GRADUATION

The Class of 2018 graduated last Wednesday! To celebrate, the day started with breakfast, followed by the Year 12s final College assembly. On Wednesday evening we celebrated our Graduation Mass and ceremony. This was an opportunity for each of our graduates to receive God's blessing, share in the Eucharistic celebration and be formally acknowledged by the College community as a Graduate of La Salle College.

I would like to thank each of the staff involved in the preparation of events on the day, particularly Shonnie Murphy, Year 12 Coordinator. My thanks also to our College Chaplain, Fr Richard, our former Chaplain, Fr Leonard, and priests from surrounding parishes for concelebrating Mass with us. Jenny Waller, as usual, did a superb job coordinating our liturgical celebrations. Thank you also to Chris Milne and Mary-Jo Masmanian for their support of the Band and Choir, Miriam Schimmel for her coordination of the Liturgical Dancers, Shari Outram and team for preparing the supper and Shellie Rodriguez for her overall coordination of the evening.

I wish all of those students studying for their upcoming ATAR exams all the very best. Remember that you can contact your teachers for any last minute queries.

BALGO TRIP

I am pleased to report that the group of Year 11 students and staff who travelled to Balgo Hills during the school holidays all had a great time and returned home safely. This immersion is challenging; a flight from Perth to Alice Springs and a 12 hour drive along the Tanami Track and the same to return home as well. I thank the students for 'touching the hearts' of the children in the Balgo community and living out the call to serve. My thanks too, to the staff who went on the trip organised by our Christian Service-Learning Coordinator, Stephen Beirouti.

YEAR 11s

Thank you to Ben Reilly, Year 11 Coordinator for organising the Year 11 River Cruise which was held on Friday 12 October. The Year 11 cohort certainly had a wonderful time, dancing the night away and enjoying each other's company before the commencement of their exams.

Year 11 ATAR students have exams scheduled from Monday 22 October to Friday 2 November. These students will return to school on Monday 5 November to commence their Year 12 curriculum. Our General and VET students are required to attend all of their classes. For more specific details, please refer to the letter from Danny Battistessa and Rachael Keenan on 'Clarification of the 2018 Year 11 Scholastic Year' and if you have any issues, please contact Danny or Rachael.

2018 STUDENT REPRESENTATIVE COUNCILLORS

Our 2018 Student Representative Councillors met for dinner on Tuesday night to celebrate their accomplishments and work throughout the year. I sincerely thank each councillor for their efforts in representing the student body.

I take this opportunity to thank Amy Webb, Alex Lintern and Kate Cusworth for their work with the Council during 2018.

2018 STUDENT RESIDENTIAL ADDRESS COLLECTION

I would like to make parents aware that the College will be providing the residential addresses of our students and parents to the Australian Government's Department of Education and Training (AGDET). All non-government schools are required to provide this information in accordance with the Australian Education Regulation 2013 (Cth). The data is used to determine the Socio Economic Status of each school. For further information, please refer to the attachment to this Delagram – *2018 Student Residential Address and Other Information collection notice*.

INTENTION TO RETURN FORMS & STUDENT STATEMENT OF SUPPORT FOR COLLEGE POLICIES

We still have a number of outstanding Intention to Return Forms and Student Statement of Support for College Policies. It is essential that parents and students complete these forms and return them to the Administration Office so we are aware of your intention to return to the College (or not) next year. We do have a waiting list in all year groups, and if we are made aware of a student being withdrawn from the College, we are able to contact those on the waiting list to offer a place. A reminder that one term's notice of withdrawal is required as per the College Fees Policy. If the notice is not given, parents may be charged one term's fees in lieu.

YEAR 10 OUTDOOR EDUCATION CAMP

The annual Year 10 Outdoor Education Camp is looming with departure on Wednesday 31 October. I wish both students and staff an enjoyable and safe time away. I thank the staff attending for their careful supervision of our students on this eagerly anticipated camp.

FRIENDS OF LA SALLE (FOLSC) SUNDOWNER

Our annual FOLSC Sundowner to thank the many community members who have volunteered their time and talents throughout the year is on Thursday 25 October at 6:00 pm. If you have assisted us in some way, no matter how big or small during the course of 2018 and for some reason have not received a personalised invitation, I ask that you please contact Sabrina Lynsdale, Community Relations Manager by phone or email communityrelations@lasalle.wa.edu.au to indicate your attendance for catering purposes.

STAFFING

I warmly welcome back to work, Rhonda Dobson, a long serving employee who has been on leave for the last two years. We are glad to have you back at work Rhonda and even more so that you are in good health.

I welcome back Fr Richard and Amy Webb, both who took Term 3 off on long service leave. I hope you had a wonderful time on your travels and that you have returned well rested.

Penny Power and Linda Sullivan finished work last week to commence their maternity leave. May God grant you many blessings for the joyous times ahead.

