La Salle College Strategic Plan 2023 - 2025

Our faith and Lasallian principles

Faith | Excellence | Service

We are a school of excellence guided by our Lasallian principles and Christian values. We celebrate our students' individual needs and interests, empowering them to discover their unique potential.

Through our programs, teachings, behaviours and actions, we encourage our College community to discover more about the Catholic faith and inspire them to realise their best self and live not by their fears but by their hopes, not by their words but by their deeds.

As a College, we've been given the gift of nurturing the young minds and hearts of our students and helping them realise their value, individuality, and the positive impact they can have on the lives of others.

A photograph of two young students in school uniforms. A boy with dark hair, wearing a green blazer, white shirt, and a striped tie, is sitting and smiling towards a girl. The girl, with blonde hair in a ponytail, is also in a green blazer and is seen from the back/side, looking towards the boy. They are sitting on a low brick wall outdoors. The background shows a building with a green roof and some foliage.
