CHRIST'S BLESSINGS AT CHRISTMAS

As we come to the end of 2013 it is timely to reflect on this season of Advent – a time for renewal and preparation for one of the Church's greatest feasts – the commemoration of the birth of Christ.

While Christmas is about recalling the birth of Jesus, it is also a time for us to rejoice in the coming of the Lord. As Christians we believe that Jesus Christ was the Son of God. Through the person of Christ, God provides us with the path to salvation and the promise of eternal life in the coming of the Kingdom.

Apart from enjoying this special time to celebrate with family and friends this Christmas season, take time to remember and give thanks for the coming of God's Kingdom.

PRESENTATION EVENING

On Sunday evening our premier event, our annual Presentation Evening, witnessed the celebration of the achievements and talents of our students. As a College community we congratulate all of our award winners on their achievements during the year, especially Dennielle Massang, St John Baptist de La Salle Medallion recipient, Pia Schelfhout, College Dux, and Connor Callus, Proxime Accessit.

Congratulations are also extended to our 2014 College student executive team - Yasmin Martino (Head Girl), Stephen Beerkens (Head Boy), Hannah Raye (Deputy Head Girl), Shane Pickett (Deputy Head Boy) and Trevor Dhu (Boarding Captain).

Presentation Evening also marked the launch of our 60th Anniversary celebrations (1954 to 2014). As part of our diamond jubilee our new College facilities will be blessed and opened in February, 2014. Comprising of extensions to the Br Eric Pigott Performing Arts Centre and a new staff facility, I was honoured to announce that the College Board has endorsed the naming of the new staff area as the Peter Elloy Staff Centre. Details of all events planned for our 60th Anniversary will be provided at the commencement of next year.

THANK YOU AND FAREWELL

On behalf of the College community I would like to extend my thanks to all staff, teaching and support, for their many contributions to the College in 2013. While La Salle has wonderful facilities and resources, it is undoubtedly the staff who make this school so special.

The end of any year brings with it some movements in staff, with some staff retiring, others moving to other schools, while others complete temporary contracts. I would like to acknowledge and sincerely thank the following members of staff who complete their service at La Salle:

- Stephen Charles, Samantha McLaughlin and Madeleine Selvey our Share the Mission Volunteers, who have provided such wonderful support to our Boarding and Aboriginal students. These three young people have given up a year of their lives to commit to Lasallian service. They are to be congratulated and applauded.
- Crystal Biel, Religious Education and English Teacher, completes her one year contract with the College. I wish Crystal every happiness for her forthcoming marriage.
- Aidan Talijancich, Religious Education, Health Education, Outdoor Education, Physical Education, who completes his one year contract with La Salle and is looking at returning to full-time study.
- Massimo Cugola, Religious Education and Italian who moves to Chisholm College to pursue his passion as a full-time teacher of Italian and French.
- Nicolas Tilbury, ICT Support, leaves La Salle after four years of service to return to full-time study.

- Kylie Paskov, Science and Health Education Teacher departs La Salle after 9 years of dedicated service, including leadership of the Student Representative Council. Kylie has accepted a contract at Santa Maria College.
- Ben Calleja, Deputy Principal, Aboriginal Education and Boarding, who has given 4 years of inspirational and tireless service to the College. He has made an incredible difference to the lives of our indigenous students. Ben is returning to study and will also undertake some work at university level as a tutor. We hope that Ben will continue his association with the College in a consulting role in 2014.
- Nicole Huggins, Dean of Events and Onsite/VET Coordinator leaves us after 15 years of amazing service to the College. Nicole has positioned La Salle as a leading VET school in Western Australia and her contributions to the College cannot be highlighted enough. Nicole will assume the position of Deputy Principal at Chisholm College in 2014.

I wish Jaimee Dawson and Rochelle Adamson all the very best for the upcoming birth of their new babies in 2014. Both Jaimee and Rochelle will be on maternity leave next year.

LA SALLE BOARDING ORIENTATION VISIT

La Salle Boarding was fortunate to host a number of prospective students and their guardians during our recent 2014 Boarding Orientation camp. Students from Balgo Hills, Mulan, Lombadina Djarindjin and Tom Price stayed with us for the week to get an idea of what boarding is like. They had the opportunity to participate in all the usual routines and activities at the boarding house. During the day they attended school with our other students and had a taste of the diverse opportunities on offer at La Salle. To engage in the wider community, which was a new experience for some of the remote students, we also spent a day in the city visiting Scitech and the WA Museum.

Several other new students will travel from across the state over the final weeks of school to visit the College and the boarding house in anticipation for the start in 2014. We look forward to seeing all of these students again at the start of next year.

RELIGIOUS EDUCATION

Semester Two Exams

It's time to celebrate – exams are finished for all year levels! Congratulations to students for the preparation and effort put into completing them.

Advent

The Sunday before last we celebrated the beginning of Advent, which is also the beginning of the new Liturgical Year (Year A). The word Advent is Latin for 'coming'. The season of Advent is a special time of prayer and preparation for the coming of Christ at Christmas. For this remaining week of the term classes will be finalising their unit of work and looking at Advent.

Time for a Smile

On a cold day in July, a little boy was standing in front of a shoe store, barefoot and shivering with cold. A lady approached the boy and said, "My, you're in such deep thought staring in that window!" "I was asking God for a pair of shoes." The lady took the boy by the hand, went into the store and bought him six pairs of socks. At the back of the store she washed his little feet and placed a pair of socks on them. She then purchased him a pair of shoes and gave him the remaining socks. "You'll be more comfortable now," she said. The boy looked up into her face with tears in his eyes and asked, "Are you God's wife?"

