Transition Timeline 2027-2030

The new uniform suite has been carefully designed to provide a more contemporary appearance while improving comfort, durability, and practicality for students. Throughout the design process, the College has remained committed to preserving our Lasallian tradition, identity, and colours, ensuring that the uniform reflects both our heritage and our future.

We recognise that many families have already invested in the current uniform. For this reason, the College has adopted a gradual transition plan that allows students to continue wearing their existing uniform for several years, avoiding unnecessary expense and reducing financial pressure on families.

The transition schedule is as follows:

2027: All Year 7 students ideally wear the updated uniform. Students in Years 8 - 12 may wear either the current or updated uniform.

2028: All Year 7 and 8 students wear the updated uniform. Students in Years 9 - 12 may wear either the current or updated uniform.

2029: All Year 7 - 9 students wear the updated uniform. Students in Years 10 - 12 may wear either the current or updated uniform.

2030: The updated uniform becomes compulsory for all students.
