WELCOME BACK TO TERM 2

I am delighted to be back at La Salle after several weeks of long service leave at the end of Term One. My thanks to Rino Randazzo for so ably assuming the position of acting principal during my absence.

With only a 9 week term, students and staff have settled into appropriate and focussed work routines. Our senior students are preparing for their mid year examinations which commence in a little over two weeks. An important part of this preparation were the student-parent-teacher interviews which were held last Monday. A total of 2724 scheduled interviews were held, along with incidental conversations which were occurring when formal appointments were not being conducted. Thank you to Nicole Huggins and Danny Battistessa for their coordination of these interviews.

We welcome the following new and returning staff to La Salle:

Lee Holloway (Maths/Science)
Mary Brogan (Aboriginal Teacher Assistant)
Mark Ielasi (returning from long service leave)
Natalie Calleja (returning from her secondment from St Mary's Broome)
Warwick Connor (replacing Colleen Wheeler who is on leave).

Additionally, I acknowledge Alison Barker who is the Acting English & Languages Coordinator for Term 2.

MAY - THE MONTH OF MARY

The Catholic Church designates the month of May and a special time of the year when we can reflect on the Mother of God - the Blessed Virgin Mary. This is an opportunity for us to pray for Mary's intercessions and to give thanks for her life and blessings.

QUIZ NIGHT

A reminder that tickets are selling fast for our annual quiz night. This event is always a sell-out. Please don't delay in organising your table!

NAPLAN

All of our Year 7 and 9 students completed their NAPLAN tests during the week. Thank you to our Deputy Principal (Learning Teaching and Innovation), Rachael Keenan, for her coordination of this national testing programme. Results will be available later in the year.

MOTHERS' DAY MASS AND BREAKFAST

Several hundred mums and their children attended our annual Mothers' Day Mass and Breakfast. This is an opportunity for our school community to honour and thank our mothers for their love and support. Thank you to Fr Leonard (Chaplain), Jenny Waller (Liturgy Coordinator) and our choir for the beautiful Mass, and Sabrina Lynsdale, Anne Lockyer and Shari Outram for the sumptuous breakfast.

QCS SURVEYS

During Term 1 all staff, and a representative sample of parents and students were involved in completion of the annual Quality Catholic Schooling surveys. We have now received the results of these surveys. The Senior Leadership Team is currently analysing this data and later in the term we will present summaries of the major trends emerging from these surveys.

PARKING

Thank you for your ongoing patience with access and parking issues at the College. Ultimately, we will have additional parking, better access and the installation of new fire and power services which will support our new building project.

SINGAPORE TOUR

Our inaugural Singapore Music Tour was held over the April holidays. After several years of planning, months of rehearsals (and a great deal of fundraising) our outstanding musicians and choir members were engaged in a number of public performances at schools, shopping centres and Sentosa Island. From all accounts our students represented themselves and the College with great distinction and excellence. Thank you to Christopher Milne (Director of Music) and all supporting staff for their efforts in looking after our students.

MISSION AID DAY

Last Friday our College community came together to celebrate Mission Aid Day. This event commemorates the feast day of our Founder, St John Baptist de La Salle and provides students, through their PCG's, to raise funds for Lasallian missions. While the final figure is not yet in we will have raised a considerable amount to further the Brothers' charitable works. Thank you to Nicole Huggins and all staff members for their amazing organisation and support of this premier event in the College's calendar.

STAFFING

There have been a few staffing changes in the Careers Team for Term 2. Mr Silvio Lombardi has taken over as Career Advisor and Onsite School Coordinator from Mrs Jenny Waller. We thank Mrs Waller for her work in our team for the past three years. Mr Lombardi will provide career counselling to students in Years 7 - 10 and their parents, upon request. He can also assist students in those years with work experience and tax file numbers. He can be contacted for information and appointments via the College number or email sli@lasalle.wa.edu.au. I have returned to the Careers Team full-time this term and will continue supporting students in Years 11 and 12 and their families.

TAX FILE NUMBERS

Application forms for Tax File Numbers for students are available from the Careers Centre or College Administration Office. These forms are abbreviated as compared to the full version from the post office or tax office. Our school forms must be returned to the Careers Centre for processing. Please note that we send completed application forms to the ATO only at the end of each month and it usually takes 28 days for students to receive their TFN in the mail.

