Purchasing Uniform Online

Purchases are to be made using the Uniform Shop order form. To use it, save it to your device and open it with Adobe Reader. To assist with ordering the correct sizes, please use the sizing chart.

The form requires Adobe Reader to be installed – if you don't have Adobe Reader, you can download it here. <https://get.adobe.com/reader>.

Purchasing Process

Below is the process that must followed:

Once you complete the order form, please submit by hitting the "Submit" button in the form. This will generate an email to the Uniform Store.

Once the order has been received by the Uniform Store you will receive a call to confirm your order amount and to obtain your credit card details.

Once the order has been paid and picked you will receive a call from the uniform store to confirm a time when you can either pick up your order or have the order taken home by the student.

To limit the number of parents on campus orders can only be picked up by parents at the agreed day and time.

Returns

To ensure return for incorrect sized items purchased all items need to be tried on prior to removing tags. Only items that have tags on and not washed will be accepted for replacement with the correct size.
