WELCOME TO TERM 4

As I write this piece I have noticed that the calendar shows that it is the 25 October – two months until Christmas Day! In next to no time it will be 2013. With so little time left this year I urge all of our students to remain focussed and work consistently towards their final examinations.

The start of this term marks the departure of our Year 12 students. At a very moving and symbolic Final Mass and Graduation ceremony, the Class of 2012 was farewelled by the College community. Thank you to Fathers Leonard (College Chaplain), Adam (Parish Priest of St Anthony's in Greenmount), Chris (Parish Priest of St Brigid's in Midland) and Fr Francis (Parish Priest of Holy Cross in Ellenbrook). We continue to ask God's blessings on these students and pray that they will be imbued with wisdom and good judgement. We also wish all students who are sitting their WACE the very best of luck for these critical final exams.

I would like to acknowledge our Year 12 Coordinator, Donna Alder, for her superb organisation and leadership of the Class of 2012. Her care, commitment and genuine concern for her students have been remarkable. She has expertly organised events throughout the year, culminating in this week's memorable celebrations.

ITALIAN TOUR

We welcomed back this week the students and staff who were involved in our Italian Exchange and Tour. Diligently led by Rita De Filippi and Imma Pellone, our students were exposed to a wonderful two week exchange with an Italian family while attending school. The final two weeks of the tour saw the students travel all around Italy, including visits to Rome, Venice and Florence. Congratulations to all students on your impeccable behaviour and for the wonderful manner in which you represented our College. Thank you to Rita and Imma on your organisation of the tour and for your care of our students.

OUTDOOR EDUCATION CAMP

Last week our Year 10 Outdoor Education students participated in their annual camp to the south-west of WA. The camp's programme was designed to provide the students with the opportunity to put into practise the skills which they have been developing during their course from the beginning of the year. Thank you to the Physical Education staff for their expert organisation of the camp and for the support of our campers.

YEAR 11 CRUISE

The social event of the year for our Year 11 students was held last Friday evening. The annual river cruise allows our students to dress up for the evening, enjoy each other's company and relax before the commencement of the final Year 11 examinations. From all reports the students' behaviour was impeccable. My thanks are extended to Tanya Manning, our Year 11 Coordinator, for her organisation of the evening.

WELCOME BACK AND CONGRATULATIONS TO FR LEONARD

Our Chaplain, Fr Leonard, has returned safely from his Lasallian pilgrimage in the footsteps of the Founder, St John Baptist de la Salle. The tour included time with the De La Salle Brothers mother house in Rome where Fr Leonard celebrated Mass in the Brothers' Chapel. He also prayed before the reliquary of the Founder which holds the mortal remains of St John Baptist de La Salle. Fr Leonard also visited the birthplace of St de La Salle in Reims, France.

Congratulations are also extended to Fr Leonard on being awarded a Meritorious Award by the Association of Religious Educators of Australia for his wonderful service to La Salle as Chaplain. Well done, Fr Leonard.

PRESENTATION EVENING

As previously advised, the College's Presentation Evening will be held on Sunday 9 December. This is a compulsory event for all students and is a condition of enrolment at the College. Ticket order forms have already been sent to the parents of Year 12 parents. Letters to all other parents, outlining requirements for the evening and a ticket order form, will be posted out next week.

PRAYER.

conversations with God

“Be sure to teach the families to pray all together – father, mother, and children. For the family that prays together stays together, and if they stay together they will love one another as Jesus loves each one of them...I will be praying that the Lord will bring peace into the world through the love of fathers for their families...” ~ Mother Teresa

COMMITMENT TO EXCELLENCE

CONGRATULATIONS JESSICA!

Congratulations to Year 7 student, Jessica Pemberton on competing at the National Ballroom Dancing competition in Sydney where she placed first twice as well as some other places. Congratulations Jessica on such fine results!

FANTASTIC EFFORT JAXON!

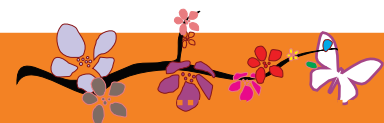

A fantastic effort by Year 11 student, Jaxon Bernard who over the October holidays attended a 'Flying Camp' through the AAFC in Cunderdin. He passed his exams and took flying lessons and achieved his 'Solo Pilot Licence!' Jaxon would like to pursue a career in flying after he completes Year 12. Congratulations Jaxon!

