEMBER

R U OK Day is a national day of action, held on the second Thursday of September (13 September 2012). It is dedicated to inspiring all people of all backgrounds to regularly ask each other 'Are you ok?' The R U OK? Foundation aims to prevent isolation by empowering people to support each other through life's ups and downs through quality conversations. <http://www.ruokday.com/>

STAYING HEALTHY SERIES PART 3

Modern life is hectic. Sometimes we rarely have time to stop. Stress is the human body's way of dealing with pressure. Stress, in small doses can be a positive thing. It can make us strive for results during competitive or demanding situations. However prolonged, chronic stress can be detrimental to our physical, emotional and social wellbeing. In order to keep calm and carry on...Here are some tips on managing stress and staying cool, calm and contented.

-  **Be kind to yourself.** Take some time out. Light a candle, take a long bath, go for a walk, get a massage, say a prayer and do some meditation, relaxation or breathing exercises.
-  **Prioritise.** What is really important?
-  **Make time for family and friends.** They are your support networks.
-  **Plan.** If there is a situation which you know will cause you some stress or anxiety plan ahead.
-  **Talk Sense to yourself.** Stay positive, don't engage in 'unhelpful thinking', like **things will never get better, I can't do this.** Instead say **I'm ok. I can do this. I will look for solutions. I will ask for help.** Keep a list of affirmations handy.
-  **Talk.** Talk with your friends and family. Let them know how you are feeling. It is ok to ask for help.
-  **Allocate time.** Make time for activities that you enjoy.
-  **Laugh.** Laughing increases good brain chemicals...and works out your abs! Even if you don't feel like laughing do it. You will soon feel better.
-  **Say no.** Be assertive in your communications. If you really can't take more things on then don't!
-  **Work smarter not harder.** Good time management means quality work rather than quantity. Get a work-life balance that suits you. Working smarter means prioritising your work, concentrating on the tasks that will make a real difference to your work. Leave the least important tasks to last, accept that there will always be more to do the next day.
-  **Accept the things you cannot change.** Worrying about the immutable is not beneficial. If it cannot be changed why worry? Focus on the things that you can change. On the things that **YOU** have control over.

'ON THE JOB' LEARNING EXPERIENCE

Year 11 Applied Information Technology students recently toured the Australian Broadcasting Corporation's East Perth Studios. The excursion formed part of their studies on the impact and role of information communication technologies (ICTs). The ABC Studios tour provided an opportunity to focus on the broadcasting industry. Feedback from the students confirmed the value of seeing firsthand the use and management of ICTs in the workplace, and the range of jobs undertaken at the ABC Studios. Students were able to spend time with various employees who spoke about the tasks and duties they undertake as part of

their role, and how technology plays an important part in producing a radio or television programme or a five minute film teaser trailer. The students and teachers would like to sincerely thank Ellen, our Tour Guide, and the staff of the ABC Studios for their generous time and the positive learning experience gained from this excursion.

NATIONAL SCIENCE WEEK

In Week 4 this term, students and staff celebrated National Science Week. On the Monday, students realised that some dirt did taste good, when Nicola Anderson demonstrated different aspects of Earth Science using tasty treats. Students ate Pumice rock made of honeycomb, and different geographical layers of Rocky Road. On Tuesday students were shown many delightful chemistry demonstrations by Kylie Paskov and our laboratory ladies, Sonia Fairbairn and Kristen Dass. Students exploded hydrogen balloons and saw ice catch fire! Wednesday was a simple treat from Neal Collins, as students sat back and watched rocket launches from the front oval. Thursday was a busy day, with David White making some jelly babies explode and every other science teacher watched a lot of humpty dumpty splats as students dropped eggs from the 3rd story balcony with the hopes that their parachutes would work. On Friday to top it all off, students got to explore the accuracy of their everyday physics, when they were getting some target practice on some very unusual looking photos of their science teachers using nerf guns. Thanks to all staff and students who were involved in all our Science Week activities.

