FEAST OF THE ASSUMPTION

On Thursday 15 August the whole College came together to celebrate the Feast of the Assumption. This Holy Day of Obligation commemorates the death of Mary and her bodily assumption into Heaven. On this day we remember the Blessed Virgin's passing into eternal life marking this as the most important of all Marian feasts. Thank you to Fr Leonard for celebrating Mass with us, Jenny Waller, our Liturgy Coordinator for her organisation of the Mass, and readers, choir, musicians, liturgical dancers and special ministers of the Eucharist for their contribution to this beautiful liturgy.

\$2 MILLION TRADE TRAINING CENTRE FUNDING ANNOUNCEMENT

On Wednesday 14 August, Senator Jacinta Collins, the Federal Minister for Mental Health and Ageing, and the Deputy Leader of the Government in the Senate, visited La Salle College to announce that we have been successful in securing funding for our new trade training centre. The Australian Government will be making a contribution of over \$2 million towards this project enabling us to commence work on the new centre before the end of this year. The balance of the funds required from the College will be accessed from College reserves and a specific loan for the project.

This new development will place the College at the forefront of training in areas such as metal fabrication, design and technology. The opportunities and learning that will be provided to our students will enable them to be fully prepared for an ever changing employment market where flexibility of skills and expertise in the use of technology are highly valued.

La Salle has partnered with St Joseph's College, Northam in developing this state of the art trade training facility. Rino Randazzo, Nicole Huggins, John Velardo and the Technology and Enterprise staff developed a very strong application for funding. Supported by consultants in the Catholic Education Office, the fruits of their hard work were evidenced in this very exciting announcement.

I look forward to providing you with regular updates on this project.

CONSECUTIVE WINS IN ANGELICO ART EXHIBITION

For the second consecutive year our Art students have won first prize in the prestigious Angelico Art Exhibition. Students from all Catholic Colleges from around the state are able to submit art work for this annual art exhibition. This year a group entry from Year 9 students of Visual Pun Sculptures took out the major award from 3 dimensional work for students in Years 7 to 10.

Congratulations to these very talented young artists: 'Jelly Fish' - Kaitlyn Markham, 'Power Plant' - Chelsea Seale, 'Cup Cake' - Kyra O'Connor, 'Fruit Cups' - Huyen Tran, 'Summer Salt' - Olivia Spraggs, 'Clown Fish' - Hannah Ries, 'World Peas' - Abigail Campbell, 'Crab Apple' - Madeleine Whyte and their teachers, especially Grace Slaven and Melissa Aurisch.

CATHOLIC PERFORMING ARTS FESTIVAL

The month of August is dominated by the Catholic Performing Arts Festival. Thousands of students from Catholic schools and Colleges compete in a huge range of events, representing themselves and their schools in activities including dance, drama and music. Our students are exceptionally well represented and are consistently receiving Honourable Mentions and Merit Awards for their performances. A full summary of our results will be published at the end of the Festival.

BOARDERS' LONG WEEKEND AND CATHOLIC STAFF DAY

Next Friday 23 August, as part of the Boarders' midterm break, all College staff will be involved in a professional development day with staff from Mercy College. No classes will be held on this day, with the exception of some trial exams for Year 12 WACE students.

Monday 26 August is the College's Catholic Staff Day. All Catholic school staff around WA receive a day's holiday in recognition for their ongoing efforts in contributing to the creation of rich and diverse opportunities for our students. Individual Catholic schools may choose to take this day when it is most convenient.

In line with the published dates in the College calendar, and to allow an extra-long break for both day and boarding students, we have our Catholic staff day on 26 August. Both the school and College Office will be closed. With the Boarders' long weekend on Friday 23 August this allows students a four day mid-term break – a chance to get over winter colds and flus and recharge for the last term and a half of the year.

YEAR 11 RETREATS

Last week all of our Year 11 students participated in our very special retreat programme. This is an annual event for our senior students which allows participants to have some time away from the routine of school and home to reflect on their relationship with God and others. It is also a very spiritual time where students are asked to examine their own life journey and the part that God has played in shaping and forming their lives.

Nearly 20 staff members willingly gave up their time to spend with our Year 11 students, taking opportunities to share and reflect with our students. I would like to record my thanks to all of these staff, and especially to Adrian Martino, Natalie Calleja and Brendan Bomford for their leadership of the three retreats.