RELATIONSHIPS AUSTRALIA PROGRAMMES

Virtues Parenting Programme - 30 October x 6 weeks \$110. This six-week course is for parents, teachers and anyone else with responsibility for children. The five strategies highlighted in this course are designed to enhance moral growth. Part of the Living Values Programme, it has already been introduced in schools in Australia and overseas. For further information please phone 9489 6322.

Making Stepfamilies Work - 31 October x 6 weeks \$75 per person, \$120 per couple. There are crucial differences between biological relationships and step relationships. Expectations and misunderstandings are responsible for much of the distress that members of a stepfamily can experience. Stepfamily couples who attend this 6 session course gain understanding, knowledge and skills to help them work together in the building of a healthy and nurturing stepfamily. For further information please phone 9489 6322.

PARENTS STUDENTS

MERCYCARE FOSTERING SERVICES PROGRAMME

MercyCare, (originally St Joseph's Orphanage) in Wembley is currently recruiting foster carers who can provide nurturing, consistent care in their own homes for children who are unable to live with their families.

Ages of children requiring care ranges from babies through to teenagers. MercyCare are seeking people able to offer medium to long term care and also those able to offer regular weekend or monthly care. Foster carers may be single adults or married couples, with or without children. If you would like further information, please contact MercyCare: fosteringervices@mercyare.com.au or phone 9442 3444.

RELIGIOUS EDUCATION UPDATE

Term 4 already! It is hard to believe that we are almost at the end of October! We welcome our students back, ready and refreshed to tackle the final term with enthusiasm. Years 7 - 9 Religious Education classes are all examining units of

work based on sexuality, namely, 'Lord of Life, 'Growing in the Image of God' and 'Christian Love and Sexuality'. Parents of Year 7 students should have received a note from their child's Religious Education Teacher, outlining the content of this term's work. This parent letter is also available for your viewing on 'Simon'.

October: Month of the Rosary

By tradition, the Catholic Church dedicates each month of the year to a certain devotion. The month of October is dedicated to the Holy Rosary, one of the best known of all Catholic devotions. October includes the Feast of Our Lady of the Rosary (7 October). The best way to celebrate the month is, of course, to pray the Rosary.

Pope John Paul II called the Rosary his favourite prayer, in which we meditate with Mary upon the mysteries which she as a mother meditated on in her heart.

This week is also Anti-Poverty week. We reflect on the presence of poverty in God's world. Let us pray that those who are better off may share the many gifts they have been given.

'Generous God, your Son showed great concern for the poor and needy. Help us to be on the side of the poor and to be with them as they Struggle for their rights.'

We ask this through Christ our Lord. Amen.

GARDEN SHEDS FOR SALE

The Year 12 Construction Class has made 4 garden sheds. They have an internal space of 1.8 m x 2.1 m with a 2.1 - 2.4 m height. They are timber frame with zincalume cladding and roofing. They will flat pack for transport. These are for sale at \$600 each. This is below the cost of materials and about half of the retail price of an equivalent shed. Please see me for more details or to purchase.

ASPIRE UWA – RACE AROUND CAMPUS

La Salle College has been part of the **Aspire UWA** programme for the last three years and it has been very successful for our students. **Aspire UWA** aims to engage secondary school students, from an early stage of their schooling, to consider the benefits and opportunities of higher education.

One of the programme's initiatives, held on Friday 28 September was the **'Race around Campus'** competition. Twenty aspiring Year 9 students were chosen by their teachers to participate in this fun and practical competition which allowed the students to see and experience many of the different faculties at UWA.

Our students took part in a linguistics workshop, explored surveys using Quizdom software, solved an Engineering challenge, set and plastered broken fingers and used business software to maximise various investments. The day involved various activities, the results of which were recorded. La Salle students achieved the highest score and won the competition, each winning a small prize.

The day was enjoyed all by students and staff, and the students are to be commended on their excellent behaviour and participation.

Academic Excellence Coordinator

YEAR 10 DINNER DANCE

The Year 10 Dinner Dance will be held at Mulberry on Swan on Friday 16 November commencing at 7:00 pm and ends at 10:30 pm to celebrate the end of Year 10 and to say goodbye to any students leaving the College. This event is to celebrate the year in a semi-formal occasion which will include a buffet dinner and dancing. The dress

will be semi-formal and students will be expected to adhere to the dress code. Tickets to the Dinner Dance will cost \$55 which will cover the dinner, a fruit punch on arrival, a DJ and photography. A permission letter will be distributed soon which will include further details and a reply slip.

PROMOTING COMMUNITY NETWORKING

Year 11 Applied Information Technology students have been involved in a number of community-based tasks as part of their Unit 1D course. Mrs Joanna Fazzalari, Community Development Support Officer for the City of Swan, spoke to students in Term 3 about the City of Swan's commitment to community involvement and the importance of networking within the community. The students sincerely thank Mrs Fazzalari for her informative presentation.

Students entered the Newspapers in Education 'Design an Ad' Competition, aimed at communicating a message to the community. Two thousand entries from West Australian school students were submitted and winners were acknowledged this week. Mitchell Panicciari received one of two prizes in the RAC-Secondary Division of the competition. His advertisement was targeted at young people who are purchasing their first car, and focused on the importance of buying a safe vehicle. Mr Wayne Houden from the RAC's Community Education team explained to the audience that Mitchell's message was exactly the information the RAC wanted to communicate to young people.

Students are hard at work on their final task, which will see them promote and deliver either a recycling service or an ICT skills-based workshop to the College community. Your support will be greatly appreciated. Look for the students' promotional campaigns in this edition of the Delagram as they promote the recycling of aluminium cans, mobile phones, and plastic containers in Week 3. There is also a workshop being held on 1 November for older members of the College community interested in learning how to use email and search the Internet. The students are to be commended on their outstanding efforts and commitment to excellence.

SPORTS

TERM 4 SPORT JUNIOR CRICKET

Training begins shortly for the Milo T20 Blast School Cup on Thursday 22 November. This competition features students in Years 7 - 9 and uses a Super 8s format. Training will be in the College nets beginning next Tuesday and continue for the next month.

JUNIOR BASEBALL

Our baseballers will represent the College at the SSWA competition on Wednesday 14 November at the Wanneroo Baseball Club. Training begins next week at Ron Jose Oval, Midvale, on Monday.

SWIM TRIALS

Students in Years 7 - 9 will complete trials for next year's Inter-House Swimming Carnival during Physical Education classes from week 5 onwards. The College pool will be open on Wednesday afternoons after school until 4:00 pm (beginning Wednesday 7 November and concluding Wednesday 28 November) for any students wishing to practice. Data from these trials will be used to select House teams for our carnival early next year.

ACC ATHLETICS REPRESENTATIVE TEAM SELECTED

Our congratulations go to the following students who were selected in this team after last term's ACC Carnival. Following all carnivals (A - G divisions), the ACC combines all results and selects a team which in essence reflects the best of the best. Given the number of carnivals and athletes involved across all ACC schools, selection in this team is a meritorious achievement.

EX-STUDENT MATT BURTON EXCELS IN IRONMAN WORLD CHAMPIONSHIP

Congratulations to 2005 College Head Boy Matthew Burton on his outstanding performance at the recent Ironman World Championship in Hawaii. Matt's improvement in the sport has been amazing in recent years and culminated in him finishing 30th overall and a clear winner of his age division in the gruelling event. His time of just over nine hours for the 3.8 km swim, 180 km bike, and 42 km run was exceptional and he just continues to get better. In a sport that gets little exposure or media coverage, Matt's performance confirms his standing as an elite athlete by any measure.

YEAR 10 OUTDOOR EDUCATION CAMP – MARGARET RIVER

On Tuesday 16 October, the Year 10 Outdoor Education group commenced their five hour journey to Whamcliffe Mill. It was a restless journey of constant excitement about the days ahead, we couldn't think of anything else. Once we arrived and had set up our tents, we headed off to do our first activity, bush navigation. We all had a go at leading the group and got to Dingo Cave which was 5 km away. That night we explored our first cave which was Golgotha; it was a scary but exciting experience.

The next morning we got up bright and early to make our way to Wilyabrup Cliffs where we spent all day doing activities including rock-climbing and abseiling down cliff faces of different heights, one of them including the 50m stainless-steel abseil where everyone's comfort zones were challenged.

On the second day, we went to Brides Cave and Giants Cave. First, we abseiled into Brides Cave and then had to climb a caving ladder to get back to the top, this was a challenge for most of us. After that, we headed to Giants Cave and made our way through many different obstacles.

The next day was our last day at Margaret River which was sad for all of us. We didn't want this to end, we had such an amazing time and some great experiences, and we had made new bonds with new people and had loads of stories to share with everyone.

A big thank you to the school staff and the Adventure Out staff who were a big help as we pushed our boundaries, we couldn't have done it without you.

STUDENT, PARENTS & TEACHERS

Do you use a social media site to communicate? Did you know you can avoid oversharing your personal information and stop social media sites like Facebook gathering information about your online searches?

Avoid oversharing personal information

Facebook, a business organisation out to make a profit for its shareholders, saw its advertising revenue this year (\$US 992 million) up 28% from the previous year. Its primary aim is to gather information and every time you click 'like' Facebook discovers some more of your personal information. Avoid oversharing information; disable your name from appearing next to advertisements. How? Check out CNET's 'Remove your name from Facebook social ads' @ http://howto.cnet.com/8301-11310_39-57475395-285/remove-your-name-from-facebook-social-ads/.

Avoid continued monitoring

I've logged off Facebook so they can't gather any more information about me. Wrong! Facebook can continue to monitor your Internet activity if you use 'Facebook Connect' or other social plug-ins. Facebook can set up a cookie to continue to gather information about your online activities. Impact of online filter bubbles

Currently you have no control over what information is displayed on your browser or what advertising is displayed on your social media page. This personalised tailoring of information and advertisements is because what you see online is 'filtered'. THE ARTS

MUSIC NIGHT

This year, La Salle College held its inaugural Music Night in the Patricia Rodrigues Centre on 26 September. All College music ensembles performed, providing talented and exciting entertainment for the evening. A great mix of acts from the College Concert Band, College Choir, Year 8 Band, Year 7 Band, Guitar Ensemble, String Ensemble, Brass Ensemble, Percussion Ensemble, Flute Ensemble, Junior and Senior Saxophone Ensembles, De La Dolce, and the College Show Band saw on the night over 180 students performing. The rise of striving talent and hard work from students in Years 7 - 12 were showcased throughout the concert, thanks to the organisation, leadership and direction from our Director of Music, Mr Christopher Milne, Choir Director, Ms Amy Webb and Music Tutors at the College. Thank you to members of the Friends of La Salle College Music who helped and organised the raffle prizes and food sales at interval. The night was a great success, raising over \$3 500 for numerous projects such as the Singapore tour next April.

FEEDER SCHOOLS COLLEGE CONCERT BAND TOUR

On Monday 23 October, over 60 students from the College Concert Band loaded the buses and trailers and set off to perform 3 concerts at 3 local primary schools in one day. Students from Sacred Heart, St Anthony's and St Brigid's were entertained by the Concert Band and the Show Band and were given a demonstration of all the instruments within a Concert Band. Students thoroughly enjoyed themselves (Primary and Secondary alike) and one lucky student from each school was even given the opportunity to become a Maestro for a day and become the conductor of the band.

FRIENDS OF MUSIC

The Friends of Music Committee are still taking orders for both their Wine and Family Portrait fundraisers but time is running out! Please fill in the attached order forms and return to the College ASAP.

EMPLOYME AUSTRALIA

EmployMeAustralia.com.au is a revolutionary new online employment service that will help students find part-time and casual jobs. EmployMe allows people looking for employment to create their own profiles and post to the website, adding photos, videos and a profile, so employers can actually see the job seeker, and in some cases especially part-time and casual positions the employer will be able to employ directly through the website.

EmployMe job seekers will also receive tips and advice on everything from interview techniques, to perfecting their own resumes, and advice from Australia's top employers. EmployMe is also a completely **free** service for the job seeker. It's simple, fun and easy to use and will take a lot of the hassle out of finding work. No employer can contact a job seeker without having undergone the proper company security checks.

The population period runs for six weeks from 1 October 2012, with a launch to employers in mid-November, as employers are looking for staff over Christmas.