Merry Christmas

I can hardly believe the school year is nearly over, it has absolutely flown by – if you blinked, you may have missed it altogether! It has been a busy, but rewarding, year in the Religious Education Learning Area and I look forward to working with you in 2014. Wishing you all a very safe, happy and holy Christmas and a bright new year.

God bless

YEAR 7 2014 ORIENTATION DAY

On Tuesday 26 November we held Orientation Day for 240 excited and equally nervous Year 6 students with the aim of introducing them to high school and what awaits them next year. Students were able to meet various staff, such as their respective House Coordinators for 2014 and teachers from different learning areas around the school. The Year 6 group were lucky to experience a selection of activities such as science experiments (and explosions) by the enthusiastic Mr White (DWE) and Mr White (DWH), taste delectable treats from cooking class with Ms Johnson and get amongst the hands on wood work lessons with Mr Velardo. Students were involved in vibrant drama games with Ms Webb, sport sessions with Mr Reilly and the opportunity to navigate through an IT lesson and the new iCentre with Mr Vella and Ms Lieuwes. Most importantly, all Year 6 students left having made some new friendships, forged relationships with new staff and an increased confidence and excitement for the College life that awaits them next year. A final thank you to all of the staff involved who were able to make this day a success.

Ms Katie Foster
Year 7 Coordinator

YEAR 8 ASPIRE UWA

The team from Aspire UWA visited La Salle on Thursday 14 November to engage 70 Year 8 students in 'The Amazing Peacock Mystery'. This activity involved the students trying to unravel the mystery of missing peacocks at UWA – they were given a list of suspects and had to find the guilty party.

The activity required students using four areas of study offered at UWA:

- Psychology – students produced a psychological profile of the suspect.
- Palynology – pollen and spores from suspects clothing was tested.
- Anthropology – suspects footprints were used to determine their height.
- Accounting/Commerce – the cost of the investigation was calculated.

This approach provided a fascinating taste of the diversity of University courses. All students thoroughly enjoyed the activities.

Students were nominated by their teachers to take part in this event. Congratulations to all students who were selected.

Ms Marie Noble
Academic Excellence Coordinator

YEAR 9 REFLECTION DAYS

On Thursday 21 and Friday 22 November the Year 9's had their reflection days. We were split into two groups and smaller sub-groups within that. Both did different activities at different venues. My group went to the activity day first at Challenge Stadium where we got to experience different team building games. We also got our adrenaline pumping with the Pamper Pole. The next day we went to the zoo which was definitely a more relaxing day for everyone in my group. We were split into our smaller groups once again and we were accompanied by a supervising teacher. We started off with a booklet that we had to complete, by observing one of the zoo animals and what they do every 30 seconds within the span of 5 minutes. Once we did this, we got to walk around and look at the zoo animals. We then had recess and lunch and we ended our day with a small liturgy and reflecting upon ourselves, what we did that day and appreciating God's beautiful creations. The Year 9 Reflection Days are definitely my highlight of this year. I felt like the two days went so fast. I felt like we bonded more as a year group and I'm definitely looking forward to other reflection days in the future because these two days were very exciting and enjoyable.

Journey Complete!

Year 9 students and their parents — the 3 year cycle for your College notebook computer is now complete. By now students should have backed up their work and handed their computer into the Network Operations Centre (Room B15). The machine will be re-formatted (data and software removed) and the original factory Operating System (Windows Vista) re-installed. The student may then take the notebook home as family property.

Don't live in a digital garbage bin Time for a clean up !

1 Clean up your 'My Documents' folders

Storage Folder on C: drive

Another backup on a USB drive or an SD card

Go through your subject folders and copy any document you no longer need to your Storage Folder on C: drive. Copy it also to a USB. That gives you two copies. **Then delete the document from 'Documents'**. This saves valuable space on the College servers.

2 Clean up your Outlook Email

Emails can build up and soon your mailbox is full. You can set up a status bar to continually show you how full your mailbox is.

Right click the corner of Outlook screen and tick everything. You'll see your mailbox status all the time now.

Find the Large Emails. These are the space wasters. Usually attachments are the cause. Outlook can show you the 'Large Mail'.

Make the **Search Folders** visible.
Click **Large Mail**.

Go through the **large mail** and **delete** what you don't need. **Right-click attachments to save them** if desired. **Delete** the email.

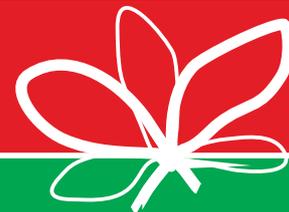

There are many other things you can do to clean up your email. It all takes time, but it's worth it. **Remember, emails can be dragged into a folder for safe-keeping and deleted from Outlook.**

Now you've been through and deleted unwanted emails, delete them again from the Deleted items folder. To do this, go to the **Deleted items** folder, **Ctrl-A** to select them all, **Delete key**, and confirm.

Have a happy Christmas and a restful holiday. Spend time with family and friends. Play a board game or some backyard cricket. We've all spent enough time in front of a screen! God bless.

A Christmas Prayer

Jesus, the Light of the World, as we celebrate your birth may we begin to see the world in the light of the understanding you give us. As you chose the lowly, the outcasts, and the poor to receive the greatest news the world had ever known, so may we worship you in meekness of heart. May we also remember our brothers and sisters less fortunate than ourselves in this season of giving. Amen