WORK EXPERIENCE

Work experience is a valuable career development tool for students to be able to try out various careers in the real world of work, first hand, however, it is a value-adding program, complementing their studies. So as not to interfere with their schooling, work experience **MUST** be undertaken in school holidays only.

SPORT/PHYSICAL EDUCATION

CHANGES TO CLASS STRUCTURE IN PHYSICAL EDUCATION CLASSES ACROSS YEARS 7 - 9

In some Physical Education classes across Year 7 to Year 9 this term we are trialling same gender Physical Education lessons. The aim of this trial is to see if the separation of genders allows for greater participation and effort in practical lessons. The idea behind this links to individuals feeling more confident and at ease to participate which in turn allows for greater progression in Physical Education. The review of this trial will be ongoing throughout the remainder of 2013. Classes that were selected for the trial were based on timetable and class sizes.

MIDDLE DIVISION NETBALL – TEAM 1

Congratulations to Team 1 on a convincing win against Ashdale High School. The girls set the scene early that they were determined to be competitive, which was evident by the end of the first quarter with a solid lead. The final score 31 to 6 showed their hard work and effort paid off. Special mention to Haylee Slater who was a key player in the centre court, Georgia Barrow who was consistent in goals and Cailtyn Downes in defence. Well done girls on a stellar performance.

SPORTING TEAMS UPDATE

A quick wrap of our sporting teams and their recent exploits....

Senior Girls Basketball

Our standout team of recent years breezed through their qualifying rounds in the Hills zone to progress to the knock out phase of the Champion Schools competition. The girls play Lake Joondalup Baptist College next week and we wish them the best of luck!

Senior Boys Basketball

The boys finished their season last week going down to Mazenod College. The positive for this group was the performance of several Year 9s and 10s who clearly are the future of this team going forward.

Netball

Our four teams continue their progression through the round robin matches of the High Schools Cup and are performing well. Next week sees our 9/10 teams up against Woodvale SHS, whilst the seniors tackle John Septimus Roe ACS, all here at the College.

Senior Boys Football

Our boys started their campaign in the top Cable Division against Sacred Heart College and have a tough set of games to come against St Stephens, Newman College and Governor Stirling SHS. Good luck to the boys and coach Mr Sorgiovanni.

Senior Girls Football

Our girls are also competing in the top Moore division of the WAFC Schoolgirls Cup and found the going tough against perennial finalists JSR in the first round in wet conditions. The girls travel to St Marys in Karrinyup for their second game next Tuesday.

Senior Boys Soccer

This team is preparing for their first game against John Forrest SHS in a couple of week's time. Coach Mr DiPino reports that the squad is looking good!

Senior Girls Soccer

Ms Cusworth has had her girls training for some time now and they have games against Rehoboth Christian College and Helena College as their pool matches to play this term.

Open Rugby

Our first foray into this competition has been marred by several forfeits from other schools and the boys are itching to play their first game for coach Mr Gerrish. They start with a home game at Farrall Oval in Stratton next Tuesday.

Junior Football

This squad, comprising Year 8s and 9s, play their first game under coaches Mr Bomford and Mr Parsons next Tuesday at home against Mazenod College. We wish them well for their season in division 1 of the WAFC Schoolboys Cup.

Junior Soccer

The boys travelled to Guildford Grammar for their first game and competed well against very good PSA level opposition. The boys will improve and have games against Swan Valley Anglican, Ballajura CC and Swan Christian College to come.

Hockey

Our hockey players begin training next week for the ACC Hockey Challenge in late June.

Year 7 Basketball

Our Year 7s were in action last term at Warwick Leisure Centre at the Stirling Cup. We fielded four teams and all represented the College exceptionally well. Our girls finished third overall, whilst one of our boys teams were runners up by one point in a controversial grand final. Congratulations to all our Year 7s for their efforts in this programme.

Year 7 Girls Soccer

Our girls competed in the eastern division of the Glory Girls Cup on the last day of term and had a fabulous day at Hartfield Park in Forrestfield. After some very good performances, our girls finished runners up and are now awaiting confirmation of an invitation to compete at the State Championships later this year. Well done to the girls – a fantastic achievement.

Year 7 Boys Soccer

The boys compete in the boys division of the Glory Cup to be held early in Term 3. They begin training in a few week's time for this.

Year 7 Football

The ACC Dockers Shield is held in Term 3 and shortly our Year 7 boys will come together to start preparing for this competition.