APEX TEENAGE FASHION AWARDS

Fashion students have been busy designing and producing garments from the beginning of the year to enter the annual APEX fashion competition. The heats were held over the weekend of 1 and 2 September and out of the five garments entered, three of the entrants made it through to the state final which will be held at the Hyatt on Sunday 23 September which will showcase garments made from all over WA. Students going through to the state finals include Lucy Mitchell's hand beaded Grecian inspired formal wear dress, Courtney-Jane Hanson's Society and the Environment garment which features hundreds of hand sewn Nespresso coffee pods and Tara Duane's elegant chiffon pleated blouse with cream cotton pants. Their technical workmanship and creativity make them well deserving to go through to the finals. Congratulations girls and good luck.

YEAR 11 HISTORY EXCURSION

On 30 August, Ms O'Donnell's Year 11 History class visited the Holocaust Institute in Yokine. The excursion was to assist with our study of Nazi Germany. We were taken through a presentation on Germany during the Nazi regime. The presentation opened up our eyes to the severe degree of persecution the Jewish people faced because of the Nazis. Our final and, unquestionably the most touching presentation of the day, was hearing from a Jewish man who grew up in Amsterdam. He was raised during the Nazi regime and was taken

away from his parents and siblings to be placed in hiding. Hearing from Hank first hand was so real and I think we all found it incredibly emotional. His heart-felt recount of how he would have to hide in the wheat fields as the Nazis would search his foster house for Jewish children made us second guess the things we complain about today. Not once during his story did Hank present a 'poor me' persona, this was very admirable, as the things he went through are unimaginable to somebody living in society today. To me, Hank is a real hero and the fact that he stands today with his head held high and his optimistic attitude towards life makes me think that anything is possible.

AFRICAN CONSERVATION EXPERIENCE

African Conservation Experience (ACE) has been sending volunteers to Africa, to work with wildlife, for over a decade and is the original, most experienced organisation for conservation placements in Southern Africa. They organise placements on a variety of wildlife conservation projects in Southern Africa and continue to experience a steady increase in demand for work experience opportunities from gap year students in Australia. The projects involve wildlife monitoring and management, animal care and rehabilitation, wildlife veterinary as well as community projects. They also offer game ranger and tracking courses. Volunteering with ACE includes the chance to work on game and nature reserves alongside conservationists, zoologists, wildlife vets, game rangers and reserve managers. For those students interested in a Gap Year experience, there is a large amount of information on the website: www.ConservationAfrica.net

TAX FILE NUMBERS

As a courtesy service to our students, La Salle is a member of the ATO's School Tax File Number Programme. This enables students in all year groups to apply for a Tax File Number (TFN) on an abbreviated form, with no need for copies of official documents such as birth certificates, passports and the like through La Salle. All students in Year 9 are provided with the opportunity to apply for a TFN in their CDT classes in Term 1 each year. This service is exactly that – a courtesy. With the growing number of students at La Salle, the administration of the programme has become quite intensive. It should be noted that once we post applications to the ATO, the Privacy Act then prevents anyone other than the student (including a parent) to enquire as to its progress. As a result, we would ask all families to note the following:

- TFN forms will be sent to the ATO at the start of each calendar month only. It takes 28 days for the ATO to process the form and issue the student with a TFN.
- Students who require a TFN quickly and cannot wait until the end of the month, plus an additional 28 days, are advised to apply for a TFN using the form at the Post Office; not through the school.
- Whilst all due care is taken with the handling of TFN Application forms, La Salle College does not keep a record of forms received and cannot be held responsible for forms the ATO does not receive.

Students can come to the Careers and Transitions Centre in the SLC to collect and return TFN Application forms during recess or lunch breaks at any time.

Please refer to the Careers Knowledge Bank in SIMON.

COMMITMENT TO EXCELLENCE

GOOD LUCK COURTNEY-JANE!

The best of luck to Year 11 student, Courtney-Jane Hanson who is headed to Adelaide on 22 September to compete in an Irish Dancing competition!

VET SUCCESS

Congratulations to Year 12 student, Caitlin McCracken. Caitlin represented WA in Sydney last week, competing in the National Finals of the WorldSkills VET in Schools Competition in the area of Tourism. She was competing against students from other Australian States and the competition was over three very long days. Caitlin was required to complete usual tasks required of a travel agent and tour guide in a real work setting. She was given three days' worth of work in a brief and was asked to prioritise her time and spend three full working days to ensure she completed all tasks accurately and efficiently. Caitlin worked many hours after school to prepare for the competition and was very fortunate to be mentored by Ms Dot Wilson from Hospitality Group Training (HGT) to assist with her preparation. We are very proud to announce that at the end of the competition, Caitlin placed third and was awarded the bronze medal. Well done, Caitlin!

