La Salle College
STRATEGIC PLAN

Transforming tomorrow's
Hearts. Minds. Lives.

2027-2029

Our four strategic priorities are underpinned by our faith, Lasallian principles, College values and our Vision for Learning.

1

Catholic Identity

We inspire people to realise their potential and become positive and compassionate contributors to the community.

We will:

- Deepen faith formation of staff
- Strengthen the spiritual life of our school community through meaningful liturgical activities
- Enhance opportunities for belonging, inclusion and meaningful participation for all.

2

Education

We empower our students and staff to be lifelong learners and teachers.

We will:

- Foster a culture of high expectations that nurtures courageous learners
- Leverage our Vision for Learning to advance pedagogical excellence
- Progress our whole school and system approach to literacy and numeracy.

3

Community

We engage with others to create strong ongoing partnerships with positive outcomes.

We will:

- Champion continuous improvement of First Nations education
- Further develop the College boarding program
- Improve the clarity of communication at the College.

4

Stewardship

We ensure our College can continue to support individuals develop their unique potential.

We will:

- Deliver facility upgrades that support educational goals and future growth
- Maximise quality professional learning opportunities for staff
- Promote the sustainable and respectful use of the College environment, resources, and shared spaces.