NETBALL FINALS

At the time of writing this article our junior and senior netball teams are competing in the Elimination Day for School Sports Western Australia. This is a very high level competition and the girls have played exceptionally well to make it to this stage of the competition. Good luck to our teams and their coaches. Results will be published in our next Delagram.

MASS AND FATHER'S DAY BREAKFAST

On Friday 30 August we will celebrate our annual Mass and Father's Day Breakfast. A flyer is attached with more information. I invite all of our fathers and grandfathers who are able, to join us to acknowledge and give thanks for the important role that they play in the lives of their children and grandchildren.

St John Baptist de La Salle

Pray for us

Live Jesus in our hearts

Forever

Mr Wayne Bull

Principal

FROM THE SENIOR LEADERSHIP TEAM

YEAR 12 UPDATE

Information has been distributed to Year 12 students who are considering university studies in 2014. Students considering one of the 4 Western Australian public universities apply through the Tertiary Institutions Service Centre (TISC). Students wishing to consider 2014 studies at Notre Dame University apply using the Notre Dame prospectus. The TISC application is due on Friday 27 September 2013.

Shortly we will receive information regarding TrainingWA (TAFE) applications.

I hope students make informed decisions. Please contact Ms Huggins or myself if assistance is required in this process.

2014 COURSE SELECTIONS

Students in Years 7, 8, 9, 10 and 11 are currently in the process of making serious decisions regarding course choices for 2014.

- ∞ **Year 7** students have been asked to select elective subjects for Year 8 2014. Their form must be returned to Ms Foster by **Thursday 29 August**.
- ∞ **Year 8** students have been asked to select elective subjects for Year 9 2014. Their form must be returned to Mr Bomford by **Thursday 29 August**.
- ∞ **Year 9** students have been asked to select courses for Year 10 2014 using the online system 'Subject Selection Online'. The closing date is **Friday 16 August**. A hardcopy of their selections is also required to be forwarded to Ms Murphy.
- ∞ **Year 10** students are currently meeting with their course advisor and must have their 2014 courses input on 'Subject Selection Online' by **Thursday 22 August**. A hardcopy of their selections is also required to be forwarded to their course advisor.
- ∞ **Year 11** students are also selecting their 2014 courses using 'Subject Selection Online'. The closing date is **Thursday 29 August** and a hardcopy of their selections is also required to be forwarded to Ms Coble.

Students requiring assistance or who have queries regarding a particular subject are welcome to contact the relevant subject teacher, Learning Area Coordinator, Deputy Principal, Careers Advisor or myself.

The presentations from the parent information sessions are available from the College's website: www.lasalle.wa.edu.au at the 'Parent Resources' section.

The following websites, particularly for Year 10 and 11 students, may assist in making decisions:

University of Notre Dame	www.nd.edu.au
University of Western Australia	www.uwa.edu.au
Curtin University of Technology	www.curtin.edu.au
Murdoch University	www.murdoch.edu.au
Edith Cowan University	www.ecu.edu.au
TAFE	www.trainingwa.wa.gov.au/trainingwa/detcms/portal
Tertiary Institutions Service Centre (TISC)	www.tisc.edu.au – <i>provides university cut-off Australian Tertiary Admission Ranks (ATAR)</i>

Mr Rino Randazzo
Vice Principal

FROM THE SENIOR LEADERSHIP TEAM

YEAR 11 RETREAT

A huge thank you to the 185 students and 18 staff who attended the Year 11 Retreat at Ern Halliday, Fairbridge and Woodman Point last week. Students are to be congratulated on the way in which they participated in all activities.

Some student comments from evaluation forms:

“I was unsure in the beginning, but really got into it!”

“I loved it a lot...except it was raining!”

“It was a great few days to get to know people better.”

“Very good experience...I was reluctant to come, but now I am glad I did. Will recommend.”

Mr Adrian Martino
Deputy Principal – Christian Ministry

ACADEMIC EXCELLENCE

ASPIRE UWA CAMP

This term marked the first camp run by the Aspire UWA team. As part of our collaboration with Aspire, 15 of our Year 11 students were invited to attend the camp on 22 and 23 July.