GENERAL NOTICES

CHILDREN, FAMILY & COMMUNITY GUEST SPEAKER

On Tuesday 9 October, Kaiti Francis from Wanslea came to speak to the Year 11 Children, Family and Community class about the work the organisation does. The students have been learning about grandparents serving as primary caregivers and Wanslea's Grandcare Programme. Kaiti highlighted the need for additional support, both financial and social/emotional, for grandparents caring for their grandchildren. As grandparents may not have the resources to provide a range of toys and experiences to assist with child development, the class have been busy designing and producing activities for children aged 4-6 years old. Each student devised three activities based on different areas of development: cognitive, physical, social or emotional. We then packed the activities into decorated activity boxes to donate to Wanslea's Grandcare Programme. We hope children and their grandparents enjoy the activity boxes.

Children, Family & Community Teacher

WOMEN IN MINING WA SUMMIT

Year 12 students, Ashleigh Sanders and Keisha White and I attended The Women in Mining WA (WIMWA) Summit, which was held on Friday 14 September at the Crown Conference Centre.

Inspirational guest speakers included Leigh Sales, Angela Saini and Dr Stephanie Burns. The two-standout sessions for the students were the talk Dr Stephanie Burns and the breakout session for students hosted by Rio Tinto in which students participated in a range of hands on activities with industry professionals.

A big thank you to the organisers of the WIMWA summit, Rio Tinto and to Jo Watkins from Earth Science WA in allowing us the opportunity to have students attend such a wonderful, empowering event.

iCENTRE

Which is better? The book or the movie? This is such a great topic for a conversation around books read and movies watched. The current display in the iCentre promotes books that have been produced as movies. There are also a number of books that were movies first. There are classics such as Anne of Green Gables, Sci-Fi such as Star Wars and Ender's Game and popular productions of Harry Potter, The Hunger Games and Divergent along with new releases, Ladies in Black. Reading classes are having great discussions around their favourites. There is sure to be something to suit all tastes.

2018 Student Residential Address and Other Information collection notice

This notice is from the Australian Government Department of Education and Training (the **department**), to advise you that the department has requested that your child's school provide a *statement of addresses*, in accordance with the *Australian Education Regulation 2013* (Cth) (the **Regulation**).

A *statement of addresses* contains the following information about each student at the school:

- Student residential address (**not student names**)
- Student level of education (i.e. whether the student is a primary or secondary student)
- Student boarding school status (i.e. whether the student is boarding or a day student)
- Names and residential addresses of the student's parent(s) and/or guardian(s)

Schools generate a record number for each student for the purposes of this collection, which is also provided to the department.

Purpose of the collection

This collection is routinely used to inform Commonwealth school education policy, and to help ensure that Commonwealth funding arrangements for non-government schools are based on need, and are fair and transparent.

The National School Resourcing Board recently completed a review of the socio-economic status (**SES**) score methodology used in the calculation of the Commonwealth's needs-based funding arrangements for non-government schools. The information collected in the *statement of addresses* will be used to progress the Board's recommendations, which have been accepted by the Government.

Further information on this review and the Government's response can be found here:
<https://www.education.gov.au/review-socio-economic-status-ses-score-methodology>.

Use and disclosure of personal information

Your personal information is protected by law, including the *Privacy Act 1988* (Cth). Any use and disclosure of your personal information relating to the *statement of addresses* will occur in accordance with the Regulation.

Your personal information may be used by the department, or disclosed to the Australian Bureau of Statistics (the **ABS**), for the purposes of SES score policy development, reviewing SES score methodology, calculating SES scores, Commonwealth school education policy development (including school funding), or where it is otherwise required or authorised by law.

For example, your personal information may be provided to the ABS for statistical and research purposes, which includes data integration projects such as the Multi-Agency Data Integration Project (MADIP). Further information on the MADIP can be found here:
<http://www.abs.gov.au/websitedbs/D3310114.nsf/home/Statistical+Data+Integration+-+MADIP>.

The department may, from time to time, carry out audits of school submissions. In the event of an audit, contracted auditors may seek to compare a school's *statement of addresses* with student enrolment information held by the school. These contractors will not use the information for any other purpose.

The department may also be required to disclose your personal information to contracted providers for the purposes of the provision of ICT support services to the department.

The department does not intend to disclose personal information to overseas recipients.

What do you need to do?

You are not required to do anything. Your school is responsible for providing the requested details to the department, however, please ensure that your school has the most up-to-date and correct details for your family.

Contacts for further information

Your school can provide additional information about the process for the *statement of addresses* collection.

If you have any further questions regarding the collection, you can contact the department by:

- Email: seshelpdesk@education.gov.au
- Phone (free call): SES helpdesk on 1800 677 027 (Option 4)

The department's privacy policy is available on the department's website at www.education.gov.au. The privacy policy contains information about:

- how individuals can access and seek correction of the personal information held by the department;
- how complaints about breaches of the *Privacy Act 1988* (Cth) can be made; and
- how the department will deal with these complaints.

If you wish to contact the department about privacy-related matters, please email the department at EducationPrivacy@education.gov.au or write to:
