“Ask God in prayer to do with you as he wishes. You must abandon yourself completely to his guidance.”

(Letter 13 – To Brother Gabriel Drolin in Rome, 13th August 1704)
Dear Families and Friends

Strategic Planning
In the second half of this year the College will be developing its next three year strategic plan. The process used for the creation of this new plan will be a consultative one with all key stakeholders – students, parents and staff. This plan will be launched in 2020 and continue until 2022. It will be this plan that we will use as our guide in the next few years.

In the development of the plan I invite feedback from parents through the completion of a climate survey. The survey asks for your perspective of our school culture, student engagement and wellbeing. All responses are confidential.

I have recently sent parents an email that provides information about how to access the survey which is being facilitated through National School Improvement Partnerships. The survey will be open to parents until Friday 23 August 2019 and I would encourage all parents to take some time to complete the survey.

Student Voice
Giving students a voice and encouraging them to be partners in their own learning not only increases their agency and achievement, but it also creates positive long-term learning habits. According to the Gonski report, it also builds a student’s engagement with their schooling, which is associated with positive outcomes later in life. I am delighted to share with you one of many initiatives that the College will be implementing in response to our students’ engagement in their learning and listening to their voice.

Earlier in the year our Year 11 Children, Family and Community class began to explore the topic of Sustainability in the La Salle College community. The research conducted by the girls sparked a real passion to make a difference to the environment and so they started to brainstorm the ways we could reduce our environmental footprint as a College.

After discussions with the Maintenance Department, Canteen staff and local recycling plants, it was decided that their focus would be on reducing the amount of plastic water bottles sold at the Canteen. After consulting with myself, the students put together an implementation plan that would see the transition from selling plastic water bottles to a more suitable substitute in cardboard boxed water. As a result of this initiative, as of 26 August 2019, the Canteen will no longer be providing plastic water bottles for sale, they will be replaced with boxed water. The ultimate goal is for students to bring in their own reusable water bottles from home and fill them at the various water stations around the school, some of which will have jug fillers. The Children, Family and Community class are very pleased with the overall outcome of their Sustainability goal and look forward to your support and seeing these changes in action this term. - The Year 11 Children, Family and Community class and Mrs Meyers.

I look forward to seeing the positive impact of this initiative within our community and sharing other student led initiatives in the future.

Monday 26 August - Pupil Free Day
A reminder to parents that the College will be closed on Monday 26 August 2019.

Year 7 2021 Enrolments
I am currently in the process of finalising Year 7 2021 enrolments. If any families have not yet submitted an application, you are asked to do so by Friday 23 August 2019.

Best wishes and God bless!

Ms Giovanna Fiume
Principal
I would like to draw your attention to a few dangerous incidents that have happened recently during the drop-off and pick-up times. Several parents are turning a sharp left by the crosswalk at the 'no left turn if dropping off or picking up students' sign. This has resulted in several near collisions and more importantly near misses with students on the crosswalk.

Can I please remind all drivers that they should continue down towards the gym and circle back as indicated. I do realise that this does add journey time, however, as always, the safety of our students is paramount.

Thank you for your assistance in this matter.

Mr Richard Williams
Deputy Principal

ONLINE LITERACY & NUMERACY ASSESSMENT (OLNA)

The College is currently in the process of scheduling the second round of OLNA assessments for students in Years 10 – 12. These will commence with the Writing Assessment in Week 7 (2 September to 4 September) and be followed by the Numeracy and Reading Assessments in Weeks 8, 9 and 10.

The official results, of the March 2019 round of assessments were mailed home some time ago. The category your child received for each of the three assessments (writing, reading and numeracy) determines if they need to participate in the next round of assessments.

Specifically, the categories are:

- **Category 1:** Students who have not demonstrated the minimum standard and have been identified as students at risk of not meeting the minimum standard.
- **Category 2:** Students who have not yet demonstrated the minimum standard but are likely to before the end of Year 12.
- **Category 3:** Students who have demonstrated the minimum standard, either through OLNA or by prequalifying through Year 9 NAPLAN.
- **NSA:** Students who have not sat the OLNA assessment.

Students who have yet to achieve Category 3 will receive an individual schedule indicating the date, room and time of each required assessment. The Mathematics and English Learning Areas are providing opportunities for students to revise for these.

If you have any queries regarding the OLNA, please contact me at the College.

Mr Danny Battistessa
Deputy Principal
GENERAL NOTICES

FAMILY ACCOUNTS
Parents/guardians are asked to have a payment plan in place that will ensure you have your fees paid in full by the end of Term 4 this year. If you are not paying your fees by direct debit, please ensure your payment plan is registered with the College. This is a letter advising us of the payment amount and frequency.

Methods of Payment:
- Cheque in person or by mail.
- Cash in person.
- Credit card either in person, by telephone or by direct debit.
- EFTPOS in person.
- EFT: [BSB: 086 – 006] [Account Number 813655776]. The Family code must be listed on the transaction, e.g. HOLTMF (located at the bottom of your statement).
- BPay – Account and reference number is located on the statement.
- Direct debit forms are located on the College website:

Families with a Health Care Card
Visit our Accounts Office if you have a Health Care Card as you may be eligible for a discount. You must fill in a new form each year if you are eligible to receive the discount.

ENGLISH ATAR EXAM REVISION SEMINARS FOR STUDENTS
Want to improve your English ATAR results? Join us for free revision seminars on Tuesdays in the Fr Laurence Murphy SDS Senior Learning Centre. Bring your Good Answer book, your afternoon tea snacks and turn up at 3:30 pm. No booking necessary and everyone is welcome.

The plan is to review last year’s WACE exam, including advice for improving your study methods and information about how the papers are marked. Although the seminars are targeted at Year 12s, Year 11s are welcome. Check the posters in the SLC for more information.

YEAR 12 EARTH & ENVIRONMENTAL SCIENCE
Last Sunday, three Year 12 Earth and Environmental Science students were invited by Sandfire Resources to their Copper Mine at DeGrussa, located 900 km north east of Perth.

Jessica, Georgia, Isabelle and I were flown to the site and given a tour of the mine, one of the richest Copper mines in the world. While on the tour we were able to talk to the staff about the way they use electromagnetic surveys to find the copper and gold deposits, how they rehabilitate and reuse waste material. We saw the cores they drill to determine the ore grade and spent time at the mill where they separate the copper and gold from the rock.

After the tour we were treated to a huge lunch and given the chance to speak to mine staff about their role and their experiences working on such an isolated mine.

It was a wonderful experience for all involved.

WRITE-A-BOOK-IN-A-DAY
Write-A-Book-In-A-Day was held on Tuesday 6 August in the iCentre. We had two wonderful teams working on creating a book each. Here are the blurbs:

Get Wrecked!
Adventure awaits, in its most unlikely form...
Show host, Helen Degenerate, and Film Maker, Balthazaar Zepelli, face a series of trials and tribulations when their ship gets wrecked on a coral reef and all of their crew goes missing, except for a mysterious potted plant. If things couldn’t get bad enough, they are faced with a threat they never expected.

Filled with laughs, jokes and action, ‘Get Wrecked’ is a story filled with twists and turns that will have you on the edge of your seat, turning pages to see what lies in store for our brave protagonists.

Sliding By
The students of Oak Park International Junior School were excited for a day of watery fun at Adventure World!

But when students start disappearing after going down a water slide, things get creepy...

When Noah, Sylvia and Janet go down the slide to see where everyone went, their lives fast forward and they appear in a magical forest as full-grown adults and a lamb!

They have to travel to the resident warlock and convince him to help them! But for a cost...defeat the Warlock’s harrowing task and you will survive!

Congratulations to Abigail Rodrigues, Taya Kruger, Bronte Lovelock, Rebecca Dendy, Jacob Page, April Tostevin, Ella Wyard, Cole Letich, Theo Gesmundo, William Hanson from Word Nerds and Sydney Cook, Sona John, Shona Janu, Rhiannon Roche, Madeleyn Sims, Kaylah Mellican, Jordan Curry, Tahli Walker, Caitlyn Moloney and Kiarra Watt from Teamo Supremo. Thank you to the iCentre staff for supporting our event.

The 2019 Angelico Art Exhibition Secondary school section artworks will be exhibited at the Forrest Centre, 221 St Georges Terrace, Perth from Monday 19 – Friday 30 August. If you have the time, head along to see some fantastic works by students in Catholic Education WA.

STUDENT ART WORK ON EXHIBITION ACROSS PERTH

Year 12 ATAR Visual Art student Erin Phillips has exhibited her outstanding oil painting *Resurgence* at two prestigious student exhibitions in Perth this month. The first was the St Georges' Art Exhibition and META at Gallery Central, North Metropolitan TAFE. Hundreds of people move through both exhibitions and this is a fantastic opportunity for Erin as a young artist to have her work appreciated by many onlookers. To be shown in META, the student goes through a rigorous selection process. The exhibition showcases innovative and exciting creative works completed by Year 11 and 12 students enrolled in Visual Art, Design or Media courses. META complements North Metropolitan TAFE’s respected art, design and photography programs and acknowledges the excellence and originality of budding artists, designers and photographers in senior secondary schools across WA.

Erin’s artist statement explains her concept behind the painting: “I have uncovered the hidden beauty of my vulnerable side, causing me to embrace the imperfections that make me three-dimensional and beautifully human. I have been forced to accept the less pleasant moments like this one in my life and time to myself. It is no longer a moment of defeat and self-destruction, but rather a time of regrowth and resurgence.”

Well done Erin!

You are the law when it comes to social media age limits.

Readers may remember ClickOn from 8 June 2018 where we outlined the role of law around the age limits of social media accounts. [Past Delagrams can be accessed via the College website, ‘Connect with Us’, bottom of page.] Since the article mentioned above, 250, 12 year-olds have come to the College. Please see the important few summary points below:

- It’s illegal for kids to have social media accounts below their suggested age limit. **No, it’s not.** It’s not illegal.
- There is no punishment under Australian law.
- It is extraordinarily easy to falsify age when opening such accounts. No one gets prosecuted.
- The age recommendations are the bare minimum that the developers of the apps can get away with.

Mr Andy Vella
ICT Across the Curriculum Coordinator
All new applicants across our current Year 10 and 11 cohort, will be involved in the interview stage, to be held on Monday 9 September and Tuesday 10 September 2019, at the College. Each applicant will receive information in the lead-up to this stage of the process to assist in preparing appropriately with specific details to be provided closer to these dates.

Any student who is applying for one of the Onsite Specialist courses or a TAFE option will be contacted by a member of the Careers team to assist with any specific requirements during Term 3.

If there are any questions in relation to Onsite, please contact me during College hours on 9449 0601, 0439 188 241 or via email: Silv.Lombardi@lasalle.wa.edu.au

Mr Silv Lombardi
Onsite Coordinator

We have had a fast-paced start to Term 3. Our Athletics Team are busy training and preparing for the upcoming 2019 ACC Athletics Carnival. The carnival will take place on Monday 16 September at the State Athletics Stadium. We wish our team all the best not only for the day but also in their preparation for the carnival.

Our NEAS Year 7 Soccer boys played off in their NEAS Grand Final in week 2. In a hard-fought game our boys were able to achieve the win, finishing the season as NEAS premiers! Thank you to Mr McKay for coaching the boys throughout the season.

Our Year 10 boys and girls recently took part in the annual Year 10 ACC AFL Carnival. Both teams competed giving great effort. Our girls finished fifth and our boys won, finishing as premiers! Thank you to Ms Muhling, Ms Doyle, Mr Milligan and Mr McKay who coached the teams.

Our Year 8/9 Football season has come to an end. Our boys won their divisional Grand Final, meaning they progressed to play in the state finals. Unfortunately, our boys went down by three points in a hard-fought game against Chisholm last week. Well done to all boys involved, we are very proud of your efforts. Thank you to Mr Bomford for coaching the team throughout the year.

REVIEWING WOMEN AND THE BIBLE: A JEWISH PERSPECTIVE

The Council for Australian Catholic Women (Perth) invite women to join them and Rabbi Sheryl Nosan to 'review' women and the Bible. The roles of women in the scriptures are varied and complex and include women as challengers, change agents, and as inspiration for those working towards greater understanding and equality of ministry.

Wednesday 21 August 2019 from 6:00 – 9:00 pm in the Staff Room at Trinity College, 2 Trinity Ave, Perth. Light refreshments will be served from 6:00 – 6:30 pm. Parking is available and the Red & Yellow CAT buses travel to Hale Street. RSVP by 18 August by email to kerrymacfarlane2@gmail.com or phone 9397 5988 or SMS 0400 886 835.

‘Reading is my secret power’ is the theme for Book Week 2019. Book Week is a favourite annual event across Australia to celebrate all things literary for children and young adults. La Salle College celebrates Book Week during the next two weeks so that all reading classes in Years 7 – 9 have an opportunity to view the shortlisted and winning books for 2019 as well as enjoy some special activities during these lessons. This year we are celebrating with a Literary lunch on Thursday 22 August. The top borrowers among students will be invited. The lucky winners will be announced at the College Assembly on 21 August.

Some changes have been made to the arrangements for students who play computer games in the iCentre. Students may play ‘coolmaths’ games, Minecraft and Pokemon games only at recess and after school. Other games such as Uno and chess etc will be provided at lunch time.