The camp was held at Point Walter and our students were able to take part in team building activities with Year 11 students from other schools. Students were also able to speak to Aspire student ambassadors (current UWA students from Medicine, Engineering and Science), regarding university courses.

The next day of the camp was spent on campus – touring the Architecture and Visual Arts faculty as well as Sports Science. Students found the tours and information very valuable and were further inspired to commit to their studies with a view to gaining university entrance.

The day ended with lunch in the new 700 room boarding facilities at University Hall – we were all impressed with the amenities and new buildings as well as the delicious food.

ACADEMIC EXCELLENCE

YEAR 12 PRACTICE MOCK EXAMINATIONS

In order to continue our support of Year 12 students, and to help them prepare for the coming exams, we are organising practice '**Mock Exams**' for Year 12 students in our larger courses (subject to a minimum number registering).

The Practice Mock Exams will take place on Friday 23 August and students will be able to choose to complete a maximum of two exams on the day.

Practice Mock Exams will be conducted under strict exam conditions for the following courses:

<i>COURSE</i>	<i>TIME</i>	<i>VENUE</i>
Mathematics 2CD	8:30 – 11:00 am	SLC
Mathematics 3AB	8:30 – 11:00 am	SLC
Religion and Life 3AB	8:30 – 11:00 am	SLC
Chemistry 3AB	12:30 – 3:30 pm	SLC
English 3AB	12:30 – 3:30 pm	SLC
English 2CD	12:30 – 3:30 pm	SLC

There is no cost for the exams and students studying these courses are strongly encouraged to attend on the above date as a preparation for their Semester 2 school exams and the WACE exams to be held in November. For the mathematics exams students are required to bring along their 2 A4 unfolded sheets of notes (notes on both sides) as well as their Classpad calculator.

All exams will be marked and feedback given to students prior to the end of term. Students requiring detailed feedback will be able to book a session with our ex-student tutors. Year 12 ATAR students are urged to take advantage of this opportunity to kick start their exam preparation.

EX-STUDENT TUTORS

This year we have introduced extra help at our after school study clubs – Daedalus and Prometheus – in the form of ex-students as tutors. Our high achieving students from last year were invited to take part in this pilot programme, aimed at extending our peer support network and as an added resource for our students. The ex-students taking part in this programme are:

- Damon O'Brien (Dux 2012)
- Anthony Bochrinis (Proxime Accessit 2012)
- Matthew Bond
- Chelsea Uy
- Brittany Quy
- Madison Italiano
- Kyle Aurisch
- Naveen Joseph (Head Boy 2012)

These students have been very well received as they are in a position to offer sound study advice and exam techniques, having just completed their own studies successfully. The tutors are able to offer help with all Mathematics courses as well as Chemistry, Physics, Human Biology, English and Religion and Life.

In addition we have also been able to secure the services of an ex-student from 2011 – Sarah Bailey, who is undertaking Community Service hours at La Salle College for her Nursing Degree at ECU – Sarah assists with Years 7 - 9 as well as providing Human Biology assistance with other students.

This initiative has added an extra dimension to our after school study programme and is greatly appreciated by our students.

Ms Marie Noble
Academic Excellence Coordinator

RELIGIOUS EDUCATION

Year 7-10 Assessments

It's that time of term when assessments are looming over us all. Year 8 have their assessment due next week. Year 9 and 10 are just about to commence theirs and Year 7 will receive their task in the latter part of the term. All students receive at least two in-class lessons to work on their assessment, however, they also need to do work at home to ensure it is completed on time.

It is imperative assessments are submitted by the due date. In accordance with the La Salle Assessment Policy, students will receive these penalties:

- ∞ one day late – 10% deduction
- ∞ two days late – 20% deduction
- ∞ three days late – 30% deduction
- ∞ four or more days late – 100% deduction and the assessment still needs to be completed as a course requirement.

I thank you for your constant support regarding your child's education.

Year 11 Retreat

I was very fortunate to be involved in the Year 11 Retreat last week down at Fairbridge. It was an invaluable and wonderful experience for all students...and staff! Thanks to Natalie Calleja for being our retreat leader. Thanks also to Adrian Martino and Brendan Bomford for leading the other two retreats at Woodman Point and Ern Halliday.