SPORTS

LA SALLE JFC YEAR 8 PREMIERS

A big congratulations to our Year 8 team who became premiers on Sunday morning in their district grand final against Eastern Hills. In perfect conditions for footy, the team burst into life after quarter time to record a comprehensive win. The boys did it the hard way in coming through the elimination final stage and their improvement across the season has been remarkable. Aidan Shortall received the match ball after being judged best on ground.

SSWA JUNIOR BASKETBALL FINALS DAY

Our top junior team qualified for this event after finishing runner up in the local zone carnival, and ventured to the State Basketball Stadium on Tuesday. They found the going tough against the best metropolitan schools but have the talent to form a decent senior team in years to come.

ACC ATHLETICS CARNIVAL

We wish our team the best for the big day on Thursday in the B division carnival. The top divisions of athletics always feature some strong sporting schools and it is always a good measure. Our squad fine-tuned their preparations with a training day at Ern Clark Athletics Centre on Wednesday and look well placed to compete well. Parents and spectators are more than welcome at the State Athletics Centre next Thursday. The ACC will be updating results live to their website during the day. Log on to www.accsport.asn.au/carnivals/athletics/athletics-results to follow the action.

YEAR 7 FOOTBALL

The disjointed season for our Year 7 footballers finally produced another game. After the ACC Dockers Shield we have been hit by two forfeits and a postponement. We finally played Mazenod in a dour affair on our muddy oval last week. After struggling until half time, our boys played some impressive footy in the second half to go down by three goals. Our boys deserve real acknowledgement for their attitude through such a frustrating time.

Mr Ben Dyer
Sport Coordinator

The ARTS

THE MIKADO

To celebrate our winning of the musical section for Catholic Performing Arts, the orchestra, cast, crew and all parent helpers involved in the production are invited to attend a special screening next Thursday 20 September in the Nicolas Barre Auditorium from 3:15 – 6:00 pm. The event will also include a viewing of a documentary about the making of *The Mikado* by former student and Arts Captain 2010 Aaron Vanderkley. This is a perfect opportunity for the school Arts community to celebrate together and we look forward to seeing all who were involved there.

Mrs Shellie Rodriguez
Learning Area Coordinator – The Arts

LA SALLE COLLEGE FRIENDS OF MUSIC

La Salle's Friends of Music Committee is working hard to provide support and promote the music programme at La Salle. The Music Programme is continuing to grow with students having wonderful opportunities to learn music and perform in their chosen areas.

The La Salle Friends of Music would like to offer a fantastic opportunity to purchase some quality wines from the South West region at a great price in time for Christmas festivities. Money raised will go towards supporting the music programme in purchasing and maintaining equipment and instruments and the various activities that the students participate in.

The wine on offer is Mad Bay wine from WA – this is the UK label for Madfish and Howard Park Wines. You will know these wines are popular and they are wines you can enjoy with confidence.

Please note the attachment to the Delagram with the order form and tasting notes. Feel free to copy or forward the order form to other friends and family members also.

The company requests that we do not split cases of wine, however, encourage you to purchase with friends and mix your own cases if you would like a variety.

As a special pre-Christmas offer, Mad Bay are offering a free 6 case of wine when 3 or more cases are purchased.

Please provide your completed orders with cheque/credit card details to the Music Office, or email completed orders with credit card details to the name provided on the form. Orders Close on Friday 26 October. **Thank you for your support of the music programme and the music students at La Salle!**

ADVANCEDLIFE PHOTOGRAPHY

La Salle College Music is holding a Family Portrait Fundraising Day on Saturday 10 November. Receive a 10 x 13" framed family portrait photograph plus a family portrait key ring for just \$20. All proceeds will go to College Music. Please contact the Family Portrait Fundraising Coordinator, Helen at the College by phone to arrange your preferred sitting time.