God Bless

Mrs Sharon Gregoor
Learning Area Coordinator – Religious Education

ADMINISTRATION OFFICE CLOSED – FRIDAY 23 AUGUST

The Administration Office will be closed on Friday 23 August for Professional Development of staff. We apologise for any inconvenience.

Mrs Linda Balcombe
Office Manager & Enrolments Officer

KRISPY KREME DOUGHNUT FUNDRAISER

Just a reminder to all families that Krispy Kreme Doughnut orders need to be into the College Accounts Office before Friday 23rd August. The order form and information is attached to the Delagram again today or a form can be picked up from Student Reception. The doughnuts will be available for pick up from the College on Tuesday 10 September (Week 8). Please try to collect your order on this day so you have them at their freshest. There will also be doughnuts available for students to purchase on the following day, which is Wednesday at recess and lunch, however, they need to pre-order them at \$2.50 each. Information of how to pre-order individual doughnuts will be provided in morning PCG notices soon. Every dozen sold will see \$5 raised for the Balgo Immersion Trip in September. Thank you to all the families who have already supported this fundraiser.

Ms Kylie Paskov
SRC Coordinator

HOSPITALITY EXCURSIONS

On Wednesday 3 July, I was given the opportunity to visit Belmont City College Trade Centre and meet Lloyd Hayes and apprentices from Burswood. Meeting Lloyd Hayes was great, he is an amazing chef and it was one wonderful opportunity to meet him. From meeting Lloyd I learnt new skills on preparing, cooking and serving food. I also got to cook with apprentices from Burswood, I learnt that all the apprentices have different views and goals in the food industry. Most apprentices found their love of cooking and their inspiration to cook has come from a certain beloved

family member and some just started cooking and found the passion to create fabulous and breath-taking meals. From this experience I have grown as a cook.

Treslyn Sorensen

Year 12 Certificate 2 in Hospitality students were rewarded with an evening expo and presentation at the Crown in Burswood for their participation in prepare, produce and provide. Prepare, produce and provide is a programme put together by Burswood and Food Bank Australia which works with selected schools to prepare 5 000 meals for the homeless. Throughout Term 2 we prepared food donated by Food Bank with the help of apprentices from Burswood. Over all we made over 200 meals which is a great achievement! For our efforts Shirley

Edwards, the Pastry Chef from Crown came to La Salle College and gave us a demonstration of some of the deserts she makes for Crown restaurants.

Hannah Fraser

BOOK WEEK

Book Week is the longest running children's festival in Australia, celebrating its 68th birthday this year. The official start date for Book Week 2013 is Saturday 17 August, and the Jan Jolley Library, along with many other school and public libraries from all over Australia, will be organising activities and displays celebrating books, Australian authors and illustrators. The theme in 2013 is... 'Read across the universe'. Students are very welcome to moonwalk over to the library to take part in some competitions and activities.

LIBRARY REVAMP

Early Term 4, the La Salle staff and students will be welcomed into a fresh-looking library. Due to the revamp we will need to close the library for a few weeks. From Week 8 onwards due to the closure of the library and so the library staff can do an inventory and stocktake of the collection, students are asked to return all borrowed items by the due date stamped on their books. Between now and Week 7, however, students and classes are most welcome to use resources on site.

Year 12 students who require past examination papers, please visit H6 (Patricia Rodrigues Centre) as the library staff will be located there and they will be able to access specially selected resources for both staff and students.

Students who stay after school will be asked to work in the Laurence Murphy Senior Learning Centre until the library revamp is completed.

Library staff

HISTORY EXCURSION

On Wednesday 26 June the Year 10 History classes went on an excursion to Fremantle to study changes in popular culture and Australia's involvement in naval warfare.

To begin with we split up into the two classes. The first visited the Maritime Museum and the second group went on a historical walk of the streets of Fremantle to explore changes in popular culture. Fremantle has stood through various times and changes and there is lasting evidence of these changes lingering on its streets. The popular culture walk highlighted this through the architecture, memorials, shops, cafes and lasting images from those eras.

When our group arrived at the Maritime Museum, relatively unscathed, we were delighted to realise we would be going into a submarine. Inside, we found out that the submariners would sleep on tiny bunks that could be found spread around the sub. Two particular bunks were seemingly badly placed, one directly over a lower deck service hatch and another with his head resting directly under a jutting sharp rod of steel. We also learned that the sub would pick up on all sounds in the ocean and amplify them, turning a dolphin's cackle into the chatter of a machine gun. After thanking our elderly volunteer tour guide for his time, we returned to meet up with the others within the museum.

After a quick lunch and a long bus ride back to school we ended our trip. Tired, enlightened, joyous and with stomachs full of food.

Reece Meyer & Ryley Hawkins

CAREERS

CASUAL JOB VACANCY

Fun Station Midland are looking for staff 15 years and over to fill casual positions as children's birthday party hosts. They are looking for female hosts at this time. If you are interested please phone 9250 6634 or visit Fun Station at 346 Great Eastern Hwy, Midland and ask for Colleen Farawah.

2013 CAREERS IN GEOSCIENCE

This highly anticipated free event will provide you the opportunity to hear from two high-profile professionals, and speak to employers and geoscientists from across the industry as well as universities and professional bodies. Come along to find out more about this exciting sector and to enjoy the freebies and food.

Date: Monday 26 August 2013

Time: 4:00–5:30 pm

Where: Technology Park Function Centre, Gala Room, 2 Brodie Hall Drive, Bentley

Registration is essential, so please navigate to Simon under Resources->Knowledge Banks->Careers->Universities to find out how.

POLICE CADET TRAINEESHIPS

The Cadet Traineeship Programme trains and guides promising young people, aged between 16 and 18 years of age, who are interested in becoming police officers.

Police Cadets complete a two year traineeship and attain a Certificate III in Business Studies. Successful applicants undertake a 3 week paid training course at the WA Police Academy in Joondalup before being allocated a position. All successful applicants will be placed in the metropolitan area.

You may apply if:

You are an Australian or New Zealand Citizen or a Permanent Resident of Australia.

You are between 16 and 18 years of age.

You have completed Year 10 (or equivalent).

You have a high standard of integrity and honesty with the ability to pass criminal and background checks.

If you would like to know more or to book in to the Information Session being held on Saturday 17 August visit www.stepforward.wa.gov.au or phone Police Recruiting on 9301 9716. Applications may be downloaded from the website and are accepted from Thursday 8 August 2013 to Thursday 29 August 2013 at 4:00 pm. Further information can be located on Simon under Resources->Knowledge Banks->Careers->Apprenticeship/Traineeship.

Click on

Imagine
While you sleep each night,
your car gets serviced for free....

This is, in effect, what happens to your College notebook. Updates and fixes are constantly being sent to your machine via the College network. They keep it in the most efficient working order.

This only happens if you START UP your computer at school.

Remember – and parents, you can help with this –

Shut Down your notebook and **Charge** the battery overnight. Don't just close the lid.

Turn on your notebook on in the morning **at school**. Do this **every day** for a smoothly-running device!

If you haven't shut down your notebook for some time it may take a long time to start up because it's catching up on all the updates you've missed. **Let it finish.**

Now, continuing our series of Microsoft Office tips

Creating a Table of Contents in Word 2013.

This is very easy and gives a great result.

1 Write your assignment, story, or whatever it is you're writing. Put a heading on its own line at the beginning of each chapter or section.

2 Select (highlight) the heading and click "Heading 1" on the Home tab.

The font will go blue and enlarge. (You can still change the colour or size later). Do this for all the headings.

3 Put your cursor where you want the Table of Contents to go. On the References Tab click Table of Contents. Choose either of the built-in ones.

Done! Your work now has a Table of Contents using your chapter headings and with correct page numbers.

Mrs Lindy Reger & Mr Andy Vella
Integration of ICT Across the Curriculum Coordinators

ACCATHLETICS

Preparations for our ACC squad are underway and we look forward to the ACC Carnival on Thursday 19 September as our opportunity for promotion to the elite A Division. We have gone close in the last few years and with some hard work and solid preparation we should be in the mix.

YEAR 8/9 BASKETBALL

We had five teams involved in last week's SSWA Hills Classic at Ray Owen Stadium in Lesmurdie with a spot in the finals next month up for grabs. It was great to see so many students at training in the lead up to the carnival and their efforts in preparing were first class. Many thanks to Mr Reilly for his great work with these teams and to Mrs Collins for her assistance in refereeing on the day. Our top boys' team were successful in progressing through to the finals at the State Basketball Stadium next month.

YEAR 7 FOOTBALL

Congratulations to this team on their fantastic efforts at last week's ACC Dockers Shield carnival at Lightning Park in Noranda. The boys won three of their four games to finish second behind an impressive Sacred Heart team. The boys also have three Eagles Cup matches to play on Tuesday afternoons and have won their first two comfortably against Helena College and Swan Christian College respectively.

YEAR 7 BOYS SOCCER

This team's solid preparation culminated in a good performance at the Glory Cup Eastern Division at Hartfield Park in Forrestfield. The boys finished with a 2-2 record from their four round robin matches and produced some great displays in their later games. The boy's efforts at training were outstanding and we look forward to this group progressing through in years to come.

YEAR 8 RUGBY

A great effort from these boys when they travelled to Mater Dei College and came away with a 10-10 draw in driving rain. Many of these boys are playing rugby for the first time and this made their performance all the more meritorious. On Monday we were visited by Phoenix Batty and Jayden Hayward from the Western Force, and they put the boys through their paces in preparation for their next game against CBC Fremantle.

NETBALL ELIMINATION DAY

Our junior and senior netball teams played in yesterday's SSWA Elimination Day in Fremantle as reward for their great efforts in the group stages of this competition last term. A report will follow in the next Delagram.

Mr Ben Dyer
Sport Coordinator

YEAR 9 OUTDOOR EDUCATION

The Year 9 Outdoor Education students have just completed 5 weeks of cycling at the Speed Dome in Midland. They have experienced the challenges of cycling inside the velodrome competing in time trials and getting their confidence up as well as cycling on the open outdoor track. Students who have an interest in cycling can attend general cycling sessions at the Speed Dome on a Monday 4:30 – 6:00 pm for \$10 coaching and bike hire or on a Wednesday 5:00 – 6:30 pm for \$8.00 coaching and bike hire. Speed Dome location is Eddie Barron Drive Midvale, 9250 6701.

COMMUNITY NEWS

SAVE THE DATE – ROTARY RAMBLE

Discover Perth on Saturday 20 October with the Rotary Ramble! Raising money for Telethon and The Amanda Young Foundation, Rotary Ramble is an 'Amazing Race' style event in which teams of 2 - 6 people tackle challenges, riddles and puzzles around Perth City armed with only a map and a mobile phone. This is a fun family event suitable for all ages that also supports worthwhile charities. Please visit www.rotaryramble.com for more information; registrations are open now.

SPRING FORWARD – THE KIDS FUN RUN

This exciting event is on Sunday 22 September at the WA Athletics Stadium in Mt Claremont behind Challenge Stadium. This event promotes awareness in the community about the effects of trauma caused by abuse and to educate children at a young age about giving back to the community – the theme is 'Kids Helping Kids'. There are prizes for the school that has the largest number of participants. To find out more information email jmajor@parkerville.org.au or call 9295 4400 or to register visit www.parkerville.org.au

RELATIONSHIPS AUSTRALIA - Kids and Today's Technology – Thursday 5 & 12 September @ at 1 Ord Street, Fremantle

Cost: \$25 per person or \$35 per couple. Time: 6:30 – 9:00 pm. This two week course is for parents of kids between ages 2 and 18 years. Technology is now being used by very young children and most teenagers are proficient users of many aspects of technology. Your knowledge of what's out there, how it's being used and how you manage it in your home will have a direct impact on your kids' learning and safety. For further information and to enroll please ring 9489 6322 or visit www.wa.relationships.com.au

Understanding Stepfamily Relationships - Saturday 7 September @ 1 Ord Street, Fremantle

Cost: \$35 per person or \$50 per couple. Time: 9:30 am - 1:00 pm. Stepfamilies and blended families operate in a different way to intact biological families. The dynamics of a stepfamily are more complex and there is a need for special understanding and management from both biological and stepparents working together for a healthy stepfamily growth to happen. For further information and to enroll please ring 9489 6322 or visit www.wa.relationships.com.au
